Sellers, their successors in interest or assigns may, and hereby reserve the right to at any time mortgage their right, title or interest in such premises or to renew or extend any existing mortgage for any amount not exceeding 80 % of the then unpaid balance of the purchase price herein provided. ALLOCATED PAYMENTS. SELLERS AS TRUSTEES. Sellers agree that they will collect no money hereunder in excess of the amount of the unpaid balance under the terms of this contract less the total amount of the encumbrance on the interest of Sellers or their assigns in said real estate; and if Sellers shall hereafter collect or receive any moneys hereunder beyond such amount, they shall be considered and held as collecting and receiving said money as the agent and trustee of the Buyers for the use and benefit of the Buyers.

9. ADVANCEMENT BY SELLERS. If Buyers fail to pay such taxes, special assessments and insurance and effect necessary repairs, as above agreed, Sellers may, but need not, pay such taxes, special assessments, insurance and make necessary repairs, and all sums so advanced shall be due and payable on demand or such sums so advanced may, at the election of Sellers, be added to the principal amount due hereunder and so secured. (For Buyers' rights to make advancements, see paragraph 5 above.)

10. JOINT TENANCY IN PROCEEDS AND SECURITY RIGHTS IN REAL ESTATE. If and only if, the Sellers immediately preceding this sale, hold the title to the above described property in joint tenancy, and such joint tenancy has not later been destroyed by operation of law or by acts of the Sellers, this sale shall not constitute such destruction and the proceeds of this contract, and any continuing and/or recaptured rights of Sellers in said real estate, shall be and continue in Sellers as joint tenants with rights of survivorship and not as tenants in common; and Buyers, in the event of the death of one of such joint tenants, agree to pay any balance of the proceeds of this contract to the surviving Seller (or Sellers) and to accept deed solely from him or them consistent with paragraph 14 below unless and except this paragraph is stricken from this agreement.

11. SELLERS. Spouse, if not titleholder immediately preceding this sale, shall be presumed to have executed this instrument only for the purpose of relinquishing all rights of dower, homestead and distributive share and/or in compliance with section 561.13 Code of Iowa; and the use of the word "Sellers" in the printed portion of this contract, without more, shall not rebut such presumption, nor in any way enlarge or extend the previous interest of such spouse in said property, or in the sale proceeds, nor bind such spouse except as aforesaid, to the terms and provisions of this contract.

12. TIME IS OF THE ESSENCE. Time is of the essence in this Agreement. Failure to promptly assert rights of Sellers herein shall not, however, be a waiver of such rights or a waiver of any existing or subsequent default.

13. EXCEPTIONS TO WARRANTIES OF TITLE. The warranties of title in any Deed made pursuant to this contract (See paragraph 14) shall be without reservation or qualification EXCEPT: (a) Zoning ordinances; (b) Such restrictive covenants as may be shown of record; (c) Easements of record, if any; (d) As limited by paragraphs 1, 2, 3 and 4 of this contract; (e) Sellers shall give Special Warranty as to the period after equitable title passes to Buyers; (f) Spouse if not titleholder, need not join in any warranties of the deed unless otherwise stipulated:

(g) _____
(Mineral reservations of record?)

(h) _____
(Liens?) (Easements not recorded?) (Interests of other parties?) (Lessees?)

14. DEED AND ABSTRACT, BILL OF SALE. If all said sums of money and interest are paid to Sellers during the life of this contract, and all other agreements for performance by Buyers have been complied with, Sellers will execute and deliver to Buyers a Special Warranty Deed conveying said premises in fee simple pursuant to and in conformity with this contract; and Sellers will at this time deliver to Buyers an abstract showing merchantable title, in conformity with this contract. Such abstract shall begin with the government patent (unless pursuant to the Iowa State Bar Association title standards there is a lesser requirement as to period of abstracting) to said premises and shall show title thereto in Sellers as of the date of this contract; or as of such earlier date if and as designated in the next sentence. This contract supersedes the previous written offer of Buyers to buy the above described property which was accepted by Sellers on the 5th day of February, 19 93. Sellers shall also pay the cost of any abstracting due to any act or change in the personal affairs of Sellers resulting in a change of title by operation of law or otherwise. If any personal property is a part of this agreement, then upon due performance by Buyers, Sellers shall execute and deliver a Bill of Sale consistent with the terms of this contract. Sellers shall pay all taxes on any such personal property payable in 19_____, and all taxes thereon payable prior thereto.

