SEWER ASSESSMENT AGREEMENT

The UNDERSIGNED **Douglas A. Ehrler and Janine M. Ehrler**, (hereinafter referred to as "property owner), and the City of Manchester, Iowa hereby covenant and agree as follows:

1. Property owner is the fee titleholder to the following described premises at 112 Honey Creek Drive:

   That part of the Southwest Quarter (SW1/4) of the Northeast Quarter (NE1/4) of Section Twenty (20), Township Eighty-nine (89) North, Range Five (5), West of the Fifth Principal Meridian, described as commencing at the Southeast corner of the Northeast Quarter (NE1/4) of said Section Twenty (20), thence West 1,422.5 feet to the point of beginning, thence North 1°-47' West 192.0 feet, thence West 182.1 feet, thence South 2°-01' East 192.0 feet, thence East 181.1 feet to the point of beginning, said parcel containing approximately 0.8 acres subject to road right-of-way and easements of record. The South line of the Northeast Quarter (NE1/4) of said Section Twenty (20) is assumed to bear due East and West.

2. The Manchester City Code (Section 95.04) requires all homes to be conntected to a public sanitary sewer system when said system is within one hundred feet of the property line of such owner and is of such design as to receive and convey sewage by gravity flow.

3. Manchester City Code (Section 96.01) requires a connection fee when sanitary sewer system is stubbed into a property.

4. That in 1999, the City of Manchester, Iowa, provided for the construction of sanitary sewer service to serve the above-referenced property.

5. That based upon the unique circumstances involving the above-described property and its current stage of development, the parties have determined that is appropriate to delay assessment of costs for extending sewer service to the property until such time as the existing septic system requires major repairs, but no later than ten (10) years from the date of this agreement.

6. Upon the need for major repairs to the septic system, or ten (10) years from the date of this agreement, the above-referenced property shall be assessed for costs of extension of sewer service to the lot based upon city ordinances or policies in effect at the time of assessment of such costs.

7. The property owner consents to an assessment of such costs to the property pursuant to City ordinances and policies existing at the time the assessment becomes effective.

8. The parties agree and understand that future prices, costs, and policies for allocation of costs and expenses for extension of sewer service may likely be greater than current construction costs.

9. This Agreement shall be recorded in the Office of the Delaware County Recorder at the expense of the City.
