[1]Only one original promissory note is contemplated with the use of this mortgage form. But see 3 below.
[2]If later advances are made, the order, receipt or additional promissory note should be signed by husband and wife, and specifically refer to the security of this original mortgage, which should be identified by book and page.
[3]CONSIDER THE STATUTE OF LIMITATIONS. If this loan, and later advances constitute a long term transaction (over ten years), consider the advisability of making the maturity date or dates in the original note a matter of public record by insertion in this mortgage.
