J.H. Henderson) (Filed For Record June 2" A.D. 1908 At 11:05 o'clock A.M.
to) Affidavit (E.F. Conmoran, Recorder.
The Public.) (By Irene E. Conmoran,
Deputy.

State of Iowa, Warren County) ss.

I, J.H. Henderson on oath depose and say that I knew Louisa J. McCluer, that she was a daughter of Nathaniel McCluer who lived four miles west of Indianola, that she married a men by the name of B.G. Graham who claimed to be a physician.

That I have not seen either of them for a good many years, that I saw B.G. Graham, the man whom she married, probaly fifteen years ago. I have been advised that his wife died a good many years ago.

That I have no personal knowledge of any conveyance to Louisa J. Graham, wife of B.G.Graham, in Madison County, Iowa, but am advised that the records show that the South-west Quarter of the North-west Quarter of 36-75-26 was conveyed by William Graham and wife to Louisa Jane Graham, wife of B.G. Graham and am also advised that the I.J.Graham thereto with B.G. Graham conveyed the said land to James Phipps.

That in the year preceding the date of the conveyance from William Graham and wife to L.J. Graham their marriage occurred and that wherever her name is given in the several instruments as Louisa Jane Graham, Louisa J. Graham, and I.J. Graham it refers to the same person the daughter of Nathaniel McCluer. These facts are from my personal knowledge save and except wherein they are based upon information and belief.

Sworn to before me and subscribed in my presence by the said J.H. Henderson this 6 day of April, 1908.
