AND THIS SIXTIETH SUPPLEMENTAL INDENTURE FURTHER WITNESSETH, that the Company hereby covenants and agrees to and with the Trustee and its successors and assigns forever as follows:

SECTION 1. There shall be, and is hereby created, a new series of first mortgage bonds, known as and entitled "First Mortgage Bonds, Pollution Control Collateral Series A (Cedar Rapids) Due November 1, 2023," and the form thereof shall be substantially as hereinafter set forth.

The Series A Bonds shall be issued and delivered to the New Mortgage Trustee under the New Mortgage as the basis for the authentication and delivery under the New Mortgage of a series of securities known as the "Collateral Trust Bonds, 5.50% Series A (Cedar Rapids) Due November 1, 2023". As provided in the New Mortgage, the Series A Bonds will be registered in the name of the New Mortgage Trustee or its nominee and will be owned and held by the New Mortgage Trustee, subject to the provisions of the New Mortgage, for the benefit of the holders of all securities from time to time outstanding under the New Mortgage, and the Company shall have no interest therein. The Series A Bonds will not be transferable except to a successor trustee under the New Mortgage.

Any payment or deemed payment by the Company under the New Mortgage of the principal of or interest, if any, on the Collateral Trust Bonds, 5.50% Series A (Cedar Rapids) Due November 1, 2023 (other than by the application of the proceeds of a payment in respect of the Series A Bonds) shall, to the extent thereof, be deemed to satisfy and discharge the obligation of the Company, if any, to make a payment of principal of or interest on such Series A Bonds, as the case may be, which is then due.

The principal amount of the Series A Bonds shall be limited to $10,200,000, except in case of the issuance of bonds as provided in Section 14 of the Original Indenture on account of mutilated, lost, stolen, or destroyed bonds. The Series A Bonds shall be registered bonds only without coupons of the denomination of $1,000 and any multiple of $1,000, and of such respective amounts of each of said denominations as may be executed by the Company and delivered to the Trustee for authentication and delivery. Notwithstanding the provisions of Section 7 of the Original Indenture to the contrary, no reservation of unissued coupon bonds shall be required with respect to the Series A Bonds. All Series A Bonds shall mature November 1, 2023 and shall not bear interest except that if the

Company should default in the payment of principal on a Series A Bond, such Series A Bond shall bear interest on such defaulted principal at the rate of six percent per annum (to the extent that payment of such interest is enforceable under applicable law) until the Company's obligation with respect to the payment of such principal shall be discharged. The principal, premium, if any, and the interest, if any, on the Series A Bonds shall be payable at the agency of the Company in the City of Chicago, Illinois, or, at the option of the Company in The City of New York, in any coin or currency of the United States of America which at the time of payment shall be legal tender for public and private debts.

The Series A Bonds shall be redeemed in whole at any time or in part from time to time, no later than the redemption of the Collateral Trust Bonds, 5.50% Series A (Cedar Rapids) Due November 1, 2023, in a principal amount equal to the principal amount of Collateral Trust Bonds, 5.50% Series A (Cedar Rapids) Due November 1, 2023 then being redeemed, and at a redemption price equal to the redemption price (excluding interest other than interest on defaulted principal, if any) applicable to such redemption of such Collateral Trust Bonds.

Notwithstanding Section 11 of the Original Indenture, the Company may execute, and the Trustee shall authenticate and deliver, definitive Series A Bonds in typewritten form.

Subject to the provisions of Section 8 of the Original Indenture, all definitive Series A Bonds shall be interchangeable for other Series A Bonds of a different authorized denomination or denominations, as requested by the holder surrendering the same, upon surrender to the agency of the Company in the City of Chicago, Illinois, or, at the option of the holder, at the agency of the Company in The City of New York. Anything contained in Section 13 of the Original Indenture notwithstanding, upon such interchange of Series A Bonds, no charge may be made by the Company except the payment of a sum sufficient to reimburse the Company for any stamp tax or other governmental charge incident thereto.

