1. General Liability and Property Damage. Comprehensive general liability and property damage insurance shall be purchased by the Manager and shall be maintained in force at all times. The premiums thereon should be paid by the Manager. The insurance shall be carried with reputable companies authorized to do business in the State in such amounts as the Manager may determine. The policy or policies shall name as insured the owners and the Manager. The policy or policies shall insure against loss arising from perils in both the common areas and the units and shall include contractual liability coverage to protect against such liabilities as may arise under the contractual exposures of the Manager.

2. Fire and Casualty. Fire and other hazard insurance shall be purchased by the Manager as promptly as possible following its election and shall thereafter be maintained in force at all times, the

premiums thereon to be paid out of the monthly condominium management fees. Policies shall provide for the issuance of certificates on such endorsement evidencing the insurance as it may be required by the respective mortgagees. The policy, and certificates so issued, will bear a mortgage clause naming the mortgagees interested in said property. The policy, and certificates so issued, will bear a mortgage clause naming the mortgagees interested in said property. The policy or policies shall insure against loss from perils therein covered to all of the improvements in the project, except as may be separately insured. Such policy or policies shall contain extended coverage, vandalism, and malicious mischief endorsements. The improvements to be insured under this clause shall be continually insured to value, and the policy or policies shall contain replacement cost insurance. If reasonably available, the policy or policies shall contain a stipulated amount clause, or determinable cash adjustment clause, or similar clause to permit a cash settlement covering specified value in the event of destruction and a decision not to rebuild. The policy or policies shall name as insured all of the owners and Declarant, so long as Declarant is the owner of any of the units in the project. The policy or policies shall also cover personal property owned in common, and shall further contain waiver of subrogation rights by the carrier as to negligent owners.

3. Fire and Casualty on Individual Units. Except as expressly provided in this paragraph and in paragraph 4, no owner shall separately insure his condominium or any part hereof against loss by fire or other casualty covered by the insurance carrier under paragraph 2. Should any owner violate this provision, any diminution in insurance proceeds resulting from the existence of such other insurance, and or failure to have the proceeds of such other insurance payable pursuant to the provisions of paragraph 2, shall be chargeable to the owner who acquired such other insurance, who shall be liable to the regime to the extent of any such diminution and/or loss of proceeds.

4. Personal Property in Individual Units. An owner may carry such personal liability insurance, in addition to that therein required, as he/she may desire. In addition, all real property interests of the owner in the unit including, but not limited to, fixtures and mechanical equipment located within a unit such as plumbing fixtures, electrical lighting fixtures, kitchen and bathroom cabinets and counter tops, furnace, air conditioning and water heater, together with additions thereto and replacements thereof, as well as the personal property of the unit owner, shall be separately insured by such owner, such insurance to be limited to the type and nature of coverage often referred to as "Condominium Unit Owners Insurance." All such insurance separately carried shall contain waiver of subrogation rights by the carrier as to negligent owners.

5. Additional Coverage. The Manager may purchase and maintain in force at the expense of the common maintenance fund, debris removal insurance, fidelity bonds, and other insurance and/or bonds that it deems necessary. The Manager shall purchase and maintain workers' compensation insurance to the extent that the same shall be required by law respecting employees of the Manager. The Board shall also maintain "all risk" insurance coverage on the project to insure against water damage and like kind of casualties, if such insurance would be reasonably available.

6. Loss Adjustment. The Manager is hereby appointed the attorney-in-fact for all owners to negotiate loss adjustments on the policy or policies carried by the management.

7. Manager as Trustee for Proceeds. In the event of damage or destruction by fire or other casualty affecting a unit or units, and/or if any portion of the common area is damaged or destroyed by fire or other casualty, all insurance proceeds paid in satisfaction of claims for said loss or losses shall be segregated according to losses suffered by each unit or units and/or the common area, and shall be paid to the Manager as trustee for the owner or owners and for the encumbrancer of encumbrancers, as their respective interest may appear. Said insurance proceeds and the proceeds of any special assessment as hereinafter provided, whether or not subject to liens of mortgages or deeds of trust, shall be collected and disbursed by said trustee through a separate trust account on the following terms and conditions:

(a) Partial Destruction of Common Elements. If the damaged improvement is a common element, the Manager may, without further authorization, contract to repair or re-build the damaged portion of the common elements substantially in accordance with the original plans and specifications thereof.

(b) Partial Destruction of Units and Common Elements. In the event of damage to, or destruction of, any unit or units with accompanying damage to the common elements but the total destruction or damage does not represent sixty percent (60%) or more of the buildings in the regime and the costs of repairing or rebuilding said damaged area does not exceed the amount of available insurance proceeds for said loss by more than \$20,000.00, the Manager shall immediately contract to repair or re-build the damaged portion of the unit or units and the common elements substantially in accordance with the original plans and specifications. If the cost to repair or re-build exceeds available insurance by \$20,000.00, then owners of the individual units, by vote of not less than a majority of those present and entitled to vote, in person or by proxy, at a duly constituted owners' meeting held within thirty (30) days from the date of such damage or destruction, shall determine whether the Manager shall be authorized to proceed with repair or reconstruction.

(c) Total Destruction. In the event of sixty percent (60%) or more damage to, or destruction of, the buildings in the regime by fire or other casualty, the owners of the individual units, by vote of not less than a majority of those present and entitled to vote, in person or by proxy, at a duly constituted owners' meeting held within thirty (30) days from the date of such damage or destruction, shall determine whether the Manager shall be authorized to proceed with repair or reconstruction; or whether said project shall be sold; provided, however, that such determination shall be subject to the express written approval of all record owners of mortgages upon any part of the regime. In the event of a determination to re-build or repair, the Board shall have prepared the necessary plans, specifications and maps and shall execute the necessary documents to effect such reconstruction or repair as promptly as practicable and in a lawful and workmanlike manner.

