Dear Mr. Casper:

I am writing to you concerning my Trust fund. I do not like the way it is being taken care of. I am finding myself in a bind over money . With the interest rates so low at this time, it is not helping me to get ahead,just further behind. I am having alot of trouble meeting my obligations each month. I would like to have the trust itself so that I may have the privilege of purchasing me a home of my own, so that I would not have to pay out rent each month.

My Aunt Edna McGinnis left this for me when she died. I believe that she did not understand what this was going to be done to my trust fund. She left this money to me this way, because she thought it needed to be done this way at the time. I am a responsible man now and have a job. I just cannot make enough money to support myself and pay all the bills with my paychecks. I want to purchase myself and home and pay cash for it, so that I may further my education inorder to get a better paying job. Please see what can be done concerning this matter as soon as possible, and let me know by letter and I cannot afford the luxury of having a phone at home.

I am also enclosing a power of attorney for my finesse Jennifer Jones. She is home most of the time and can take of my matter's while I'm at work.

Sincerely yours,

Allen R. Stevenson
