TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 *et seq.* ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge, for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments. Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires. The insurance carrier providing the insurance shall be maintained in the amounts and periods that Lender requires. The insurance carrier shall be chosen by Borrower subject to Lender's approval which shall not be unreasonable withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall promptly give to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all insurance premiums and renewals notices. In the event of loss, Borrower shall promptly give to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Tenant Application. After the execution of this Security instrument and shall continue to occupy the property as Borrower's principal residence within sixty days thereafter, Borrower shall occupy, establish, and use the property as Borrower's principal residence within sixty days thereafter, unless Lender after the date of occupancy, unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not be liable one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be destroyed, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the property, allow the property to deteriorate, or commit waste on the property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith causes material impairment of the property or proceeds to be dismissed with a ruling that, in Lender's good faith determined in connection with the loan evidenced by the Note, includes, but not limited to, representations concerning Borrower's occupancy of the property as a principal residence by Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the property as a principal residence by Lender (or failed to do so), Lender may take action under this paragraph 7, Lender does not have to do so.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security instrument, or there is a legal proceeding that may significantly affect Lender's rights in the property (such as a proceeding to foreclose or to enforce laws or regulations), Lender may merge the security in this instrument, or Lender's rights in the property in writing.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this security instrument, Borrower shall pay the premium required to maintain the mortgage insurance in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage ceases to be in effect. Lender will accept, use and retain these payments as a loss reserve to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium paid by Borrower when measured approved by Lender. If substantially equivalent mortgage insurance is not available, Borrower shall pay substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurance provider of the same coverage required by Lender, the mortgage insurance previously in effect, Borrower shall pay the premium required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost premium less than the mortgage insurance coverage required by Lender. Unless Borrower agrees to other terms of payment, these amounts shall bear interest from Lender at the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower Security instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall become additional debt of Borrower secured by this security instrument. Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower from Lender may take action under this paragraph 7, Lender does not have to do so.

9. Security Instruments. Lender may take action under this paragraph 7, fees and entitling on the property to make repairs. Although Lender's actions may include paying reasonable attorney's fees and costs of collection, Borrower shall be liable for all the provisions of the lease. If Borrower acquires fee title to the property, the lesseehold and the free title comply with all the provisions of the property as a principal residence. If this security instrument is on a leasehold, Borrower shall be liable for all the provisions of the lease or inaccuracy of information or statements to Lender (or failed to provide Lender with any material information) false or inaccurate information or statement of the loan application process, instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, causes materially false or inaccurate information or statement to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the property as a principal residence by Lender (or failed to do so), Lender may merge the security in the property in writing.

10. Miscellaneous. Lender may take action under this paragraph 7, Lender does not have to do so.

insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.
- If Lender exercises this option, Lender shall give the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument.

- The notice will also contain any other information required by applicable law.
18. Borrower's Right to Retransfer. A sale may result in a change in the entity which holds the Note or in the Note's servicer. This amount may change.

(D) Scheduled Payment Changes

Changes in my scheduled payment will reflect changes in the unpaid principal of my loan and in the interest rate that I must pay. The Note Holder will determine my new interest rate and the changed amount of my scheduled payment in accordance with Section 4 of the Note.

4. INTEREST RATE AND SCHEDULED PAYMENT CHANGES**(A) Change Dates**

Each date on which my interest rate could change is called a "Change Date." (Mark one)

The interest rate I will pay may change on the first day of
and on that day every month thereafter.
 The interest rate I will pay may change ON THE 30TH DAY OF JUNE 2002.....
and on every 30TH DAY OF EACH 36TH MONTH..... thereafter.

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is:
THE WEEKLY AVG. YIELD ON US TREAS. SECURITIES ADJUSTED TO A CONSTANT
MATURITY OF ONE YEAR AS PUBLISHED IN THE WALL ST. JOURNAL ON THE 1ST
TUESDAY OF EACH MONTH.....

The most recent Index figure available as of the date 45 days
before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by
ADDING THREE AND 350/1000.....

percentage points (..... 3.350 %) to the Current Index. The result of this calculation:

will not be rounded off.

will be rounded off by the Note Holder to the nearest %.

will be rounded off by the Note Holder up to the nearest %.

will be rounded off by the Note Holder down to the nearest %.

Subject to the limitations stated in Section 4(D) below, this amount will be my new interest rate until the next change date.

The Note Holder will then determine the amount of the scheduled payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my scheduled payment.

(D) Limits on Interest Rate Changes ** TWO AND NO/1000

My interest rate will never be increased or decreased on any single change date by more than**..... percentage points from the rate of interest I have been paying for the preceding period.

My interest rate will never be greater than 13.500 % or less than N/A %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new scheduled payment beginning on the first scheduled payment date after the Change Date until the amount of my scheduled payment changes again.
