together with the following rights: Of ingress and egress to, from, and along lands adjacent to said strip for the purpose of constructing and maintaining communication systems within said strip; to place surface markers beyond said strip; to clear and keep cleared all trees, roots, brush and other obstructions from the surface and subsurface of said strip and during construction to cut all trees within ten feet thereof; and to install gates in any fences crossing said strip.

The Northerly boundary of said 16.5 feet strip shall be a line parallel to

and 5 feet North of the first cable or lightguide laid, which cable or

lightguide shall have its location indicated upon the surface markers set at intervals on the land of the undersigned or on adjacent lands. The undersigned for themselves, their heirs, successors and assigns, hereby covenant that no structure shall be erected or permitted on said strip. The grantees agree that the said cables or lightguides shall be buried below plow depth in order not to interfere with the ordinary cultivation of the strip, and to pay for damages to fences and growing crops

arising from the construction and maintenance of the aforesaid systems
