Pursuant to the terms of this agreement, applicable statutes, and administrative rules, the DEPARTMENT agrees to provide STP funding to the RECIPIENT for the authorized and approved costs for eligible items associated with said improvements.

Inconsideration of the foregoing and the mutual promises contained in this agreement, the parties agree as follows:

1. The RECIPIENT shall be the lead local governmental agency for carrying out the provisions of this agreement.

2. All notices required under this agreement shall be made in writing to the DEPARTMENT and the RECIPIENT'S contact person. The DEPARTMENT'S contact person shall be the Local Systems Engineer of the East Central Iowa Transportation Center. The RECIPIENT'S contact person shall be the Delaware County Engineer.

3. The RECIPIENT shall be responsible for the development and completion of the following described STP project: PCC Paving on X47 (300th Ave.) between U.S. 20 and D22, three miles East of Earlville in Section 33-T89N-R3W.

4. The RECIPIENT shall receive reimbursement of Federal STP funds for authorized and approved project costs of eligible items. The portion of the eligible project costs paid by Federal STP funds shall be limited to a maximum of either 80 percent of eligible costs or the amount stipulated in the current East Central Intergovernmental Association Transportation Improvement Program (TIP) and approved in the current Statewide Transportation Improvement Program (STIP), whichever is less.

5. This agreement will become null and void if the project described in Section 3 drops out of East Central Intergovernmental Association current TIP or the approved current STIP prior to obligation of Federal funds.

6. The attached Exhibit 1 will apply and is hereby made a part of this agreement.

IN WITNESS WHEREOF, each of the parties hereto has executed this Agreement Number 96-STPS-033 as of the date shown opposite its signature below.

IOWA DEPARTMENT OF TRANSPORTATION
AGREEMENT FOR FEDERAL-AID
SURFACE TRANSPORTATION PROGRAM PROJECT

RECIPIENT: Delaware County
COUNTY: Delaware
PROJECT NO.: STP-S-28(28)5E-28
IA.DOT AGREEMT. NO:96-STPS-032

This is an agreement between Delaware County, Iowa (hereinafter referred to as RECIPIENT) and the Iowa Department of Transportation (hereafter referred to as the DEPARTMENT). Iowa Code Section 306A.7 (City) or Section 310.2 (County), provides for the RECIPIENT and the DEPARTMENT to enter into agreements with each other for the purpose of financing transportation improvement projects on streets and highways in Iowa with Federal funds. The RECIPIENT proposes a Surface Transportation Program (STP) project for funding under Sec. 133(b) of Title 23, United States Code.

The Intermodal Surface Transportation Efficiency Act of 1991(ISTEA) established the Surface Transportation Program (STP). Federal regulations provide that the STP funds are to be administered by the DEPARTMENT.

Pursuant to the terms of this agreement, applicable statutes, and administrative rules, the DEPARTMENT agrees to provide STP funding to the RECIPIENT for the authorized and approved costs for eligible items associated with said improvements.

In consideration of the foregoing and the mutual promises contained in this agreement, the parties agree as follows:

1. The RECIPIENT shall be the lead local governmental agency for carrying out the provisions of this agreement.

2. All notices required under this agreement shall be made in writing to the DEPARTMENT and the RECIPIENT'S contact person. The DEPARTMENT'S contact person shall be the Local Systems Engineer of the East Central Iowa Transportation Center. The RECIPIENT'S contact person shall be the Delaware County Engineer.

3. The RECIPIENT shall be responsible for the development and completion of the following described STP project: ACC Resurfacing on D22 from the East Corp. line of Manchester easterly to the West Corp. line of Earlville.

4. The RECIPIENT shall receive reimbursement of Federal STP funds for authorized and approved project costs of eligible items. The portion of the eligible project costs paid by Federal

STP funds for authorized and approved project costs of eligible items. The portion of the eligible project costs paid by Federal STP funds shall be limited to a maximum of either 80 percent of eligible costs or the amount stipulated in the current East Central Intergovernmental Association Transportation Improvement Program (TIP) and approved in the current Statewide Transportation Improvement Program (STIP), whichever is less.

