SITE GROUND LEASE AGREEMENT

This Lease Agreement ("Agreement") is entered into this 26 day of JAN, 01, between **Site Acquisition Consultants, L. P., a Nevada Limited Partnership**, ("Lessee"), and **James D. Jared, Kelly D. Jared, contract buyer and Patricia Meyer and Joe Fink, co-executors of the estate of Leslie C. Fink, deceased, contract seller, as their interests appear,** ("Lessor"). For good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Premises and Use. Subject to the following terms and conditions, Lessor leases to Lessee a portion of the real property (the "Property") described in the attached Exhibit A. Lessee's use of the Property shall be limited to that portion of the Property, together with easements for access and utilities, described and depicted in attached Exhibit B (collectively referred to hereinafter as the "Premises"). The Premises are located at Southwest corner of U. S. Highway 20 and 167th Avenue, Manchester, Delaware County, Iowa, and comprises approximately Ten Thousand (10,000) square feet, an area approximately One Hundred Feet by One Hundred Feet (100' x 100').

The Premises will be used by Lessee for the purpose of installing, removing, replacing, modifying, maintaining and operating, at its expense, a radio communications service system facility, including, without limitation, antenna equipment, cable wiring, related fixtures and, if applicable to the Premises, an antenna structure. Lessee will use the Premises in a manner which will not unreasonably disturb the occupancy of Lessor's other tenants. Lessee will have access to the Premises 24 hours per day, 7 days per week.

2. Azimuth Easements. Lessor grants to Lessee, if required by Lessee, easements across the Property for access to install, repair and maintain guy wires, guy anchors and guy enclosures ("Azimuth Easements"). Such Azimuth Easements shall encompass that area of the Property, the width and length of which shall be sufficient for the construction of Lessee Facilities (as hereinafter defined), and as more fully described in Exhibit B annexed hereto. Lessor acknowledges that the right of access to the Azimuth Easements shall include the right by Lessee to clear any underbrush or vegetation adjacent to the Azimuth Easements which may block access to the Azimuth Easements.

The Azimuth Easements granted herein shall run with the Property and be appurtenant to and for the benefit of the Premises, and shall be coterminous with this Agreement. Lessor shall not use nor permit its employees, agents, successors or assigns, or any future Lessee to use the Property in any manner which interferes with Lessee's use of the Azimuth Easements. The benefits and obligations of the Azimuth Easements shall be covenants running with the Property, and shall inure to and be binding upon the successors, assigns and heirs of the parties hereto.

3. Term. The term of this Agreement (the "Initial Term") is Five (5) years, commencing not later than six (6) months from full execution of this Agreement or the start of construction, whichever first occurs ("Commencement Date") and terminating on the fifth (5th) anniversary of the Commencement Date (the "Term") unless otherwise terminated as provided in Paragraph 12 and or 13. This Agreement will be automatically renewed for Five (5) additional terms (each a "Renewal Term") of Five (5) years each, unless Lessee provides Lessor notice of intention not to renew not less than 90 days prior to the expiration of the Initial Term or any Renewal Term.

4. Contingencies. This Agreement is subject to the following contingencies:

(a) Lessee shall obtain all governmental licenses, permits and approvals required for its use of the Premises.

(b) Lessee shall perform a title search, survey, geotechnical and/or environmental study, which search, survey or study shall not reveal obstructions, encroachments or defects which Lessee determines would interfere with Lessee's intended use of property.

5. Rent. Commencing upon the earlier of (a) that date which is 30 days after the issuance of a building permit, or (b) first day of the month following the commencement of the physical preparation of the Premises, the rent will be paid in equal monthly installments of ! Dollars (, (until increased as set forth herein), partial months to be prorated, in advance. Rent for each year of the Renewal Term will be the annual rent in effect for the final year of the Initial Term or prior Renewal Term, as the case may be, increased by 15%.

6. Title and Quiet Possession. Lessor represents and agrees (a) that it is the Lessor of the Premises; (b) that it has the right to enter into this Agreement; (c) that the person signing this Agreement has the authority to sign; (d) that Lessee is entitled to access to the Premises at all times and to the quiet possession of the Premises throughout the Initial Term and each Renewal Term so long as Lessee is not in default beyond the expiration of any cure period; and (e) that Lessor shall not have unsupervised access to the Premises or to the equipment.

