LOAN ASSUMPTION AGREEMENT

86 SEP 16 A10: 21

This agreement states the terms and conditions under which Jeannie M. Harvey (hereafter referred to as "purchasers") assume the rights and obligations of Jeri L. Stanley, Single ("borrowers") under a note and mortgage originated by United Federal Savings and Loan Association of Des Moines ("lender") which was assigned to the Iowa Housing Finance Authority ("IHFA") and is serviced by United Federal Savings and Loan Association of Des Moines ("servicer"). As used in this Agreement, the phrase "the parties" shall include all of the above except the lender, provided, however, that where the lender is also the servicer, such lender-servicer shall be a party in its capacity as servicer.

I. Purchasers, borrowers and servicers hereby make the following representations to each other and to IHFA:

1. Borrowers are indebted to IHFA under a note dated September 12, 1979, in the principal amount of $30,000.00, which is secured by a mortgage of even date therewith. Lender originated the note and mortgage under an IHFA single family mortgage program, and assigned the mortgage to IHFA. ~~Copies of the note and mortgage are attached hereto and by this reference are made a part hereof.~~

The documents are recorded in the Real Estate records of Madison County Recorder, State of Iowa, as follows:

Mortgage: Book/~~Roll~~ 132 Page/~~Image~~ No. 148
Assignment: Book/~~Roll~~ 132 Page/~~Image~~ No. 173

2. Borrowers have sold and conveyed to purchasers all of the real estate described in the attached mortgage, and purchasers desire to assume said mortgage.

~~3. Under the terms of the mortgage, IHFA, as assignee of the lender, may declare all sums secured by the mortgage to be immediately due and payable if borrowers sell or transfer all or any part of the mortgaged property without IHFA's prior written consent. (Strike if inapplicable)~~

4. As of the date of this Agreement, the unpaid principal on the note is $29,523.09, and there is $196.98 in accrued but unpaid interest. If payments are presently in arrears, the amount required to make the loan current is NA, and servicer presently is holding in escrow sufficient funds to make the loan current.

5. The mortgage involved in this transaction is a valid, first and subsisting lien, and there is no second mortgage or other subsequent lien now outstanding against the real property described in the mortgage, nor will this assumption in any way affect the validity of priority of the above mortgage, or cause any other liens, claims or judgments of any nature or description to become a charge against the real estate described in the mortgage.

~~6. Purchasers are "Eligible Mortgagors" under current IHFA guidelines relating to new single family mortgage loans. (Strike if inapplicable)~~

II. In consideration of the above facts, the mutual agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Purchasers hereby assume and agree to pay the indebtedness evidenced by the note and mortgage and perform all of the obligations provided therein.

2. Monthly payments by purchasers shall be as follows: principal and interest $220.20; escrows, including for taxes and insurance $46.80; total monthly payment $267.00. Escrows may be increased in the manner and for the purposes specified in the mortgage. Interest on the unpaid principal shall be at the annual rate of 8.00+½ percent.

~~3. IHFA approves the sale on the terms and conditions contained herein. IHFA further agrees not to declare the sums secured by the mortgage to be immediately due and payable. (Strike if inapplicable)~~

4. If payments by borrowers were in arrears immediately prior to assumption, IHFA agrees to waive its matured foreclosure rights based on the elimination of arrearages concurrently with this assumption.

5. In the event purchasers fail to perform as agreed, borrowers continued liability for the sums secured by the mortgage shall be as follows: (Strike either (a) or (b)):

J.E.J. (a) Borrowers remain liable on the note and mortgage, and will not be released from their liability. It is the intent of this Agreement, therefore, that both the Borrowers and the Purchasers will be personally liable for the payment of the indebtedness described herein.

~~(b) Purchasers are completely substituted for Borrowers. Borrowers are released and discharged from any further personal liability upon the note and mortgage, and it is the intent of this Agreement, therefore, that insofar as Borrowers are concerned, any recovery shall be confined to the value of the mortgaged property.~~

6. This assumption by the Purchasers is joint and several and shall bind them, their heirs, personal representatives, successors and assigns.

7. Borrowers agree that the balance of any escrow funds held by servicer for such purposes as real estate taxes, special assessments or casualty or mortgage insurance shall be retained for the purpose originally paid.

X IN WITNESS WHEREOF, the parties have hereunto executed this instrument the 3rd day of August, 1981.
