MANCHESTER HOUSING REHABILITATION PROGRAM
FORGIVABLE LOAN AGREEMENT
PAGE 3 OF 3

The following are the terms of the forgivable loan:

1. This property was assisted with funds from the State of Iowa's Housing Fund program to rehabilitate owner occupied housing units. If this property or any part of the house is rented, leased or otherwise altered from its current condition as a single family dwelling unit during the course of this note, the entire original amount becomes due and payable to the City of MANCHESTER immediately. The property must be the owner's primary residence, and be listed on their income tax return as their primary residence, or the entire original amount of the note becomes due and payable immediately when the owner abandons the property.

2. If the property is not preserved in a reasonably clean, safe and sanitary condition as determined by the City's ordinances, the City of MANCHESTER has the option of declaring the entire original amount of the note due and payable to the City of MANCHESTER immediately.

3. The homeowner will request the approval of the City Council prior to undertaking any large renovation projects to the property which would result in an alteration of the existing floor plan.

4. Any convictions resulting from criminal activity occurring on the property will result in the entire original amount of the note becoming due and payable to the City of MANCHESTER immediately.

5. Failure to pay property taxes in a timely manner will result in the entire original amount of the note to become due and payable to the City of MANCHESTER immediately.

6. Establishing and conducting a business enterprise within the dwelling that fails to comply with the City's ordinances will result in the entire original amount of the note becoming due and payable to the City of MANCHESTER immediately.

7. Property insurance coverage in excess of the value of the note will be secured at the homeowner's expense for the entire period of the note. It will be the homeowner's responsibility to provide a copy of the property insurance on an annual basis to the City of MANCHESTER during the entire period of the note. Failure to supply the City with proof of insurance coverage will result in the entire original amount of the note becoming due and payable to the City of MANCHESTER immediately.

8. In the event of the death of the owner occupant, the note can be transferred to an heir or relative who meets the current (at the time of the death of the owner occupant) HUD Low and Moderate Income (LMI) guidelines for the remaining period of the note upon simple majority approval by the City Council. If no such heir or relative exists, then the entire original amount of the note becomes due and payable to the City of MANCHESTER immediately as to the terms of the note.

The City Council of the City of MANCHESTER has the right to waive any or all of the terms of the note due to extenuating circumstances.
