

Be it known to all men in these parts that:

Robert and Betsy

Yelland

are afforded the right(s) to hunt Quail and other animals in season, to traverse the fields and hills, the wood lands, meadows, grain fields and fish the ponds on the

Sutton Farm

for as long as they may live... It is my hope and belief that these visits will in no way encumber the farming activities of the tenant or future owners whoever they may be ... after getting acquainted with the Yellands they will welcome their visits. It is my belief that these visits will extend and revive memories of our hunting, fishing and hiking trips in

past years. The farm is described as follows: The Southwest 1/4 of the Southwest 1/4 of Section 9 and Northwest 1/4 and West 1/2 of the Southwest 1/4 except land South of the creek all in Section 10 of Webster Township (North Range 29 West of the 5th P.M. all in Madison County, Iowa. (290 acres - more or less.)
