**DECLARATION RELATING TO LIFE-SUSTAINING PROCEDURES
(Living Will)
AND
DURABLE POWER OF ATTORNEY FOR HEALTH CARE DECISIONS
(Medical Power Of Attorney)**

I. DECLARATION RELATING TO LIFE-SUSTAINING PROCEDURES

If I should have an incurable or irreversible condition that will result either in death within a relatively short period of time or a state of permanent unconsciousness from which, to a reasonable degree of medical certainty, there can be no recovery, it is my desire that my life not be prolonged by the administration of life-sustaining procedures. If I am unable to participate in my health care decisions, I direct my attending physician or attending physician assistant to withhold or withdraw life-sustaining procedures that merely prolong the dying process and are not necessary to my comfort or freedom from pain.

This declaration is subject to any specific instructions or statement of desires I have added in "Additional Provisions" below.

II. POWER OF ATTORNEY FOR HEALTH CARE DECISIONS

I, **DAWN WRIGHT**, born March 23, 1976, designate:

Name, address, and phone number of **Agent**:

Breanna M. Ripperger, 910 E Lane St, Winterset, IA 50273, (641) 344-7217

as my attorney in fact (my agent) and give to my agent the power to make health care decisions for me. This power exists only when I am unable, in the judgment of my attending physician or attending physician assistant, to make those health care decisions. The attorney in fact must act consistently with my desires as stated in this document or otherwise made known.

Except as otherwise specified in this document, this document gives my agent the power, where otherwise consistent with the laws of the State of Iowa, to consent to my physician or attending physician assistant not giving health care or stopping health care which is necessary to keep me alive.

This document gives my agent power to make health care decisions on my behalf, including to consent, to refuse to consent, or to withdraw consent to any care, treatment, service, or procedure to maintain, diagnose, or treat a physical or mental condition. This power is subject to any statement of my desires and any limitations included in this document.

I hereby revoke all prior Durable Powers Of Attorney for Health Care Decisions.

Yes No ~~In the event that medical professionals determine that I may be an organ donor, I agree to the use of life-sustaining procedures, including a ventilator, for the sole purpose and time period required to complete the organ donation. Nothing in this paragraph shall be construed to expand or detract from the laws related to anatomical gifts as outlined in the Iowa Code, Chapter 142C. The purpose of this paragraph is to practically and medically make organ donation possible.~~

Signed on September 30, 2022.

NOTARY PUBLIC FORM

STATE OF IOWA, COUNTY OF WARREN

This record was acknowledged before me on September 30, 2022, by Dawn Wright.

GENERAL INFORMATION REGARDING THIS DOCUMENT

1. "Health care" means any care, treatment, service, or procedure to maintain, diagnose, or treat an individual's physical or mental condition. "Life-sustaining procedure" means any medical procedure, treatment, or intervention which utilizes mechanical or artificial means to sustain, restore, or supplement a spontaneous vital function, and when applied to a person in a terminal condition, would serve only to prolong the dying process. "Life sustaining procedure" does not include administration of medication or performance of any medical procedure deemed necessary to provide comfort care or to alleviate pain.
2. The terms "health care" and "life-sustaining procedure" include nutrition and hydration (food and water) only when provided parenterally or through intubation (intravenously or by feeding tube). Thus, this document authorizes withholding nutrition or hydration that is provided intravenously or by feeding tube. If this is not what you want, you should set forth your specific instructions in the space provided on page 1.
3. The following individuals shall not be designated as the attorney in fact to make health care decisions under a durable power of attorney for health care:
 - a. A health care provider attending the principal on the date of execution.
 - b. An employee of such a health care provider unless the individual to be designated is related to the principal by blood, marriage, or adoption within the third degree of consanguinity.
4. The power of attorney for health care decisions or the declaration relating to use of life-sustaining procedures may be revoked at any time and in any manner by which the principal/declarant is able to communicate the intent to revoke, without regard to mental or physical condition. A revocation is only effective as to the attending health care provider upon its communication to the provider by the principal/declarant or by another to whom the principal/declarant has communicated the revocation.
5. It is the responsibility of the principal/declarant to provide the attending health care provider with a copy of this document.
6. A declaration relating to use of life-sustaining procedures will be given effect only when the declarant's condition is determined to be terminal or the declarant is in a state of permanent unconsciousness, and the declarant is not able to make treatment decisions.

SUGGESTIONS AFTER FORM IS PROPERLY SIGNED, WITNESSED OR NOTARIZED

2. Provide a copy to your doctor.
3. Provide a copy(s) to family member(s).