7. Assignment/Subletting.

(a) Lessee may assign, all or any part of its interest in this Agreement or in the Premises without the prior written consent of Lessor subject to the assignee assuming all of Lessee's obligations herein and subject to any financing entity's interest, if any, in this Agreement as set forth in Paragraph 1 above. Lessor may assign this Agreement upon written notice to Lessee, subject to the assignee assuming all of Lessor's obligations herein, including but not limited to, those set forth in Paragraph 1 above. Lessee may, without Lessor's consent, sublet or license all or any portion of the Premises to one or more entities.

(b) Notwithstanding anything to the contrary contained in this Agreement, Lessee may assign, mortgage, pledge, hypothecate or otherwise transfer without Lessor's consent Lessee's interest in this Agreement to any financing entity, or agent on behalf of any financing entity (hereafter, collectively referred to as "Mortgagees") to whom Lessee (i) has obligations for borrowed money or in respect of guaranties thereof, (ii) has obligations evidenced by bonds, debentures, notes or similar instruments, or (iii) has obligations under or with respect to letters of credit, bankers acceptances and similar facilities or in respect of guaranties thereof.

(c) Lessor agrees to notify Lessee and Lessee's Mortgagees simultaneously of any default by Lessee and to give Mortgagees the same right to cure any default as Lessee, except that a cure period for any Mortgagee shall not be less than ten (10) days after the receipt of the default notice. If a termination, disaffirmance or rejection of the Agreement by Lessee pursuant to any laws (including any bankruptcy or insolvency laws) shall occur, or if Lessor shall terminate this Agreement for any reason, Lessor will give to the Mortgagees the right to enter upon the Premises during a thirty (30) day period commencing upon the Mortgagees' receipt of such notice for the purpose of removing Lessee's Facilities. Lessor acknowledges that any Mortgagees shall be third-party beneficiaries of this Agreement.

8. Improvements. Lessee may, at its expense, make such improvements on the Premises as it deems necessary from time to time for the operation of the facility. Lessor agrees to cooperate with Lessee with respect to obtaining any required zoning approvals for the Premises and such improvements. Upon termination or expiration of this Agreement, Lessee may remove its equipment and improvements and will restore the Premises to substantially the condition existing on the Commencement Date, except for ordinary wear and tear and casualty loss. Lessee will not be responsible for the removal of any utilities aboveground or underground, associated with the building or maintaining of the radio communications service system facility.

9. Compliance with Laws. Lessor represents that Lessor's property (including the Premises), and all improvements located thereon, are in substantial compliance with building, life/safety, disability and other laws, codes and regulations of applicable governmental authorities. Lessee will substantially comply with all applicable laws relating to its possession and use of the Premises, including without limitation posting requirements of the Federal Communications Commission.

10. Interference. Lessee will resolve technical interference problems with other equipment located at the Premises on the Commencement Date or any equipment that becomes attached to the Premises at any future date when Lessee desires to add additional equipment to the Premises. Likewise, Lessor will not permit or suffer the installation of any future equipment which (a) results in technical interference problems with Lessee's then existing equipment or (b) encroaches onto the Premises.

11. Utilities. Lessor represents that utilities adequate for Lessee's use of the Premises are available. Lessee will pay for all utilities used by it at the Premises. Lessor will cooperate with Lessee in Lessee's efforts to obtain utilities from any location provided by Lessor or the servicing utility, including signing any easement or other instrument reasonably required by the utility company.

12. Termination. Lessee may terminate this Agreement at any time by notice to Lessor without further liability if Lessee does not obtain all permits or other approvals (collectively, "approval") required from any governmental authority or any easements required from any third party to operate the facility, or if any such approval is canceled, expires or is withdrawn or terminated, or if Lessor fails to have proper Ownership of the Premises or authority to enter into this Agreement, or if Lessee, for any other reason, in its sole discretion, determines that it will be unable to use the Premises. Upon termination, all prepaid rent will be retained by Lessor unless such termination is due to Lessor's failure of proper Ownership or authority, or such termination is a result of Lessor's default.

13. Default. If either party is in default under this Agreement for a period of (a) 10 days following receipt of notice from the non-defaulting party with respect to a default which may be cured solely by the payment of money, or (b) 30 days following receipt of notice from the non-defaulting party with respect to a default which may not be cured solely by the payment of money, then, in either event, the non-defaulting party may pursue any remedies available to it against the defaulting party under applicable law, including, but not limited to, the right to terminate this Agreement. If the non-monetary default may not reasonably be cured within a 30-day period, this Agreement may not be terminated if the defaulting party commences action to cure the default within such 30-day period and proceeds with due diligence to fully cure the default.

