AFFIDAVIT

STATE OF IOWA
COUNTY OF MADISON

I, Denny Buyert, being first duly sworn on my oath do state the following to be true and correct:

1. That I am the Manager of Right of Way Services for MidAmerican Energy Company, successor by merger to Midwest Power Systems, Inc..
2. That I am knowledgeable about the locations of MidAmerican Energy Company's facilities and about the Right of Way Easement Documents pertaining to said facilities.
3. That a certain Midwest Power Systems, Inc. Transmission Line Easement executed by and between Hollingsworth Trust and Leta M. Hollingsworth and Midwest Power Systems, Inc. recorded on the 1st day of November in Book 133, Page 539 in the Office of the Recorder in and for Madison County, Iowa, said easement contains a scrivener's error in the legal description regarding the reference to the Point of Beginning in the description as follows:

"And, beginning at a point approximately 500 feet East and 50 feet South of the Northwest corner of the Southwest Quarter of Section 36, T 76 N, R 27 W, extending thence Northeasterly a distance of approximately 870 feet, all being in Madison County, Iowa."

4. Whereas the reference to "and 50 feet South" in said description is incorrect.
5. Therefore let it be known that said easement document does not encumber any property in the Southwest Quarter of Section 36, Township 76 North, Range 27 West of the 5th P.M., Madison County, Iowa.
