Address of Property Transferred:
3343 272nd St., Worthington, IA 52078

Number and Street or RR | City, Town or P.O. | State | Zip

Legal Description of Property: (Attach if necessary) The West one hundred twenty five (125.0) feet of the South three hundred forty eight and forty eight hundredths (348.48) feet of the East one-fourth (E1/4) of the Northeast Quarter (NE1/4) of the Northwest Quarter (NW1/4) of Section Thirty Six (36), Township Eighty Eight (88) North, Range Three (3), West of the Fifth Principal Meridian.

1. **Wells (check one)**
   - ___ There are no known wells situated on this property.
   - X There is a well or wells situated on this property. The type(s), location(s) and legal status are stated below or set forth on an attached separate sheet, as necessary.
2. **Solid Waste Disposal (check one)**
   - X There is no known solid waste disposal site on this property.
   - ___ There is a solid waste disposal site on this property and information related thereto is provided in Attachment #1, attached to this document.
3. **Hazardous Wastes (check one)**
   - X There is no known hazardous waste on this property.
   - ___ There is hazardous waste on this property and information related thereto is provided in Attachment #1, attached to this document.
4. **Underground Storage Tanks (check one)**
   - X There are no known underground storage tanks on this property. (Note exclusions such as small farm and residential motor fuel tanks, most heating oil tanks, cisterns and septic tanks, in instructions.)
   - ___ There is an underground storage tank on this property. The type(s), size(s) and any known substance(s) contained are listed below or on an attached separate sheet, as necessary.

5. **Private Burial Site (check one)**
   - X There are no known private burial sites on this property.
   - ___ There is a private burial site on this property. The location(s) of the site(s) and known identifying information of the decedent(s) is stated below or on an attached separate sheet, as necessary.

6. **Private Sewage Disposal System (check one)**
   - ___ All buildings on this property are served by a public or semi-public sewage disposal system.
   - ___ This transaction does not involve the transfer of any building which has or is required by law to have a sewage disposal system.
   - X There is a building served by private sewage disposal system on this property or a building without any lawful sewage disposal system. A certified inspector's report is attached which documents the condition of the private sewage disposal system and whether any modifications are required to conform to standards adopted by the Department of Natural Resources. A certified inspection report must be accompanied by this form when recording.
   - ___ There is a building served by private sewage disposal system on this property. Weather or other temporary physical conditions prevent the certified inspection of the private sewage disposal system from being conducted. The buyer has executed a binding acknowledgment with the county board of health to conduct a certified inspection of the private sewage disposal system at the earliest practicable time and to be responsible for any required modifications to the private sewage disposal system as identified by the certified inspection. A copy of the binding acknowledgment is attached to this form.
   - ___ There is a building served by private sewage disposal system on this property. The buyer has executed a binding acknowledgment with the county board of health to install a new private sewage disposal system on this property within an agreed upon time period. A copy of the binding acknowledgment is provided with this form.
   - ___ There is a building served by private sewage disposal system on this property. The building to which the sewage disposal system is connected will be demolished without being occupied. The buyer has executed a binding acknowledgment with the county board of health to demolish the building within an agreed upon time period. A copy of the binding acknowledgment is provided with this form. [Exemption #9]
   - ___ This property is exempt from the private sewage disposal inspection requirements pursuant to the following exemption [Note: for exemption #9 use prior check box]: _____.
   - ___ The private sewage disposal system has been installed within the past two years pursuant to permit number _____.

Information required by statements checked above should be provided here or on separate sheets attached hereto:

well 40 feet from the SE corner of the house

I HEREBY DECLARE THAT I HAVE REVIEWED THE INSTRUCTIONS FOR THIS FORM AND THAT THE INFORMATION STATED ABOVE IS TRUE AND CORRECT.

Does this evaluation/inspection meet the requirements of state and local agencies? Yes ✓ No ___ N/A ___

Section 1:

Location of the system: East West North (South)
Was Water run into the system for 30 minutes? (Yes) No
Does the septic tank have a visible riser? (Yes) No
Estimated size of tank 1000 Gallons *Basis for estimate*
What is the separation between well and septic?
Does the separation of the well and septic meet local requirements? (Yes) No N/A

Section2: Disposal Field

Any evidence of malfunction (No) Yes (Please check all applicable observed conditions)
___ Wet Areas ___ Unusual green/lush vegetation
___ Liquid Discharges to surface ___ Discharge pipe of unknown origin
___ Localized surface settling ___ Other (Describe below)

Septic Tank:

Septic tank material ✓ Concrete Fiberglass Other
Liquid Level in tank ✓ Normal Below Normal Above Normal
Access opening in tank One Two ✓ Three None
Number of risers One Two Three None
Condition of baffles and or sanitary tees:
Inlet baffle or "T" ✓ Present and functional Not functional None present Not Visible
Outlet baffle or "T" ✓ Present and functional Not functional None present Not Visible
Tank was pumped ✓ Yes No (if no please explain below
Is system adequately sized for # of Bedrooms ✓ Yes No # of Bedrooms:
Is system adequately sized for # of Bathrooms ✓ Yes No # of Bathrooms:
System working Properly ✓ Yes No (if no please explain below)

Additional Comments / Repairs needed:

Septic systems are subterranean, it is impossible to determine their overall condition. No prediction can be made as to when or if a system might fail.
This report comments on the workability of the system on the day of the inspection only, and is in no way intended to

Workability can be altered by factors such as excessive rainfall, heavy water usage, faulty plumbing, neglect or physical damage to the system. All tanks require pumping maintenance.

Inspected by: Robb Harter Date: 10-8-16
