This assignment of proceeds is subject to the terms of any prior mortgage, deed of trust, security agreement or other lien document.

**29. U.C.C. PROVISIONS.** If checked, the following are applicable to, but do not limit, this Mortgage:

- Construction Loan.** This Mortgage secures an obligation incurred for the construction of an improvement on the Property.
- Fixture Filing.** Mortgagor grants to Lender a security interest in all goods that Mortgagor owns now or in the future and that are or will become fixtures related to the Property.
- Crops; Timber; Minerals; Rents, Issues, and Profits.** Mortgagor grants to Lender a security interest in all crops, timber and minerals located on the Property as well as all rents, issues, and profits of them including, but not limited to, all Conservation Reserve Program (CRP) and Payment in Kind (PIK) payments and similar governmental programs (all of which shall also be included in the term "Property").
- Personal Property.** Mortgagor grants to Lender a security interest in all personal property located on or connected with the Property. This security interest includes all farm products, inventory, equipment, accounts, documents, instruments, chattel paper, general intangibles, and all other items of personal property Mortgagor owns now or in the future and that are used or useful in the construction, ownership, operation, management, or maintenance of the Property. The term "personal property" specifically excludes that property described as "household goods" secured in connection with a "consumer" loan as those terms are defined in applicable federal regulations governing unfair and deceptive credit practices.
- Filing As Financing Statement.** Mortgagor agrees and acknowledges that this Mortgage also suffices as a financing statement and as such, may be filed of record as a financing statement for purposes of Article 9 of the Uniform Commercial Code. A carbon, photographic, image or other reproduction of this Mortgage is sufficient as a financing statement.
