MORTGAGE RELEASE

"The owner and any successors in interest agree to use the housing for the purpose of housing eligible low- and moderate-income people occupying the project at the time the prepayment was accepted, as provided in 7 C.F.R. Part 1965, Subpart E, and other applicable regulations then extant. No eligible person currently occupying the housing shall be required to vacate prior to the end of the remaining useful life of the project without cause. Rents, other charges, and conditions of occupancy will be established to meet these conditions. Existing tenants are protected to ensure that none experience new or increased rent overburden until each voluntarily moves from the project. The owner also agrees to keep a notice posted at the project in a place available for tenant inspection, for the remaining useful life of the project or until the last existing tenant vacates, stating that the project is to be used in accordance with the Housing Act, and that management practices and rental rates for current tenants as of the date of the prepayment will be consistent with those necessary to maintain the project for low- and moderate-income tenants. A tenant may seek enforcement of this provision as well as the Government."