The Trustee is hereby appointed Registrar of the Series A Bonds for the purpose of registering and transferring Series A Bonds as in Section 12 of the Original Indenture provided. Series A Bonds may also be so registered and transferred at the principal corporate trust office of First Chicago Trust Company of New York in The City of New York, which company is hereby authorized to act as co-Registrar of Series A Bonds in The City of New York. In case any Series A Bonds shall be redeemed in part only, any delivery pursuant to Section 97 of the Original Indenture of a new Series A Bond or Bonds of an aggregate principal amount equal to the unredeemed portion of such Series A Bond shall, at the option of the registered owner, be made by the co-Registrar. For all purposes of Articles Eleven and Eighteen of the Original Indenture, First Chicago Trust Company of New

York in The City of New York, as the New York Paying Agent for Series A Bonds, shall be deemed to be the agent of the Trustee for the purpose of receiving all or any part, as may be directed by the Trustee, of any deposit for the purpose of redeeming, or of paying at maturity, any Series A Bonds, and any money so deposited with First Chicago Trust Company of New York in The City of New York, upon the direction of the Trustee, in trust for the purpose of paying the redemption price of, or of paying at maturity, any Series A Bonds, shall be deemed to constitute a deposit in trust with, and to be held in trust by, the Trustee in accordance with the provisions of Article Eleven or Eighteen of the Original Indenture.

So long as any Series A Bonds shall be outstanding, in addition to the offices or agencies required to be maintained by the provisions of the Original Indenture, the Company shall keep or cause to be kept at an office or agency to be maintained by the Company in The City of New York, books for the registration and transfer of Series A Bonds pursuant to the foregoing provisions of this Section and to the provisions of the Original Indenture.

SECTION 2. The Series A Bonds and the certificate of authentication to be borne by such Series A Bonds shall be substantially in the following forms, respectively:

As provided in the Indenture, said first mortgage bonds are issuable in series which

[FORM OF REVERSE OF SERIES B BOND]

IOWA ELECTRIC LIGHT AND POWER COMPANY
FIRST MORTGAGE BOND, Pollution Control Collateral
Series B (Marshalltown)

Due November 1, 2023

This bond is one of an authorized issue of bonds of the Company known as its "first mortgage bonds", issued and to be issued in series under, and all equally and ratably secured (except as any sinking, amortization, improvement, renewal or other fund, or any other covenants or agreements, established in accordance with the provisions of the Indenture hereinafter mentioned, may afford additional security for the first mortgage bonds of any particular series) by an Indenture of Mortgage and Deed of Trust dated as of August 1, 1940, executed by the Company to The First National Bank of Chicago, as Trustee, as supplemented by sixty Supplemental Indentures (including a Seventh Supplemental Indenture dated as of July 1, 1946, a Thirty-second Supplemental Indenture dated as of September 1, 1966, a Forty-fifth Supplemental Indenture dates as of November 1, 1976, a Fifty-fifth Supplemental Indenture dated as of March 1, 1988, a Fifty-sixth Supplemental Indenture dated as of October 1, 1988, a Fifty-ninth Supplemental Indenture dated as of October 1, 1993 and a Sixtieth Supplemental Indenture dated as of November 1, 1993) each duly executed by the Company to said Trustee (said Indenture, as so supplemented, being herein sometimes referred to as the "Indenture"), to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the properties mortgaged and pledged, the nature and extent of the security, the rights of the holders of said first mortgage bonds, and of the Trustee and of the Company in respect of such security, and the terms and conditions upon which said first mortgage bonds are and are to be issued and secured. As provided in, and to the extent permitted by, the Indenture, the rights and obligations of the Company and of the holders of said first mortgage bonds may be changed and modified with the consent of the Company by the affirmative vote of the holders of at least 75% in principal amount of the first mortgage bonds then outstanding affected by such change or modification (excluding

first mortgage bonds disqualified from voting by reason of the Company's interest therein as provided in the Indenture); provided, however, that without the consent of the registered owner hereof no such change or modification shall permit the reduction of the principal or the extension of the maturity of the principal of this bond or the reduction of the rate of interest, if any, hereon or any other modification of the terms of payment of such principal or interest. As provided in the Indenture, said first mortgage bonds are issuable in series which may vary as in the Indenture provided or permitted. This bond is one of a series of first mortgage bonds entitled "First Mortgage Bonds, Pollution Control Collateral Series B (Marshalltown) Due November 1, 2023".

Any payment or deemed payment by the Company of the principal of or interest, if any, on the Company's Collateral Trust Bonds, 5.50% Series B (Marshalltown) Due November 1, 2023 (other than by the application of the proceeds of a payment in respect of this bond) shall, to the extent thereof, be deemed to satisfy and discharge the obligation of the Company, if any, to make a payment of principal of or interest on this bond which is then due.

This bond shall be redeemed, in whole at any time or in part from time to time, no later than the redemption of the Collateral Trust Bonds, 5.50% Series B (Marshalltown) Due November 1, 2023, in a principal amount equal to the principal amount of such Collateral Trust Bonds then being redeemed, and at a redemption price equal to the redemption price (excluding interest other than interest on defaulted principal, if any) applicable to the redemption of such Collateral Trust Bonds.

