EXHIBIT A

WASTE DISPOSAL LEASE AGREEMENT

THIS IS AN AGREEMENT entered into this 4th day of August, 1997, by and between Kevin Perrenoud (hereinafter "Operator"), which operates or will operate a swine facility located at 1795 220th ave Manchester Iowa 52057 and Helen Annis (hereinafter "Owner") with an address of 1773 150th Ave Manchester Iowa 52057

In consideration of the mutual covenants and promises herein contained, the parties agree as follows:

1. Grant of Lease. Owner does hereby grant unto Operator, its successors and assigns, a lease for a period equal to the life of the Operators Facilities, for the purpose of depositing all animal waste products excluding animals parts from livestock operations conducted on the above described premises owned or operated by Operator, together with the right of entrance and exits at convenient points for such purposes and including the right to bring and maintain all equipment for the period necessary to deposit and disseminate said animal waste products on, over, across, and through the premises now owned by Owner, which are described as follows:

The Part of Section 12, Township Coffin Grove Range T-89-N-R-6-W of the 5th P.M. —— County, Delaware County Iowa (state). Total Acres 117A.

The legal description of Operator's facility is as follows:
Part of the SE 1/4 of the SE 1/4 Section 12, T89N, R5W of the fifth P.M. Delaware County, Iowa.

2. Time of Disposal. Unless otherwise consented to be Owner, said right to enter the above-described real estate of Owner and to deposit said waste products is limited in time to the time following harvesting of the crop grown thereon by Owner, its successors and assigns, up to and not later than June 1, of the next crop year, or other dates as agreed upon by Owner and Operator.

Said Lease shall further be limited by a maximum amount of waste products to be deposited upon said real estate. The maximum amount shall be mutually agreed upon by the parties hereto based upon the analysis of the soil and an analysis of the waste products taking into account the intended farming use of the real estate by Owner, its successors and assigns. See Attachment A.

Operator shall have the right, but not the obligation to apply animal waste products to Owner's property above described. Owner guarantees Operator the right to apply a minimum of 125 pounds of nitrogen per acre along with potassium and potash each year to the property described in Section 1 of this Agreement.

If the parties are unable to mutually agree upon the maximum amount of waste to be deposited under this Agreement, then the parties agree to submit samples of soil and waste to Iowa State University, Ames, Iowa, and to abide by their recommendation as to the maximum amount of waste that can be deposited upon said real estate taking into account Owner's intended farming use of said real estate. Should Iowa State University not be able
to render said advice, then the samples shall be submitted to another credible laboratory of the parties' choice. The cost of said analysis shall be borne equally by the parties hereto.

3. Benefit. It is agreed that the Lease herein conveyed and granted shall inure to the benefit of Operator, its successors and assigns and shall pass automatically with a conveyance or transfer of possession of Operator, Owner represents that it has the full right and power to enter into the Lease granted herein.

4. No Minimum. The fact that this Agreement has been granted to Operator in no way
obligates Operator or commits Operator to deposit any waste whatsoever upon the above described land. Subject to the limitations on the maximum amount of waste, Operator its successors and assigns shall have full right to determine the amounts of waste to be deposited on said property.

5. Operator's Discontinuance of Business. In the event the Operator or its successors and assigns ceases to raise livestock on its premises for a continuous period of five (5) years, this Lease shall terminate.

6. Alternative Site. In the event Owner desires that Operator not apply animal waste to
the property described in Section 1, Owner may obtain at its sole expense an alternative site within (1) mile by established road from the closest boundary of Operator for appliation of the animal waste products in accordance with this Agreement. In the event such site is more than one (1) mile established road from the closest boundary of the Operator premises, then Owner agrees to pay all transportation costs to get the animal waste products and effuent from the Operator's premises to the site for application.

7. Covenant Running with the Land. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors, assigns and legal representatives and shall be deemed as a covenant running with the land.

8. Compensation. See Attachment A.

9. Future reasonable compensation will be determined by the parties each year depending on the circumstances in the local agricultural economy at the time, and if the parties are unable to mutually agree upon the reasonable compensation for any certain year, then the parties agree to submit the question to Iowa State University, Ames, Iowa and to abide by its recommendation of the fair compensation. Further, in the event Iowa State University is not able to render said advice, then each party shall select an expert and

the two (2) experts shall select a third expert, and then, the three (3) experts shall make a recommendation concerning the reasonable compensation for the year and the parties agree
to abide by said recommendation. Finally, if the three(3) experts cannot agree, then the reasonable compensation for the year shall be the average of the three(3) expert opinions.

See Attachment A for additional agreements.

IN WITNESS WHEREOF, the parties hereto have executed this Waste Disposal Lease Agreement the year and date first above written.