5. This agreement will become null and void if the project described in Section 3 drops out of East Central Intergovernmental Association current TIP or the approved current STIP prior to obligation of Federal funds.

6. The attached Exhibit 1 will apply and is hereby made a part of this agreement.

IN WITNESS WHEREOF, each of the parties hereto has executed this Agreement Number 96-STPS-032 as of the date shown opposite its signature below.

RECIPIENT Delaware

Motion made by Clemen, seconded by Besler and carried that the following agreement be approved:

IOWA DEPARTMENT OF TRANSPORTAION
AGREEMENT FOR FEDERAL-AID HIGHWAY BRIDGE
REPLACEMENT AND REHIBILITATION (HBRR) PROGRAM PROJECT

County: Delaware
Proj. No.: BROS-28(23)-8J-28
IOWA DOT
AGREEMENT NO: 96-HBRR-028

This is an agreement between Delaware County, Iowa (hereinafter referred to as RECIPIENT) and the Iowa Department of Transportation (hereinafter referred to as the DEPARTMENT). Iowa Code Sections 306A.7 and 307.44, provide for the RECIPIENT and the DEPARTMENT to enter into agreements with each other for the purpose of financing transportation improvement projects on streets and highways in Iowa with Federal funds. The RECIPIENT proposes a Highway Bridge Replacement and Rehabilitation (HBRR) Program project for funding under Sec. 144 of Title 23, United States Code.

The Intemodal Surface Transportation Efficiency Act of 1991 (ISTEA) Provided for the Federal-aid Highway Bridge Replacement and Rehabilitation (HBRR) Program to replace or rehabilitate bridges on public roads on and off the Federal-aid System. Federal regulations provide that the HBRR funds are to be administered by the DEPARTMENT.

Pursuant to the terms of this agreement, applicable statutes, and administrative rules (761 IAC Chapter 161), the DEPARTMENT agrees to provide HBRR funding to the RECIPIENT for the authorized and approved costs for eligible items associated with said improvements.

In consideration of the foregoing and the mutual promises contained in this agreement, the parties agree as follows:

1. The RECIPIENT shall be the lead local governmental agency for carrying out the provisions of this agreement.

2. All notices required under this agreement shall be made in writing to the DEPARTMENT and the RECIPIENT'S contact person. The DEPARTMENT'S contact person shall be the local Systems Engineer of the East Central Iowa Transportation Center. The RECIPIENT'S contact person shall be the Delaware County Engineer.

3. The RECIPIENT shall be responsible for the development and completion of the following described bridge project.

   A. Location: Bridge Replacement at the intersection of Pioneer Road and Quarter Road over Maquoketa River, Section 34, T88N-R4W
   B. FHWA Structure Number: 140830
   C. Estimated Total Cost: $350,000

4. The RECIPIENT shall receive reimbursement for authorized and approved project costs of eligible items from HBRR Federal funds. The portion of the eligible project costs paid by HBRR Federal funds shall be limited to a maximum of 80 percent of eligible costs (or $850,000 for cities, whichever is less).

5. The eligible project construction limits shall include the bridge plus grading and/or paving to reach a "touchdown" point determined by the DEPARTMENT.

6. Federal-aid HBRR funds may be used to cover engineering costs (design and construction inspection services) when the total costs of engineering services will equal or exceed $25,000. If the CITY chooses to use Federal-aid HBRR funds for consulting engineering purposes, the $850,000 project limitation for cities will be effectively reducted by the amount of Federal-aid funds authorized for engineering services.

7. This agreement will become null and void if the project described in Section 3 drops out of the approved current Statewide Transportation Improvement Program (STIP) prior to obligation of Federal funds.

8. The attached Exhibit 1B will apply and is hereby made a part of this agreement.

IN WITNESS WHEREOF, each of the parties hereto has executed this Agreement Number 96-HBRR-028 as of the date shown opposite its signature below.