If an event of default, as defined in the Indenture, shall occur, the principal of this bond may become or be declared due and payable, in the manner and with the effect provided in the Indenture.

This bond is transferable, in accordance with the terms of the Indenture, by the registered owner hereof in person or by attorney authorized in writing at the agency of the Company in the City of Chicago, Illinois, or, at the option of the holder, at the agency of the Company in The City of New York, upon surrender and cancellation of this bond and upon any such transfer a new first mortgage bond of the same series, for the same aggregate principal amount, will be issued to the transferee in exchange herefor. The Company and the Trustee may deem and treat the person in whose name this bond is registered as the absolute owner hereof, for the purpose of receiving payment and for all other purposes.

This bond, alone or with other first mortgage bonds of the same series, may be exchanged upon surrender thereof to the Trustee at the agency of the Company in the City of Chicago, Illinois, or, at the option of the holder, at the agency of the

Company in The City of New York, for one or more other first mortgage bonds of the same series and of the same aggregate principal amount but of a different authorized denomination or denominations, upon payment of a sum sufficient to reimburse the Company for any stamp tax or other governmental charge incident thereto, and subject to the terms and conditions set forth in the Indenture.

No recourse shall be had for the payment of the principal of or the interest on this bond, or for any claim based hereon or otherwise in respect hereof or of the Indenture or of any indenture supplemental thereto, against any incorporator, stockholder, director, or officer, as such, past, present or future, of the Company or of any predecessor or successor corporation, either directly or through the Company or any predecessor or successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or by any legal or equitable proceeding or otherwise howsoever; all such liability being, by the acceptance hereof and as a part of the consideration for the issuance hereof, expressly waived and released by every registered owner hereof, as more fully provided in the Indenture; provided, however, that nothing herein or in the Indenture contained shall be taken to prevent recourse to and the enforcement of the liability, if any, of any shareholder or any stockholder or subscriber to capital stock upon or in respect of shares of capital stock not fully paid up.

[END OF SERIES B BOND FORM]

SECTION 5. There shall be, and is hereby created, a new series of first mortgage bonds, known as and entitled "First Mortgage Bonds, Pollution Control Collateral Series C (Boone) Due November 1, 2023," and the form thereof shall be substantially as hereinafter set forth.

The Series C Bonds shall be issued and delivered to the New Mortgage Trustee under the New Mortgage as the basis for the authentication and delivery under the New Mortgage of a series of securities known as the "Collateral Trust Bonds, 5.50% Series C (Boone) Due November 1, 2023". As provided in the New Mortgage, the Series C Bonds will be registered in the name of the New Mortgage Trustee or its nominee and will be owned and held by the New Mortgage Trustee, subject to the provisions of the New Mortgage, for the benefit of the holders of all securities from time to time outstanding under the New Mortgage, and the Company shall have no interest therein. The Series C Bonds will not be transferable except to a successor trustee under the New Mortgage.

Any payment or deemed payment by the Company under the New Mortgage of the principal of or interest, if any, on the Collateral Trust Bonds, 5.50% Series C (Boone) Due November 1, 2023 (other than by the application of the proceeds of a payment

in respect of the Series C Bonds) shall, to the extent thereof, be deemed to satisfy and discharge the obligation of the Company, if any, to make a payment of principal of or interest on such Series C Bonds, as the case may be, which is then due.

The principal amount of the Series C Bonds shall be limited to $2,200,000, except in case of the issuance of bonds as provided in Section 14 of the Original Indenture on account of mutilated, lost, stolen, or destroyed bonds. The Series C Bonds shall be registered bonds only without coupons of the denomination of $1,000 and any multiple of $1,000, and of such respective amounts of each of said denominations as may be executed by the Company and delivered to the Trustee for authentication and delivery. Notwithstanding the provisions of Section 7 of the Original Indenture to the contrary, no reservation of unissued coupon bonds shall be required with respect to the Series C Bonds. All Series C Bonds shall mature November 1, 2023 and shall not bear interest except that if the Company should default in the payment of principal on a Series C Bond, such Series C Bond shall bear interest on such defaulted principal at the rate of six percent per annum (to the extent that payment of such interest is enforceable under applicable law) until the Company's obligation with respect to the payment of such principal shall be discharged. The principal, premium, if any, and the interest, if any, on the Series C Bonds shall be payable at the agency of the Company in the City of Chicago, Illinois, or, at the option of the Company in The City of New York, in any coin or currency of the United States of America which at the time of payment shall be legal tender for public and private debts.