15. APPROVAL OF ABSTRACT. Buyers have not examined the abstract of title to this property and such abstract is not accepted.

16. FORFEITURE. If Buyers (a) fail to make the payments aforesaid, or any part thereof, as same become due; or (b) fail to pay the taxes or special assessments or charges, or any part thereof, levied upon said property, or assessed against it, by any taxing body before any of such items become delinquent; or (c) fail to keep the property insured; or (d) fail to keep it in reasonable repair as herein required; or (e) fail to perform any of the agreements as herein made or required; then Sellers, in addition to any and all other legal and equitable remedies which they may have, at their option, may proceed to forfeit and cancel this contract as provided by law (Chapter 656 Code of Iowa). Upon completion of such forfeiture Buyers shall have no right of reclamation or compensation for money paid, or improvements made; but such payments and/or improvements if any shall be retained and kept by Sellers as compensation for the use of said property, and/or as liquidated damages for breach of this contract; and upon completion of such forfeiture, if the Buyers, or any other person or persons shall be in possession of said real estate or any part thereof, such party or parties in possession shall at once peacefully remove therefrom, or failing to do so may be treated as tenants holding over, unlawfully after the expiration of a lease, and may accordingly be ousted and removed as such as provided by law.

17. FORECLOSURE AND REDEMPTION. If Buyers fail to timely perform this contract, Sellers, at their option, may elect to declare the entire balance immediately due and payable after such notice, if any, as may be required by Chapter 654, The Code. Thereafter this contract may be foreclosed in equity and the court may appoint a receiver to take immediate possession of the property and of the revenues and income accruing therefrom and to rent or cultivate the same as the receiver may deem best for the interest of all parties concerned, and such receiver shall be liable to account to Buyers only for the net profits, after application of rents, issues and profits from the costs and expenses of the receivership and foreclosure and upon the contract obligation.

It is agreed that if this contract covers less than ten (10) acres of land, and in the event of the foreclosure of this contract and sale of the property by sheriff's sale in such foreclosure proceedings, the time of one year for redemption from said sale provided by the statutes of the State of Iowa shall be reduced to six (6) months provided the Sellers, in such action files an election to waive any deficiency judgment against Buyers which may arise out of the foreclosure proceedings; all to be consistent with the provisions of Chapter 628 of the Iowa Code. If the redemption period is so reduced, for the first three (3) months after sale such right of redemption shall be exclusive to the Buyers, and the time periods in Sections 628.5, 628.15 and 628.16 of the Iowa Code shall be reduced to four (4) months.

It is further agreed that the period of redemption after a foreclosure of this contract shall be reduced to sixty (60) days if all of the three following contingencies develop: (1) The real estate is less than ten (10) acres in size; (2) the Court finds affirmatively that the said real estate has been abandoned by the owners and those persons personally liable under this contract at the time of such foreclosure; and (3) Sellers in such action file an election to waive any deficiency judgment against Buyers or their successor in interest in such action. If the redemption period is so reduced, Buyers or their successors in interest or the owner shall have the exclusive right to redeem for the first thirty (30) days after such sale, and the time provided for redemption by creditors as provided in Sections 628.5, 628.15 and 628.16 of the Iowa Code shall be reduced to forty (40) days. Entry of appearance by pleading or docket entry by or on behalf of Buyers shall be presumption that the property is not abandoned. Any such redemption period shall be consistent with all of the provisions of Chapter 628 of the Iowa Code. This paragraph shall not be construed to limit or otherwise affect any other redemption provisions contained in Chapter 628 of the Iowa Code.

