VARIANCE FOR BK 2000

Geneva L. Hawthorne Helm has received a variance from Madison County Environmental Health to install a BK2000 filter as tertiary treatment following the Multi-Flo mechanical aerobic treatment unit at the following property:

1500 Prairieview Ave, Van Meter, IA otherwise described as *PARCEL A 21.15A (20.86A N ½ NE NE & .29A E MIDDLE PT Section 33 T77 R27 Jefferson Twp See survey File No. 3466 Box 3 Page 15 Dated 6-9-97*
The BK2000 replaces the existing free access sand filter. This variance has been granted under the following conditions:

1. Sampling monthly during the first 3 months following installation
    2. Sampling quarterly after the first 3 months until the first anniversary of the installation
        3. Sampling 2 times per year according to Madison County regulation for Mechanical Testing.

A service agreement for the onsite wastewater treatment system must be in force the entire time this system is operational. Lack of a service agreement or high test results can result in the wastewater treatment system being declared a failed system by Madison County Environmental Health and will be replaced with a system approved in Madison County.
Certification:
    I certify the above information is true and accurate, to the best of my knowledge. I agree to abide by all of the terms and conditions stated above.
