George Dale Ellis, being first duly sworn upon his oath deposes and says:

1. That he is a duly licensed physician and surgeon of the State of Colorado and has been practicing in the City and County of Denver for about seven years.

That he is personally acquainted with Helen Lucy Elwell Mayfield of Denver, Colorado and is now her personal physician; that he has physically examined her and knows of his own knowledge that she cannot bear any more children; and as reason therefore shows that she is now forty-eight years of age and that she has a chronic cystic hyperplasia of the endometrinum and that she is now going through the menopause.
