KNOW ALL MEN BY THESE PRESENTS:

Zachery Hutton and Sierra Hutton, husband and wife,

hereinafter referred to as GRANTORS, in consideration of One Dollar and Other Valuable consideration, hereby grant and convey unto Warren Water District, hereinafter referred to as GRANTEE, its successors and assigns, a perpetual easement with the right, at any time, to erect, construct, install, lay and thereafter use, operate, inspect, repair, maintain, replace and remove one or more water pipelines and appurtenances thereto, over, across and through the land of the GRANTORS situated in Madison County, Iowa, being more specifically described as follows:

All that part of the Northeast Quarter (NE 1/4) of the Northwest Quarter (NW 1/4) of Section 23, Township 75 North, Range 26 West of the 5th P.M., Madison County, Iowa, more particularly described as follows: Beginning at the Southwest Corner of the NE 1/4 NW 1/4 of said Section 23, thence North 00°02'57" East, along the West line of the NE 1/4 NW 1/4 of said Section 23, a distance of 917.34 feet; thence South 37°15'10" East, a distance of 408.68 feet; thence South 30°50'28" East, a distance of 202.23 feet; thence South 59°12'45" East, a distance of 179.33 feet; thence South 43°43'05" East, a distance of 135.40 feet; thence South 09°29'24" West, a distance of 184.83 feet, to a point on the South line of the NE 1/4 NW 1/4 of said Section 23; thence South 85°19'59" West, along said South Line of the NE 1/4 NW 1/4, a distance of 570.90 feet to the Point of Beginning, and containing 7.01 acres of land, more or less, including 1.18 acres of road right of way.

3247 St. Charles Rd.

together with the right of ingress and egress over the adjacent lands of the GRANTORS, their successors and assigns, for the purposes of this Easement.

The easement granted herein shall be 32 feet in width (except for during construction and removal of the water pipelines, the Easement shall be expanded to 50 feet in width), the centerline of which shall be measured from the center point of the first water pipeline and the necessary appurtenances thereto constructed by GRANTEE. In addition, if the easement area, as described herein, does not abut the nearest public road right-of-way, the easement area shall be expanded to extend to the nearest public road right-of-way line.

The Grantor and Grantee agree that no structures, buildings, fences, barricades or any other temporary or permanent obstruction of any kind shall be constructed or placed on any portion of the easement area. Furthermore, the Grantee agrees not to remove any dirt or in any way disrupt the grade over and above the easement area.

It is agreed that crop damage will be paid by the GRANTEE; however, in no case shall GRANTEE be required to pay more than a single, total crop loss in any one crop year. Crop damage will equal the price for the destroyed or damaged crop x yield per acre x acreage damaged or destroyed.

GRANTEE, its successors and assigns, hereby promise to maintain such water pipelines and any necessary appurtenances in good repair so that damage, if any, to the real estate of GRANTORS, will be kept to a minimum.

The grant and other provisions of this Easement shall constitute a covenant running with the land for the benefit of the GRANTEE, its successors and assigns.

IN WITNESS WHEREOF, the GRANTORS have executed this instrument this 12 day of May, 2020.
