REQUEST FOR THE ESTABLISHMENT OF A SPECIAL PUBLIC ROAD CONNECTION

It is hereby requested that a special public road connection be authorized and established on Primary Road No. U.S. 169
west side, of station 663+00 in Section 35
Twp. 75N Rge. 28W more specifically described as follows: .53 miles
north from west junction of U.S. 169 and Iowa 92, more particularly to which the Commis-
sion has acquired access rights by ~~use of~~ (condemnation) from Will C. Johnson and Clarence E. Johnson

Recorded 10-14-74

as recorded in Book (Vol.) 111 Page 89 (Instrument No.) _____ in the Office of the
Madison County Recorder.

The undersigned agree and affirm that if the request for a special public road connection is authorized the following stipulations shall govern.

1. The Department reserves the right to remove or relocate the special public road connection.
2. The connection, including drainage structure, grading and surfacing, shall be constructed by the applicant at the applicant's expense, in accordance with the plat attached hereto, and in conformity with the standard specifications of the Highway Division, and shall thereafter be kept in repair and maintained by the applicant at his own expense. Nothing in this stipulation, however, shall preclude the Department from entering upon said entrance on highway right of way and performing necessary maintenance for the protection of the highway.
3. That the construction, future repair or maintenance of said entrance shall be carried on in such a way as not to interfere with, or interrupt traffic on said highway, and the applicant shall take all reasonable precautions to protect and safeguard the lives and property of any person or persons, and shall save the State and Department of Transportation harmless of any damage or losses that may be sustained by any person or persons, on account of such construction, repair, or maintenance operations.
4. That all provisions herein relating to future repair or maintenance shall be binding on all successors or assigns of the applicant.
5. In the establishment of a special public road connection at Station 663+00 Project FN-169-3(10)--21-61, the following existing private entrances will be permanently removed or extinguished.

6. That the applicant agrees to give the Highway Division forty-eight hours notice of his intention to start construction on the highway right of way. Said notice shall be in writing to the person whose name is shown on the reverse side.
7. Additional Comments or Stipulations: Connection shall be constructed with a 24 foot top and 6:1 side slopes.

We, the undersigned, are the owner, or owners, of record, or the legal and duly authorized representative of the owner, of the property abutting Primary Road U.S. 169 between Station 655+10± and Station 669+00 on the west side and agree that we shall save the State and Iowa Department of Transportation harmless of any damage or losses that may be sustained by any person, or persons, on account of the conditions and requirements of this agreement. Failure to comply with conditions and requirements of this agreement shall render this agreement and request null and void.