14. Indemnity. Lessor and Lessee each indemnifies the other against and holds the other harmless from any and all costs (including reasonable attorneys' fees) and claims of liability or loss which arise out of the Ownership, use and/or occupancy of the Premises by the indemnifying party. This indemnity does not apply to any claims arising from the sole negligence or intentional misconduct of the indemnified party. The indemnity obligations under this Paragraph will survive termination of this Agreement.

15. Hazardous Substances. Lessor represents that it has no knowledge of any substance, chemical or waste (collectively, "substance") on the Premises that is identified as hazardous, toxic or dangerous in any applicable federal, state or local law or regulation. Lessee will not introduce or use any such substance on the Premises in violation of any applicable law.

16. Subordination and Non-Disturbance. This Agreement is subordinate to any mortgage or deed of trust now of record against the Premises. However, promptly after the Agreement is fully executed, Lessor will use diligent efforts to obtain a non-disturbance agreement reasonably acceptable to Lessee from the holder of any such mortgage or deed of trust.

17. Taxes. Lessee will be responsible for payment of all personal property taxes assessed directly upon and arising solely from its use of the communications facility on the Premises. Lessee will pay to Lessor any increase in real property taxes attributable solely to any improvements to the Premises made by Lessee within 60 days after receipt of satisfactory documentation indicating calculation of Lessee's share of such real estate taxes and payment of the real estate taxes by Lessor. Lessor will pay when due all other real estate taxes and assessments attributable to the property of Lessor of which the Premises is a part. Lessor shall deliver a copy of any tax bill or notice of reassessment to Lessee within five (5) days of Lessor's receipt of the same. Lessee shall have the right, at its own expense, and, if necessary, in the name of but without expense to Lessor, to contest, by appropriate proceedings, conducted with due diligence and in good faith, the validity of the amount of taxes or reassessment, as applicable, to the Premises.

18. Notices. All notices must be in writing and are effective only when deposited in the U.S. mail, certified and postage prepaid, or when sent via overnight delivery to the following addresses:

If to Lessor, to:

If to Lessee, to:

19. Insurance. Lessee will procure and maintain commercial general liability insurance, with limits of not less than $1,000,000 combined single limit per occurrence for bodily injury and property damage liability, with a

certificate of insurance to be furnished to Lessor within 30 days of written request. Such policy will provide that cancellation will not occur without at least 15 days prior written notice to Lessor. Each party hereby waives its right of recovery against the other for any loss or damage covered by any insurance policies maintained by the waiving party. Each party will cause each insurance policy obtained by it to provide that the insurance company waives all rights of recovery against the other party in connection with any damage covered by such policy.

20. Maintenance. Lessee will be responsible for repairing and maintaining the facility and any other improvements installed by Lessee at the Premises in a proper operating and reasonably safe condition; provided, however if any such repair or maintenance is required due to the acts of Lessor, its agents or employees, Lessor shall reimburse Lessee for the reasonable costs incurred by Lessee to restore the damaged areas to the condition which existed immediately prior thereto. Lessor will maintain and repair all other portions of the property of which the Premises is a part in a proper operating and reasonably safe condition.

21. Miscellaneous. (a) This Agreement applies to and binds the heirs, successors, executors, administrators and assigns of the parties to this Agreement; (b) this Agreement is governed by the laws of the state in which the Premises is located; (c) If requested by Lessee, Lessor agrees promptly to execute and deliver to Lessee a recordable Memorandum of this Agreement; (d) this Agreement (including the Exhibits) constitutes the entire agreement between the parties and supersedes all prior written and verbal agreements, representations, promises or understandings between the parties. Any amendments to this Agreement must be in writing and executed by both parties; (e) if any provision of this Agreement is invalid or unenforceable with respect to any party, the remainder of this Agreement or the application of such provision to persons other than those as to whom it is held invalid or unenforceable, will not be affected and each provision of this Agreement will be valid and enforceable to the fullest extent permitted by law; and (f) the prevailing party in any action or proceeding in court or mutually agreed upon arbitration proceeding to enforce the terms of this Agreement is entitled to receive its reasonable attorneys' fees and other reasonable enforcement costs and expenses from the non-prevailing party.

22. Non-Binding Until Fully Executed. This Agreement is not and shall not be binding on either party until and unless it is fully executed by both Lessee, its successors or assigns, and the Lessor.

The following Exhibits are attached to and made a part of this Agreement: Exhibits A and B.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first above written.
