Buyer agrees to pay the time sale indebtedness (Amount Financed and insurance charges, if any, plus a FINANCE CHARGE) in consecutive monthly installments beginning with Buyer's receipt of the first monthly billing statement. A FINANCE CHARGE will accrue from the date of sale or date of delivery, whichever is later, and will be assessed monthly on the average daily balance of the account (which shall include insurance charges where applicable) during the monthly billing period at these rates:

Average Daily Balance	Periodic (Monthly) Rate	ANNUAL PERCENTAGE RATE
Part from $0 to $1000	1½%	18%
Excess over $1000	1 %	12%

Each monthly installment payment, including Buyer's obligation under existing account #....., shall be in the minimum amount of $26.00 until Buyer's total indebtedness hereunder and thereunder at the rates above designated is paid in full. Payments will be credited on date received and shall be made at the place designated by Seller or Seller's assignee.