18. ATTORNEY'S FEES. In case of any action, or in any proceedings in any Court to collect any sums payable or secured herein, or to protect the lien or title herein of Sellers, or in any other case permitted by law in which attorney's fees may be collected from Buyers, or imposed upon them, or upon the above described property, Buyers agree to pay reasonable attorneys' fees.

19. INTEREST ON DELINQUENT AMOUNTS. Either party will pay interest at the highest legal contract rate applicable to a natural person to the other on all amounts herein as and after they become delinquent, and/or on cash reasonably advanced by either party pursuant to the terms of this contract, as protective disbursements.

20. ASSIGNMENT. In case of the assignment of this Contract by either of the parties, prompt notice shall be given to the other parties, who shall at the time of such notice be furnished with a duplicate of such assignment by such assignors. Any such assignment shall not terminate the liability of the assignor to perform, unless a specific release in writing is given and signed by the other party to this Contract.

21. PERSONAL PROPERTY. If this contract includes the sale of any personal property, then in the event of the forfeiture or foreclosure of this contract, such personalty shall be considered indivisible with the real estate above described; and any such termination of Buyers' rights in said real estate shall concurrently operate as the forfeiture or foreclosure hereof against all such personal property.

22. CONSTRUCTION. Words and phrases herein, including acknowledgements hereof, shall be construed as in the singular or plural number, and as masculine, feminine or neuter gender, according to the context. See paragraph 11 above, for construction of the word "Sellers."

No. 1(b) BALANCE OF PURCHASE PRICE. Buyers have paid $7,500.00 earnest money to sellers at acceptance of this offer to buy by sellers, receipt of which is hereby acknowledged by sellers, an additional $32,500.00 as down payment at closing and the balance of $200,000.00 amortized over 20 years with a balloon payment of entire balance due at the end of 15 years. Payments are to be made semi-annually on October 1st and April 1st of each year to begin on October 1, 1993.

The unpaid principal balance of this contract shall bear interest as follows:

(a) prior to the date (the "Interest Rate Conversion Date") from which the interest payable hereunder is established by the Iowa Agricultural Development Authority to be excluded from gross income for federal income tax purposes, at the rate (the "Taxable Rate") determined as follows:

(1) At the rate of 7.5% per annum from April 1, 1993 until April 1, 1996 (the "Initial Rate Adjustment Date");

(2) The Taxable Rate shall be adjusted on the Initial Rate Adjustment Date and every 36 months thereafter (each an "Interest Rate Adjustment Date") to be equal to 100% of the announced prime rate of the New York Prime Rate as published in the Wall Street Journal, as the same exists on the date of adjustment. Such rate shall not be less than 4.5% or above 7.5%.

(b) on the Interest Rate Conversion Date and on each Interest Rate Adjustment Date thereafter the interest rate (the "Tax Exempt Rate") shall be equal to 100% of the announced prime rate of New York Prime Rate, as published in the Wall Street Journal, minus 1 1/2%, as the same exists on the date of adjustment.

(c) if at any time after the Interest Rate Conversion Date the interest payments are determined to be includable in gross income for federal income tax purposes, the interest rate shall be the Taxable Rate determined as provided in subparagraph (a)(2) above.

Buyers shall have the option to pay interest only on one of the semi-annual payments each year for a total of two times during the first five-year period of the contract, two times during the second five-year period of the contract and two times during the last five-year period of the contract. In other words, buyers shall have said option a total of two times during each of the five-year periods of the contract. It is further agreed that buyers shall not be allowed to elect to pay interest only on consecutive payments. It is further agreed between the parties that buyers' exercise of their option shall effect an adjustment of the amortization schedule and future payments called for thereon. Said adjustment shall be limited to future payment amounts and the amounts allotted to principal and interest from said future payments.

No. 23. SPECIAL PROVISIONS. The sale price of $240,000.00 shall include the following items of personal property: mix-mill, augers and motors, the silo unloader, the bulk bin, farrowing crates and nursery pens in the farrowing house, feeders and waterers in the confinement building, all other waterers, all gates and panels, two John Deere boxes and gears, a chopper pump and a honey wagon.

