KNOW ALL MEN BY THESE PRESENCE:

The undersigned owners, Dennis Daggett and Cynthia Daggett, a Married Couple, hereafter called the Grantors, do hereby grant to the City of Winterset, Iowa, hereafter called the Grantee, the perpetual right and easement to construct, install, repair, maintain, operate, inspect, patrol and remove municipal utilities including the equipment and accessories for the same and all necessary appurtenances and the right of ingress and egress as may be reasonably necessary for the convenient construction, repair, maintenance, operation, inspection, patrolling, replacement and removal of the municipal utilities over, along, across and under the following described property situated in Madison County, Iowa, to-wit:

The East Fifteen Feet (15') of the North Eight Feet (8') of Lot Six (6) in Block Twenty-five (25) of the Original Town of Winterset, Madison County, Iowa.

The Grantors warrant and covenant to the Grantee that, subject to liens and encumbrances of record at the date of this Easement, they are the owners of the above-described land and have full right and authority to validly grant this Easement and the Grantee may quietly enjoy its estate in the premises.

Grantee is given the right to trim, cut and clear away any trees, limbs and brush, whether located on the above-described easement property, or adjacent to or overhanging the same, and the right to remove from the above-described easement property any obstruction, including inflammable materials, brush, structures of any kind or other obstructions wherever in its judgment such will interfere with or endanger the construction, operation or maintenance of the municipal utilities; and to renew, replace, and to otherwise change the municipal utilities or any part thereof and all appurtenances thereto and the location thereof within the easement property; and to pass along the easement property.

In consideration of such grant, Grantee agrees it will restore to grade the real estate, reseed and repair any damage which may be caused to this real estate by the construction, operation, maintenance, inspection, patrolling, repairing, replacement or removal of the municipal utilities.

The Grantors covenant that no act will be permitted within the easement property which is inconsistent with the rights hereby granted; that no buildings or structures or other improvements will be erected upon the easement property; and, that the present grade or ground level thereof will not be changed by excavation or filling. The Grantors, their successors and assigns, shall have no responsibility or liability for any claim, cause of action or demand for any damage to the Grantees's utility improvements from any cause including the acts of the Grantors, their successors and assigns, except for the intentionally wrongful act of the Grantors, their successors and assigns.
