## **Section Corner Descriptions**

## **NE Corner 18-76-27**

Monument was obliterated (culvert beneath had been recently installed per call to County Engineers Office). Set corner on line between East ¼ corner and ½" bolt found at station 32+59 on North River Trail. Used pin found on ROW and south line of Parcel A BK 2, PG 504. Also, see road plan no. 5-65 County Engineers Office.

## North 1/4 Corner 18-76-27

Probed and excavated in and around vicinity of corner. No ties were available and no monument was found. Set point on line between NE corner and NW corner of section 18 at intersect with line between center ¼ corners of 7 and 18 and in existing N-S fence line. Corner was established at 2798.38'measured vs. 2799.06' Original Govt. survey and 2801.04' from 1876 survey by Patterson.

## West 1/16 Corner on North line 18-76-27

Probed and excavated in and around vicinity of corner. No ties were available. Set corner on E-W line between N1/4 corner and NW corner of section 18 in line with exiting N-S fence approximately 8' south of corner post.
