DEBORAH L PEYTON, RECORDER/REGISTRAR
DELAWARE COUNTY IOWA

THIS DOCUMENT WAS PREPARED BY ANTHONY BARDGETT, DELAWARE COUNTY ENGINEER'S OFFICE, 2139 HIGHWAY 38., MANCHESTER, IA 52057, 563-927-3505

Return to: Delaware County Auditor, 301 E. Main Street, Manchester, IA 52057

SNOW REMOVAL AGREEMENT
FOR
DELAWARE COUNTY & CITY OF MANCHESTER, IOWA

This written agreement is made and entered into by and between Delaware County and the City of Manchester.

I. ROUTINE SNOW REMOVAL

It is understood that routine snow removal operations shall be shared between the County and City along roads that extend outside of the City's jurisdiction.

A. Responsibility of the City
   1. From the intersection of Quaker Mill Drive and Honey Creek Drive east on Honey Creek Drive to IA 13.*
   2. East Main Street east to Trout Hatchery Road.*
   3. From the intersection of West Main Street & HWY 13 west out of town.*
   4. Honey Creek Drive from IA 13 east to the end of pavement
   5. South Fifth Street to Burrington Road to IA 13.
   6. South Third Street to Burrington Road and including 167th Avenue North of HWY 20.
   7. Bailey Drive to South Brewer Street.

B. Responsibility of the County
   1. From the intersection of Quaker Mill Drive and Honey Creek Drive east on Honey Creek Drive to IA 13.*
   2. From East Main Street and 190th Avenue east to Trout Hatchery Road.*
   3. From intersection of Burrington Road and South 3rd Street south out of town, including the viaduct.
   4. From the intersection of Bailey Drive and S. Brewer Street south.

* Shared roadway responsibilities

C. SHARED ROADYWAY RESPONIBILITIES*
   - It is understood that there will be times that both entities will be conducting snow removal operations during different hours and may have established different road priorities. When this occurs these conditions should be considered for the shared roadways:
     1. 1st entity to arrive on the roadway will attempt to remove snow and ice.
     2. Each entity will confirm snow and ice removal operations have occurred on the shared roadways at the conclusion of their respective snow removal operations for the day. This will include pushing back or blowing back snow drifts that will impact the roadway.

II. AGREEMENT TIME PERIOD

A. THIS AGREEMENT SHALL BE VALID UPON BOTH PARTIES SIGNATURES.
B. This Agreement shall be in effect for five (5) years unless terminated by any party involved in the Agreement. Termination or changes to this Agreement shall require written notice of at least 30 days prior to the date of change.
