Address: c/o Warren G. Wortman, PO Box 45, Anamosa, IA 52205

TRANSFEREE:
Name: Philip H. Thompson
Address: 3224 Sandy Beach Road NE, Solon, IA 52333

Address of Property Transferred: 26292 211th Avenue, Manchester, IA 52057

Legal Description of Property:
Lot Thirty Eight (38), except the Westerly ten (10) feet thereof, of Turtle Creek Camp Replat being part of the Southwest Quarter (SW1/4) of the Northeast Quarter (NE1/4), part of the Northeast Quarter (NE1/4) of the Northeast Quarter (NE1/4), and part of the Southeast Quarter (SE1/4) of the Northeast Quarter (NE1/4), All in Section Twenty-six (26), Township Eighty-eight North (T88N), Range Five West (R5W) of the Fifth Principal Meridian, Delaware County, Iowa; also being part of the Northwest Quarter (NW1/4) of the Northwest Quarter (NW1/4), and part of the Southwest Quarter (SW1/4) of the Northwest Quarter (NW1/4), Section Twenty-five (25), Township Eighty-eight North (T88N), Range Five West (R5W) of the Fifth Principal Meridian, Delaware County, Iowa, according to plat recorded in Book 1999, Page 4340.

1. **Wells (check one)**
   - X There are no known wells situated on this property.
   - ☐ There is a well or wells situated on this property. The type(s), location(s) and legal status are stated below or set forth on an attached separate sheet, as necessary.
2. **Solid Waste Disposal (check one)**
   - X There is no known solid waste disposal site on this property.
   - ☐ There is a solid waste disposal site on this property and information related thereto is provided in Attachment #1, attached to this document.
3. **Hazardous Wastes (check one)**
   - X There is no known hazardous waste on this property.
   - ☐ There is hazardous waste on this property and information related thereto is provided in Attachment #1, attached to this document.
4. **Underground Storage Tanks (check one)**
   - X There are no known underground storage tanks on this property. (Note exclusions such as small farm and residential motor fuel tanks, most heating oil tanks, cisterns and septic tanks, in instructions.)
   - ☐ There is an underground storage tank on this property. The type(s), size(s) and any known substance(s) contained are listed below or on an attached separate sheet, as necessary.

5. **Private Burial Site (check one)**
   - X There are no known private burial sites on this property.
   - ☐ There is a private burial site on this property. The location(s) of the site(s) and known identifying information of the decedent(s) is stated below or on an attached separate sheet, as necessary.

6. **Private Sewage Disposal System (check one)**
   - ☐ There are no known private sewage disposal systems on this property.
   - X There is a private sewage disposal system on this property. A certified inspector's report is attached which documents the condition of the private sewage disposal system and whether any modifications are required to conform to standards adopted by the Department of Natural Resources. A certified inspection report must be accompanied by this form when recording.
   - ☐ There is a private sewage disposal system on this property. Weather or other temporary physical conditions prevent the certified inspection of the private sewage disposal system from being conducted. The buyer has executed a binding acknowledgment with the county board of health to conduct a certified inspection of the private sewage disposal system at the earliest practicable time and to be responsible for any required modifications to the private sewage disposal system as identified by the certified inspection. A copy of the binding acknowledgment is attached to this form. When the inspection is completed, an amended Groundwater Hazard Statement shall be recorded with the certified inspection and shall include the document numbers of both the real estate transfer document and the original Groundwater Hazard Statement.
   - ☐ There is a private sewage disposal system on this property. The building to which the sewage disposal system is connected will be demolished without being occupied. The buyer has executed a binding acknowledgment with the county board of health to demolish the building within an agreed upon time period. A copy of the binding acknowledgment is provided with this form.
   - ☐ This property is exempt from the private sewage disposal inspection requirements pursuant to the following exemption: _____.
   - ☐ The private sewage disposal system has been installed within the past two years pursuant to permit number _____.

Information required by statements checked above should be provided here or on separate sheets attached hereto:

Other components: _____

Overall condition of the private sewage disposal system:

Report system status: _____

Explain (attach additional pages as needed): _____

Comments: Tank is in good condition, there is no riser on tank . tank is about 12 inches below gound . Tank should have a riser on the clean out to have better access to pump the tank when needed. Also this is the code for Iowa.

Site status at conclusion of Time of Transfer inspection:

- Verify that controls are set on the appropriate mode.
- Power is on to all components.
- Revisit all components to verify lids are secure.
- Gather all tools for removal from the site.
- Verify that no sewage is on the ground surface.

Using this worksheet, write a narrative report of the inspection results and attach a site sketch.

This report indicates the condition of the private sewage disposal system at the time of the inspection. It does not guarantee that it will continue to function satisfactorily.