In the event of a determination not to re-build, the Manager shall offer the project for sale forthwith, at the highest and best price obtainable, either in its damaged condition, or after damaged structures have been razed. The net proceeds of such sale, and the proceeds, if any, of insurance carried by the management, and/or by the owners as a whole on the project, including coverage on the

units in the common area, except for unit coverages under paragraph 4 of this Article IX, shall be distributed proportionately to the unit owners in the same proportion that the unit in which they have an interest shares in the common elements, except that where there is a mortgage of record or other valid encumbrance on any one unit then, and in that event, with respect to said unit, the Manager will distribute said proceeds as follows: First to the record holder of the mortgages upon units and common elements in the regime in satisfaction of the balance currently due on said encumbrances and then the remaining proceeds, if any, to the unit owner of record.

(d) In the event the common area is repaired or reconstructed pursuant to the provisions of subparagraphs (a), (b) or (c) of this paragraph and there is any deficiency between the insurance proceeds paid for the damage to the common area and the contract price for repairing or re-building the common area, the Manager shall levy a special assessment against each owner in proportion to his/her fractional interest of ownership in the common area to make up such deficiency. If any owner shall fail to pay said special assessment or assessments within thirty (30) days after the levy thereof, the Manager shall make up the deficiency by payment from the maintenance fund, and the remaining owners shall be entitled to the same remedies as those provided in Article VI of this Declaration, covering a default of any owner in the payment of maintenance charges.

8. Abatement of Common Expenses. The Manager is authorized to provide coverage for payment of maintenance charges which are abated hereunder in behalf of an owner whose unit is rendered uninhabitable for a peril insured against.

9. Review of Insurance Needs. Insurance coverages will be analyzed by the Manager or its representative, at least every year from the date hereof and the insurance program revised accordingly.

ARTICLE X Termination

1. Procedure. The condominium may be terminated in the following manner in addition to the manner provided by the Horizontal Property Act.

(a) Destruction. In the event it is determined in the manner elsewhere provided that the building(s) shall not be reconstructed because of major damage, the condominium plan of ownership will be thereby terminated in compliance with the provisions of Chapter 499B of the Code of Iowa.

(b) Agreement. The condominium may be terminated at any time by the approval in writing of all of the owners of the condominium and by holders of all liens affecting any of the units by filing an instrument to that effect, duly recorded, as provided in chapter 499B of the Code of Iowa. It shall be the duty of every unit owner and his/her respective lien holder to execute and deliver such instrument and to perform all acts as in manner and form may be necessary to effect the sale of the project when at a meeting duly convened of the management, the owners of 100% of the voting power, and all record owners of mortgages upon units in the regime, elect to terminate and/or sell the project.

(c) Certificate. The termination of the condominium in either of the foregoing manners shall be evidenced by a certificate of the Manager executed by all owners and their respective holders of all liens affecting their interest in the condominium, certifying as to facts effecting the termination, which certificate shall become effective upon being recorded in the office of the Madison County Recorder.

2. Form of Ownership after Termination. After termination of the condominium, the project will be held as follows:

(a) The property (land and improvements) shall be deemed to be owned in common by the owners;

(b) The undivided interest in the property owned in common which shall appertain to each unit owner shall be the fractional interest previously owned by such owner in the common area and facilities;

(c) Any items affecting any of the condominiums shall be deemed to be transferred in accordance with the existing priorities to the undivided interest of the owner in the property.

(d) After termination, the net proceeds of sale, together with the net proceeds of the insurance on the property, if any, shall be considered as one fund and shall be divided among all the owners in a percentage equal to the fractional interest owned by each owner in the common elements; after first paying out of the respective shares of the owners, to the extent sufficient for the purposes, all liens on the undivided interest in the property owned by each owner.

ARTICLE XI

Amendments and Miscellaneous

1. Procedure. Except as otherwise provided in this Declaration, this Declaration may be amended and such amendment shall be made in the following manner:

(a) Notice. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is considered. Holders of a first mortgage of record shall receive notice of such proposed amendment as provided in the Bylaws.

(b) Resolution. A resolution adopting a proposed amendment may be proposed by either the Manager or by any owner. Except as provided elsewhere, the resolution must be adopted by a vote of not less than 2/3 of all owners entitled to vote, in person or by proxy; provided, however, no amendment effecting a substantial change in this Declaration or the Bylaws shall affect the rights of the holder of any such mortgage recorded prior to the recording of such amendment who does not join the execution thereof and who does not approve said amendment in writing.

(c) Bylaws. In the case of an amendment to this Declaration by reason of an amendment

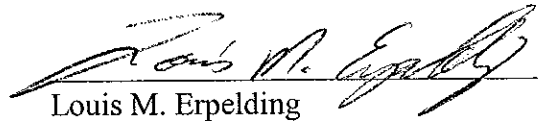

to the Bylaws, then in the manner specified in such Bylaws.

(d) Execution and Recording. An amendment adopted pursuant to subparagraphs (b) or (c) above shall be executed by an officer specifically delegated to do so with the formalities required by Chapter 499B of the Code of Iowa. Upon the recording of such instrument in the office of the Madison County Recorder, the same shall be effective against any persons owning an interest in a unit or the regime.

2. Amendment of Ownership Interest. No amendment shall change the fractional interest of ownership in the common elements appurtenant to a unit, nor increase the owner's share of the common expenses unless the record owner of the unit concerned and all record owners of mortgages thereon shall affirmatively join in the adoption of such amendment.
