and to all other persons, companies, or corporations having any interest in or owning any of the following described real estate:

The Northwest Quarter of the Southeast Quarter and the Northeast Quarter of the Southeast Quarter and the Southeast Quarter of the Southeast Quarter of Section 15, Township 87 North, Range 5 West, Delaware County, Iowa.

You and each of you are hereby notified that Alliance Pipeline L.P. ("Alliance") desires condemnation of certain rights in the land described above, as more specifically described herein and in the Application filed with the Chief Judge of the First Judicial District, which includes Delaware County, Iowa, and in the Office of the Sheriff of Delaware County, Iowa, to which you are referred.

The real estate and right-of-way are described and set forth on Exhibit "A" attached hereto and are depicted on the plat included as a part of Exhibit "A".

Alliance seeks to acquire, by the process of eminent domain, an exclusive and perpetual easement sixty (60) feet in width on, under, across and through the real estate hereinafter set forth for the purposes of surveying, laying, constructing, inspecting, maintaining, operating, repairing, replacing, altering, reconstructing and removing a pipeline, together with all fittings, cathodic protection equipment, pipeline markers, and all other equipment and appurtenances thereto, for the transportation of natural gas and associated liquids or substances, together with the right to utilize additional land not more than 55 feet in width for purposes of temporary working space during initial construction, except as may be required at road, rail and river crossings and under other special circumstances as shown on the attached plat. No above-ground facilities shall be located within the easement area except for pipeline markers and cathodic protection equipment which shall be located at the property boundary lines only, if at all. Following completion of construction, the easement rights of Alliance shall be limited to that area shown on the attachment as "permanent easement."

During construction Alliance shall maintain access to or provide alternate access to all areas of owner's land crossed by the pipeline, or compensate owner for any resulting crop loss or damage.

Provided its use does not in any manner interfere with or prevent the exercise by Applicant of its rights hereunder, or create any actual or potential hazard to the pipeline or its appurtenances, owner reserves all oil, gas and minerals on and under said lands and the right to farm, graze and otherwise fully use and enjoy said lands; provided, however, that the Applicant shall have the right hereafter to cut, keep clear and remove all trees, brush, shrubbery, structures and other obstructions or facilities in the permanent easement being conveyed which are deemed by Applicant to injure, endanger or interfere in any manner with the proper and efficient construction, use, inspection or maintenance of said pipeline, or fittings, cathodic protection equipment and other appurtenances thereto; and, provided, further, that owner shall not excavate or otherwise alter the ground elevation, construct any dam or otherwise create a water impoundment within or over the permanent easement without prior authorization of the Applicant. The Applicant shall have all privileges necessary or convenient for the full use of the rights herein obtained, together with

reasonable ingress and egress along the said pipeline. Access to and from the pipeline right-of-way shall only be from adjacent segments of the pipeline right-of-way, or from adjacent public highway or railroad right-of-way. Applicant shall have the right to remove all fences from the easement as required for purposes of construction of Applicant's pipeline and Applicant shall repair all such fences promptly upon completion of construction on the property to a condition as good as or better than the condition of the fences prior to construction. Following the commencement of construction of the pipeline, Applicant shall continue to own the pipeline and all other equipment and facilities it installs or constructs within the easement and right-of-way. Applicant's rights may be assigned in whole or in part.

In the event that Alliance shall at any time abandon is rights herein obtained in accordance with federal, state and local law and the applicable FERC regulations during or following pipeline construction, then, in such case, Alliance agrees to cancel and terminate the easement and quit claim any interest in the property to Owner; provided, that Alliance shall retain its rights hereunder to the extent necessary to comply with any conditions imposed by the FERC with respect to Alliance's abandonment of the pipeline. Any damages incurred by Owner as a result of abandonment of the pipeline shall be paid by Alliance.

The easement rights to be acquired and the resultant assessment of damages shall be and are subject to that certain Agricultural Impact Mitigation Agreement between the Alliance Pipeline L.P.; the Iowa Attorney General's Office, Iowa Department of Agriculture and Land Stewardship, and the Office of Consumer Advocate; and the Minnesota Attorney General's Office and Minnesota Department of Agriculture, which Agreement was dated September 2, 1997 and September 3, 1997.

In furtherance of its obligations under the mitigation agreement, Applicant shall reimburse owner for the cost of fertilizer to appropriately restore fertility over the permanent and temporary easements to levels approximately the same as those found in similar soils located in adjacent, off right-of-way areas, as demonstrated by appropriate soil testing performed by a reputable, independent testing laboratory.

The easement rights sought and the resultant assessment of damages are subject to the requirements of Chapters 6B and 479A, Code of Iowa, as may be amended from time to time and 199 Iowa Administrative Code Chapter 9, so that damage claims shall be separately and subsequently settled and paid following construction. Such provisions include the following:

(a) The requirement of Section 6B.52, Code of Iowa, permitting, for a period of five years subsequent to any initial settlement of construction or

maintenance damages, the renegotiation of a settlement for construction or maintenance damages not apparent at the time of any such initial settlement.