The Series C Bonds shall be redeemed in whole at any time or in part from time to time, no later than the redemption of the Collateral Trust Bonds, 5.50% Series C (Boone) Due November 1, 2023, in a principal amount equal to the principal amount of Collateral Trust Bonds, 5.50% Series C (Boone) Due November 1, 2023 then being redeemed, and at a redemption price equal to the redemption price (excluding interest other than interest on defaulted principal, if any) applicable to such redemption of such Collateral Trust Bonds.

Notwithstanding Section 11 of the Original Indenture, the Company may execute, and the Trustee shall authenticate and deliver, definitive Series C Bonds in typewritten form.

Subject to the provisions of Section 8 of the Original Indenture, all definitive Series C Bonds shall be interchangeable for other Series C Bonds of a different authorized denomination or denominations, as requested by the holder surrendering the same, upon surrender to the agency of the Company in the City of Chicago, Illinois, or, at the option of the holder, at the agency of the Company in The City of New York. Anything contained in Section 13 of the Original Indenture notwithstanding, upon such interchange of Series C Bonds, no charge may be made by the

Company except the payment of a sum sufficient to reimburse the Company for any stamp tax or other governmental charge incident thereto.

The Trustee is hereby appointed Registrar of the Series C Bonds for the purpose of registering and transferring Series C Bonds as in Section 12 of the Original Indenture provided. Series C Bonds may also be so registered and transferred at the principal corporate trust office of First Chicago Trust Company of New York in The City of New York, which company is hereby authorized to act as co-Registrar of Series C Bonds in The City of New York. In case any Series C Bonds shall be redeemed in part only, any delivery pursuant to Section 97 of the Original Indenture of a new Series C Bond or Bonds of an aggregate principal amount equal to the unredeemed portion of such Series C Bond shall, at the option of the registered owner, be made by the co-Registrar. For all purposes of Articles Eleven and Eighteen of the Original Indenture, First Chicago Trust Company of New York in The City of New York, as the New York Paying Agent for Series C Bonds, shall be deemed to be the agent of the Trustee for the purpose of receiving all or any part, as may be directed by the Trustee, of any deposit for the purpose of redeeming, or of paying at maturity, any Series C Bonds, and any money so deposited with First Chicago Trust Company of New York in The City of New York, upon the direction of the Trustee, in trust for the purpose of paying the redemption price of, or of paying at maturity, any Series C Bonds, shall be deemed to constitute a deposit in trust with, and to be held in trust by, the Trustee in accordance with the provisions of Article Eleven or Eighteen of the Original Indenture.

So long as any Series C Bonds shall be outstanding, in addition to the offices or agencies required to be maintained by the provisions of the Original Indenture, the Company shall keep or cause to be kept at an office or agency to be maintained by the Company in The City of New York, books for the registration and transfer of Series C Bonds pursuant to the foregoing provisions of this Section and to the provisions of the Original Indenture.

SECTION 6. The Series C Bonds and the certificate of authentication to be borne by such Series C Bonds shall be substantially in the following forms, respectively:

As provided in, and to the extent permitted by, the Indenture, the rights and obligations of the Company and of the holders of said first mortgage bonds may be changed and modified with the consent of the Company by the affirmative vote of the holders of at least 75% in principal amount of the first mortgage bonds then outstanding affected by such change or modification (excluding first mortgage bonds disqualified from voting by reason of the Company's interest therein as provided in the Indenture); provided, however, that without the consent of the registered owner hereof no such change or modification shall permit the reduction of the principal or the extension of the maturity of the principal of this bond or the reduction of the rate of interest, if any, hereon or any other modification of the terms of payment of such principal or interest. As provided in the Indenture, said first mortgage bonds are issuable in series which may vary as in the Indenture provided or permitted. This bond is one of a series of first mortgage bonds entitled "First Mortgage Bonds, Pollution Control Collateral Series C (Boone) Due November 1, 2023".

SECTION 11. All references in the Original Indenture to the various Sections and Articles thereof shall be deemed to refer to said Sections and Articles as heretofore amended, and the Original Indenture shall hereafter be construed and applied as heretofore amended and supplemented.

SECTION 12. This Supplemental Indenture may be executed in any number of counterparts, and each of such counterparts shall for all purposes be deemed to be an original, and all such counterparts, or as many of them as the Company and the Trustee shall preserve undestroyed, shall together constitute but one and the same instrument.