Buyers have inspected the property and accept it "as is", including, but not limited to, the well and water.

Buyers and sellers shall execute a Well Agreement concerning the furnishing of water to a residence located on Parcel "A" referred to above, which shall run with the land. All expenses for maintenance or repair of the well will be split on a 80% buyers and 20% sellers basis between the buyers and the sellers or their respective assignees. Buyers do not guarantee either the quality or quantity of water from this well to the sellers or their assignees.

Sellers agree to not sell Parcel "A" referred to above for a period of five (5) years from the date of possession called for under this contract. After said five (5) years buyers shall have an option to meet any offer to purchase accepted by the sellers on that Parcel "A" within twenty-one (21) days of buyers' receipt of notice of sellers' acceptance. This option is only to meet any such offer to purchase in every detail.

Sellers further agree that if both of them should die while still owning Parcel "A" that they agree that this Parcel "A" would become part of the contract of sale for no additional consideration.

It is anticipated that this purchase will be made under the beginning farmer program and the parties agree to execute all documentation necessary to effect same.

Any notice of forfeiture or notice of acceleration for either forfeiture or foreclosure shall provide that the buyers shall have ninety (90) days to cure any default or delinquency.

No. 24. ASSIGNMENT PROVISIONS. This contract will be assigned by the Buyer, Iowa Agricultural Development Authority, to Randy McAllister and Doris McAllister, Beginning Farmers, and may not be reassigned by Beginning Farmers without the written consent of Sellers and the Iowa Agricultural Development Authority which consent, if given, shall not operate as a waiver of the requirement of written consent on any subsequent assignment. Any attempt by Beginning Farmers to reassign this contract without written consent shall entitle Sellers to declare all amounts due hereunder immediately due and payable.

To evidence its payment obligations under this contract, the Iowa Agricultural Development Authority will issue its tax exempt bond (the "Bond") in an amount equal to the unpaid balance of the purchase price contained herein and bearing interest at the rate determined in accordance with subparagraph (b) of paragraph No. 1(b) of this Exhibit A (the "Tax Exempt Rate") with payment terms identical to those contained herein. Beginning Farmers have expressly warranted to Sellers that the interest payments received pursuant to the terms contained herein will come to the Sellers in the form that will make it not includable in gross income for federal income tax purposes. Sellers are relying on the representations made by the Beginning Farmers in this regard and in the event the interests payments are determined to be includable in gross income for federal income tax purposes, then all interest payments will be computed on the basis of interest at the rate determined in accordance with subparagraph (a) of paragraph No. 1(b) of this Exhibit A (the "Taxable Rate") and Beginning Farmers shall be responsible to make payment to the Sellers for the difference between interest paid at the Tax Exempt Rate and the amount calculated on the basis of interest at the Taxable Rate. This provisions shall not apply in the event the Bond is held by a Related Person (as defined by the Internal Revenue Code) to the Beginning Farmers.

The Sellers acknowledge that this contract will be assigned by the Iowa Agricultural Development Authority by separate instrument, the Guarantee, Assignment and Assumption Agreement (the "Guarantee") to the Beginning Farmers who will assume the rights, duties, obligations and liabilities of the Iowa Agricultural Development Authority hereunder and guarantee the payment of principal of and interest on the Bond. Sellers approve such assignment and assumption and acknowledge that the principal of, premium, if any, and interest on the Bond, the installment payments under this contract and other amounts due and owing to the Sellers as holder of the Bond and seller under this contract are special limited obligations of the Iowa Agricultural Development Authority and payable solely and only from the obligations of the Beginning Farmers under the Guarantee and are not general obligations of the State of Iowa or any political subdivision or agency thereof, including the Iowa Agricultural Development Authority, within the meaning of any constitutional or statutory limitation and do not constitute or give rise to a pecuniary liability of the State of Iowa or any political subdivision or agency thereof, including the Iowa Agricultural Development Authority, or a charge against their general credit or general funds.