(b) The requirement of Section 479A.11, Code of Iowa, which requires that Applicant pay the owner of lands and the owner of crops thereon for all damages caused by entering, using or occupying said lands for these purposes and all damages caused after completion of construction of said pipeline on account of settling of the soil, wash or erosion of the soil along and above the location of said pipeline.

(c) Provisions for particular damage claims as set forth in Section 479A.24, Code of Iowa.

(d) The procedure for determination of installation damages as provided in Section 479A.25, Code of Iowa.

(e) The requirement of Section 479A.26, Code of Iowa, that Applicant pay the additional costs, if any, of new tile construction caused by an existing pipeline.

In the alternative to the above, if, at any time, owner wishes to make a claim for compensation from Applicant for reduced crop yield caused by construction of Applicant's pipeline, owner may present such claim to Applicant, together with evidence to support such claim. If Applicant declines to pay owner's compensation claim within 30 days, owner may present the claim and supporting material, for a determination of its validity, to either: (1) the county Soil and Water Conservation District representative; or (2) a qualified, independent crop insurance adjuster doing business in the county. Applicant promptly shall compensate owner in the amount determined by the party set forth above. If the party set forth above upholds owner's claim, Applicant shall pay any costs associated with obtaining that determination. If said party denies or reduces owner's claim, Applicant and owner shall pay any such costs equally.

That such condemnation is sought to construct, own, operate and maintain a natural gas pipeline as provided under federal law, including the Natural Gas Act, and the relevant provisions of the Code of Iowa.

That a Commission has been appointed as provided by law for the purpose of appraising and awarding damages which will be caused by said condemnation. That said Commission will, on the 19th day of May, 1999, at 1:30 o'clock P.M. convene at the Delaware County Courthouse, Sheriff's Office, E. Delaware Street, Manchester, IA 52057, and immediately thereafter view said premises. They will then return to the Sheriff's Office and proceed to appraise and award said damages.

You may participate in these proceedings before the commissioners, if you care to do so.

Dated this 21st day of April, 1999.

IN THE IOWA DISTRICT COURT FOR DELAWARE COUNTY

ALLIANCE PIPELINE L.P., Plaintiff-Appellant v. JAMES L. SHOVER; JOYCE SHOVER; DOME PIPELINE CORPORATION; DELAWARE COUNTY, IOWA, Defendants-Appellees	LAW NO. LACV4358 **PETITION ON APPEAL FOR TRACT NO. IA-DE-0399**

FILED
99 JUN 10 PM 3:22
CLERK
DELAWARE COUNTY, IOWA

COMES NOW Plaintiff-Appellant, Alliance Pipeline L.P., (hereafter "Alliance"), through its undersigned counsel, and respectfully states to the Court as follows:

1. Alliance is the condemnor of certain property described more fully in the Notice of Condemnation that is attached to the Notice of Appeal filed herein.

2. Defendants are persons who have, or may claim to have, an interest in the payment that is the subject of this action.

3. Upon hearing before the Delaware County Compensation Commission on May 19, 1999, the Commission awarded Defendants the sum of $166,074.00 for the taking by Alliance, plus attorney fees and costs in the amount of $4,392.15, all of which will more fully appear in the true copies of the Report of the Commission to be filed herein by the Delaware County, Iowa Sheriff.

4. Alliance has appealed from that award in accordance with Iowa law.

5. The Commission erred in fact, and as to matters of law, in the award of compensation made by the Commission. The Commission awarded more than just compensation to Defendants, not limited to the difference in value of their property before and after the taking by Alliance; and the Commission awarded said Defendants future damages, speculative in nature, for crop loss, tiling, construction, and other damages, which may expose Alliance to duplicate claims for the same elements of damage under the provisions of Chapters 6B and 479A, Code of Iowa, and the Agricultural Impact Mitigation Agreement (AIMA) executed between Alliance and the State of Iowa for Defendants' benefit.

6. Additionally, the Commission erred in awarding attorney fees and expert witness fees in excess of those which should have been allowed under Iowa law.

7. This Court is to award Defendants just compensation, that being the difference in value of their property before and after the taking by Alliance. Future damages, including but not limited to, crop loss, tiling, and construction damages, are to be determined in later, separate proceedings under Chapter 6B.52 and Chapter 479A, and under the AIMA.

8. The just compensation to which Defendants are entitled as the result of the taking by Alliance is in the amount of $14,472.00.

WHEREFORE, Alliance Pipeline L.P. respectfully requests that the Court enter an Order ascertaining the just compensation to which Defendants are entitled, that being in the amount of $14,472.00; and that the Court enter judgment for the costs of this action;

and that the Court order that all sums in excess of the just compensation set forth herein and in excess of those permitted by Iowa law for attorney fees and expert witness fees, previously paid by Alliance to the Delaware County Sheriff, pursuant to Chapter 6B.25, Code of Iowa, be returned to Alliance; and for any and all other relief deemed just in the premises.
