Whereas, the Area Director of Internal Revenue has determined that the value of the interest of the United States in the previously mentioned property, under and by reason of the tax lien, amounts to the sum of Nineteen thousand ninety-four and 35/100 Dollars ($19,094.35). In addition, under the provisions of section 6325(d)(2) of the Internal Revenue Code, the United States subordinates its tax lien to all reasonable and necessary expenses incurred in connection with the sale of property or administration of the sale proceeds. I have determined that the subordination of any interest will increase the amount collected and enhance collection of the tax liability. Therefore, I have authorized the issuance under the provisions of section 6325(b)(2)(A) of the Internal Revenue Code, of a certificate discharging the above-described property from the tax lien of the United States upon the payment of the sum of Nineteen thousand ninety-four and 35/100 Dollars ($19,094.35). The payment will be applied in part satisfaction of the liability as stated and which sum has been paid will be applied and the receipt of which sum by me is hereby acknowledged; William L. Thompson.

Now, therefore, this instrument witnesseth, that I, William L. Thompson, Director, Collection Area Midwest, am charged by law with the duty of collecting and enforcing the collection of internal revenue taxes due the United States. I'm also charged with the assessment as stated, and do, in accordance with the provisions of section 6325(b)(2)(A) of the Internal Revenue Code, discharge the property previously described from the tax lien. I save and reserve, however, the force and effect of the tax lien against and upon all other property or rights to property to which the lien is attached, wheresoever situated.

Witness my hand at 1222 Spruce St., St. Louis, Missouri 63103, on this, the 2nd day of June, 2005.
