and have requested the Assignee to loan the Assignors certain sums pursuant to a mortgage and promissory note.

The Assignee has refused to loan to the Assignors such sums, unless the Assignors, in addition to executing its note, and executing and delivering its mortgage to secure the payment of the note, also execute and deliver an assignment of rents as additional collateral for the repayment of the mortgage above-referred to.

NOW, THEREFORE, in order to better secure the payments to the Assignee of the principal on the note and mortgage, together with principal of any other obligation of the Assignors held by the Assignee, with interest, now due or hereinafter to become due thereon, and all taxes and insurance which may be due or become due against the above-described premises, the Assignors assign to the Assignee all rents, issues and profits due and to become due from the mortgaged premises, together with all leases, agreements, insurance policies, and service contracts affecting the mortgaged premises.

1. COLLECTION OF RENTS. The Assignee shall have the power and authority to enter upon and take possession of the mortgaged premises and demand, collect and receive the rents now due or to become due, to endorse the names of the Assignors, and any other subsequent owner(s) of the premises on any checks, notes, or other instruments for the payment of money.

2. COLLECTION OF RENTS. The Assignors shall directly and immediately pay any rental amounts received by them to the Assignee, without demand, or other notice from the Assignee.

3. LIABILITY OF THE ASSIGNEE. The Assignee shall in no way be liable for any act done or anything omitted by Assignee, but shall be liable only to account for all monies that it may receive hereunder, arid nothing herein shall be construed to prejudice its right to institute or prosecute any proceedings to foreclose the mortgage, or to enforce any lien, or any other collateral which the Assignee may have, or prejudice any right which the Assignee have by reason of any default, present or future, under the terms of the mortgage and above-referenced promissory note.

4. MODIFICATION OF LEASES The Assignors will not cancel, modify, or surrender any lease now existing without the written consent of the Assignee.

5. RIGHTS OF ASSIGNEE IN COLLATERAL This assignment of rents is intended for the use in connection with the loan secured by the note and mortgage in this agreement mentioned. It is understood arid agreed by the parties that this assignment shall in no manner prejudice the Assignee or estop the Assignee in any way in the exercise of its rights as mortgagee, or as the plaintiff in any foreclosure action which may be instituted, or any other action which may be brought by the Assignee to enforce its rights with regard to the mortgage and promissory note above-referenced.

IN WITNESS WHEREOF, the Assignors have executed this Assignment the day and year above set forth.
