For and in consideration of the sum of One Dollar ($1.00) and other valuable consideration, the receipt of which is hereby acknowledged, **Robert P. Krogmann a/k/a Robert Paul Krogmann,** ("Grantor(s)"), **ADDRESS** 1621 155th Street, Manchester, IA 52057 do(es) hereby warrant and convey unto ITC Midwest, LLC, a Michigan limited liability company, 27175 Energy Way, Novi, MI 48377, its successor and assigns, ("Grantee"), a perpetual easement with the right, privilege and authority to construct, reconstruct, maintain, operate, repair, patrol and remove an electric and telecommunications line or lines, consisting of poles, towers, crossarms, insulators, wires, guy wires, anchors and other necessary fixtures, equipment and construction for transmitting electricity, communications and all Corporate purposes together with the power to extend to any other party the right to use, jointly with the Grantee, pursuant to the provisions hereof, upon, under, over and across the following described lands located in the County of Delaware and the State of Iowa:

The Northeast Fractional Quarter (NE Frl. ¼) of the Northeast Quarter (NE¼) of Section One (1), Township Eighty-nine (89) North, Range Six (6) West of the 5th P.M., Delaware County, Iowa, subject to roadways and easements of record.

The rights herein granted shall be limited to an Easement strip 150 feet in width, being 75 feet each side of the centerline, or extensions thereof, of an electric transmission line as located and so constructed on or adjacent to the above-described property;

Together with all the rights and privileges for the full enjoyment or use thereof for the aforesaid purpose.

Grantor(s) agrees that it will not construct or place any buildings, structures, plants, or other obstructions on the property described above which would result in a violation of the minimum clearance requirements of the National Electric Safety Code or would interfere with the operation and maintenance of the line.

Grantor(s) also conveys the right and privilege to trim, cut down or control the growth of any trees or other vegetation on said described land and such other trees and vegetation adjacent thereto as in the judgment of the Grantee may interfere with construction, reconstruction, maintenance, operation, repair, use of, or which in falling might touch the said line or lines.

Grantee, its contractor or agent, may enter said premises for the purpose of making surveys and preliminary estimates immediately upon the execution of this easement.

The Grantor(s) also grants to the Grantee the right of ingress and egress to said line or lines, over/under lands now owned by the Grantor(s), for the purpose of constructing, reconstructing, maintaining, operating, patrolling, repairing and removing said line or lines, and the Grantee agrees to pay to the Grantor(s) or its tenants all damages done to the lands (except the cutting and trimming of trees or other vegetation), fences, livestock or crops of the Grantor(s) or its tenants, by the Grantee or its employees while constructing, reconstructing, patrolling or repairing said line or lines.
