Section 1. Subjection of the Property to Certain Provisions.

The ownership, use, occupation and enjoyment of each townhouse and the Common Areas shall be subject to the provisions of the Bylaws and Articles of Incorporation of the Association, and this Declaration, all of which provisions irrespective of where set forth or classified shall have equal status and shall be enforceable and binding as a covenant, condition, restriction or requirement running with the land and shall be binding on or enforceable against each and all numbered lots

townhouses and the Owners thereof and their respective assigns, lessees, tenants, occupants and successors in interest.

Section 2. Use of Properties.

The use of the Properties shall be in accordance with and subject to the following provisions:

(a) A townhouse shall be used or occupied for single family dwelling purposes only.

(b) A townhouse may be rented or leased by the Owner or his lessee provided the entire lot is rented, and the period of rental is at least one month unless some other period is established in the rules, regulations or Bylaws of the Association. No lease shall relieve the owner as against the Association and other owners from any responsibility or liability.

(c) Nothing shall be altered in, constructed in, or removed from the Common Areas, except upon written consent of the Board of Directors of the Association, which may be given through regulations of the Association.

(d) No livestock, poultry, or other animals of any kind shall be raised, bred, or kept in any numbered lot or townhouse or in any Common Areas, except an Owner shall be permitted to keep cats, dogs or other usual household pets and to walk them, subject to rules and regulations adopted by the Association. No animals shall be tied up or penned outside. Owners shall immediately clean up all manure left outside by their pets.

(e) No boat, snowmobile, recreational vehicle, trailer or other vehicle other than automobiles, pickups or vans, shall be stored or parked in any driveway for more than two (2) days. In the event of violation of this provision, the Association may, after reasonable notice, remove such boat, snowmobile, recreational vehicle, trailer or other vehicles, and assess the owner of the Lot for the cost of removal.

(f) No activity shall be allowed which unduly interferes with the peaceful possession and use of the numbered lots and townhouses by the Owners nor shall any fire hazard or unsightly accumulation of refuse be allowed. No trash or trash containers shall be left outside except on or about the day they are picked up.

(g) Nothing shall be done or kept in any numbered lot or townhouse or in the Common Areas which will increase the rate of insurance on the Common Areas or the Association Responsibility Elements, without the prior written consent of the Board of Directors of the Association. No Owner shall permit anything to be done or kept in his premises or in the Common Areas which will result in the cancellation of insurance on any premises or any part of the Common Areas or the Association Responsibility Elements, which would be in violation of any law, or which may be or become a nuisance or annoyance to the other Owners.

(h) All valid laws, zoning ordinances, and regulations of all governmental bodies having jurisdiction shall be observed. The responsibility of meeting the requirements of governmental bodies which require maintenance, modification or repair of property shall be the same as the responsibility for the maintenance and repair of the property concerned.

(i) The Board of Directors of the Association shall have the authority to adopt rules and regulations governing the use of numbered lots and townhouses, the Common Areas and the Association Responsibility Elements and such rules shall be observed and obeyed by the Owners, their guests, lessees, assigns and licensees.

(j) Agents or contractors hired by the Board of Directors of the Association may enter any numbered lot or townhouse when necessary in connection with any installation, repair, removal, replacement or inspection of any Association responsibility element, or in connection with landscaping, or construction for which the Association is responsible, provided such entry shall be made with as little inconvenience to the Owners as practicable.

(k) An Owner shall give notice to the Association of every lien against his townhouse other than permitted mortgages, taxes, and Association assessment, and of any suit or other proceeding which may affect the title to his townhouse within ten days after the lien attaches or the Owner receives notice of such suit.

(l) An Owner shall be liable to the Association for the expense of any maintenance, repair, or replacement to the Common Areas or the Association Responsibility Elements rendered necessary by his act, neglect, or carelessness, or by that of his family, guests, employees, agents, or lessees, which liability shall include any increase in insurance rates resulting therefrom.

(m) Neither the Owners nor the Association nor the use of the Common Areas shall interfere with the completion of the contemplated improvements and the sale of the townhouses by the Declarant. The Declarant may make such use of the unsold townhouses and the Common Areas as may facilitate such completion and sale, including, but not limited to, the maintenance of a model townhouse, the showing of the property and the display of signs.

(n) Police, firemen, emergency units, inspectors and any other public law officials or enforcement agencies shall have the same right of entry same enforcement powers as to the Common Areas as they have to public streets and publicly owned parks and areas.

(o) No sign shall be placed upon any numbered lot or townhouse except a "for sale" sign of the small type normally used by real estate brokers.

(p) No tower or antennae shall be placed upon any numbered lot or townhouse or upon the roof of any structure, except with the

approval of the Board of Directors or the Architectural Control committee.

(q) No personal property shall be stored or left upon a numbered lot or townhouse except within the residential structure or garage located upon the premises. Garage doors shall be kept closed except during times of access to the garage or as permitted by the rules of the Association.

Section 3. No Waiver.

Failure of the Association or any Owner to enforce any covenant, condition or restriction, this Declaration, the Articles of Incorporation or Bylaws of the Association, or the rules and regulations adopted pursuant thereto, shall not constitute a waiver of the right to enforce the same thereafter.

ARTICLE VIII. GENERAL PROVISIONS

Section 1. Enforcement.

The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability.

Invalidation of any of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

Section 3. Amendment.

The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than seventy-five percent (75%) of the townhouse Owners, but no amendment shall alter any rights of the Declarant or impose any additional obligations upon the Declarant without the consent of the Declarant. Any amendment must be recorded. During such time as the Declarant is the sole voting member of the Association, this Declaration may be amended by Declarant.

Section 4. Lots Owned by City.

These covenants, restrictions and conditions shall not be applicable to property owned by or dedicated to the City of Earlham, Iowa.
