8) Invalidation of any one of these covenants by judgment or court order shall not affect any of the other provisions which shall remain in full force and effect.

9) Perpetual easements for ingress, egress, drainage and utility purposes are hereby granted to the City of Winterset, Iowa, Mid American Energy, U.S. West Communications, Inc. and their successors and assigns for the installation, operation, maintenance and repair thereof, as shown by the Engineer's Final Plat filed herewith.

10) If any lot owner decides to erect a fence upon his lot, the total cost of installation of such fence shall be borne by said lot owner as well as the cost of all future maintenance of the

fence. No adjoining lot owner shall be required to participate in the cost of the erection or maintenance of any fence. Any fence erected shall be the sole property of the lot owner and can be removed by such lot owner at his discretion. Nothing in this paragraph shall be deemed to preclude a fencing agreement between adjoining lot owners for erection and maintenance of a common fence; however, for any such common fence agreement to be enforceable upon future lot owners, such fencing agreement must be in writing and filed for record in the Madison County Recorder's office in order to apprise prospective purchasers of their obligations with respect to such fencing.

11) No animals shall be kept or maintained on any of the lots in ^{Replat of} Corkrean & Watts Addition Plat No. 1, to the City of Winterset, Madison County, Iowa, except ordinary household pets.

12) Any person, partnership, corporation or other entity purchasing a vacant lot in ^{Replat of} Corkrean & Watts Addition Plat No. 1, an Addition to the City of Winterset, Madison County, Iowa, shall commence construction of a residential dwelling within eighteen (18) months of the date of delivery of a deed to said purchaser from the developer. In the event such buyer has not commenced construction within said 18-month period, the developer shall have the right to repurchase said lot at the same price paid by the buyer plus interest at the rate of seven percent (7%) per annum from and after date of the Deed from developer to buyer; and upon developer exercising the option to repurchase the lot buyer shall promptly comply and furnish to developer an abstract showing merchantable title and a warranty deed.

13) "Developer" is defined as Corkrean Watts Development Co., an Iowa Corporation.
