Addendum for
Inspection of Private Sewage Disposal System

Buyer and Seller agree on the following initialed alternative to comply with the time of transfer inspection of private sewage disposal systems:

____There is a private sewage disposal system on this Property which serves the Property. Seller has obtained or shall obtain at Seller's expense within 10 days a certified inspector's report which documents the condition of the private sewage disposal system, that it is of sufficient capacity to serve the Property, that the continued use of the system is permitted, and whether any modifications are required to conform to standards adopted by the Department of Natural Resources. Seller shall attach the inspection report to the Groundwater Hazard Statement to be filed at closing.

If Seller receives an unsatisfactory report, the basis of which cannot be resolved between Buyer and Seller within 10 days of delivery of a copy to Buyer, then upon written notice from Buyer to Seller, this agreement shall be null and void and all earnest money paid hereunder shall be returned immediately to Buyer.

____There is a private sewage disposal system on this Property. Weather or other temporary physical conditions prevent the certified inspection of the private sewage disposal system from being conducted. Buyer shall execute a binding acknowledgment with the County Board of Health to conduct a certified inspection of the private sewage disposal system at the earliest practicable time and to be responsible for any required modifications to the private sewage disposal system as identified by the certified inspection. Buyer shall attach a copy of the binding acknowledgment to the Groundwater Hazard Statement to be filed at closing. When the inspection is completed, an amended Groundwater Hazard Statement shall be filed with the certified inspection and shall include the document numbers of both the real estate transfer document and the original Groundwater Hazard Statement

Seller agrees at closing to deposit the sum of $ 0.00 Dollars into escrow with _____ ("Escrow Agent") to reimburse Buyer for expenses incurred for the cost of the inspection and any required modifications to the private disposal system. Escrow Agent shall pay to Buyer, up to the amount held in escrow, amounts for required modifications after any such modifications are completed and upon submission to Escrow Agent of a detailed invoice. If no modifications are required, the entire escrow account shall be returned to Seller. Any funds remaining in the escrow account after any required modifications shall be returned to Seller. Seller shall not be responsible for any cost in excess of the escrow deposit.

____There is a private sewage disposal system on this Property. The building to which the sewage disposal system is connected will be demolished without being occupied. Buyer shall execute a binding acknowledgement with the county board of health to demolish the building within an agreed upon time period.
