ARTICLE I

FIRST MORTGAGE BONDS, 8.20% SERIES DUE 2003

SECTION I. There is hereby created a twenty-sixth series of bonds to be issued under and secured by the Indenture to be designated, distinguished and known as "First Mortgage Bonds, 8.20% Series due 2003" of the Company (herein called "Bonds of Twenty-Sixth Series"). Bonds of Twenty-Sixth Series may be issued without limitation as to aggregate principal amount except as provided in the Indenture and in this Twenty-Fourth Supplemental Indenture. Bonds of Twenty-Sixth Series shall be registered bonds without coupons and shall be dated as of the interest payment date next preceding the authentication thereof by the Trustee (except that (i) if any Bond of Twenty-Sixth Series shall be authenticated before June 1, 1992, it shall be dated as of December 3, 1991, unless (iii) below is applicable, (ii) if the Company shall at the time of the authentication of a Bond of Twenty-Sixth Series be in default in the payment of interest upon the Bonds of Twenty-Sixth Series, such Bond of Twenty-Sixth Series shall be dated as of the date of the beginning of the period for which such interest is so in default, and (iii) so long as there is no existing default in the payment of interest on the Bonds of Twenty-Sixth Series, if any Bond of Twenty-Sixth Series shall be authenticated after the close of business on any record date, as hereinafter defined, with respect to any interest payment date (June 1 or December 1, as the case may be) and on or prior to such interest payment date, it shall be dated as of such interest payment date).

The registered owner of any Bond of Twenty-Sixth Series dated as of an interest payment date as provided in (iii) above shall, if the Company has defaulted in the payment of interest due on such interest payment date and such default shall be continuing, be entitled to exchange such Bond of Twenty-Sixth Series for a Bond or Bonds of Twenty-Sixth Series of the same aggregate principal amount dated as of the interest payment date next preceding the interest payment date first mentioned in this sentence. If the Trustee shall have knowledge at any time that any registered owner of a Bond of Twenty-Sixth Series shall be entitled by the provisions of the next preceding sentence to exchange such Bond of Twenty-Sixth Series, the Trustee shall within thirty days mail to such owner at the address of such owner appearing upon the registry book of the Company a notice informing such owner that such owner has such right of exchange.

All Bonds of Twenty-Sixth Series shall mature December 1, 2003; the principal of and interest on all the Bonds of Twenty-Sixth Series shall be payable in lawful money of the United States of America; the place where such principal shall be payable shall be the principal office of the Trustee in the City of Chicago, State of Illinois (or at the principal office of any successor in trust), and the place where such interest shall be payable shall be the office or agency of the Company in said City of Chicago, State of Illinois; the rate of interest shall be 8.20% per annum, payable semi-annually on the first days of June and December, and the terms of redemption shall be as referred to in Section 2 of this Article I.

So long as there is no existing default in the payment of interest on the Bonds of Twenty-Sixth Series, the person in whose name any Bond of Twenty-Sixth Series is registered at the close of business on any record date with respect to any interest payment date shall be entitled to receive the interest payable on such interest payment date notwithstanding any transfer or exchange of such Bond of Twenty-Sixth Series subsequent to the record date and on or prior to such interest payment date, except as and to the extent the Company shall default in the payment of the interest due on such interest payment date, in which case such defaulted interest shall be paid to the person in whose name such Bond of Twenty-Sixth Series is registered on the date of payment of such defaulted interest.

As used in this Section 1, the term "default in the payment of interest" means failure to pay interest on the applicable interest payment date disregarding any period of grace permitted by Section 2 of Article IX of the Indenture.

The term "record date" as used herein with respect to any interest payment date shall mean the last business day which is more than 10 calendar days prior to such interest payment date. The term "business day" as used herein shall mean any day other than a Saturday, a Sunday or a day on which the offices of the Trustee in the City of Chicago, State of Illinois, are closed pursuant to authorization of law.

SECTION 2. The Bonds of Twenty-Sixth Series may be redeemed prior to maturity, at the option of the Company in whole at any time or in part from time to time (subject, however, to the provisions of the third paragraph of this Section 2) on notice given in the manner and with the effect provided in Article IV of the Indenture and as in this Section 2 provided, but Bonds of Twenty-Sixth Series shall not be redeemable through the application of moneys deposited with the Trustee pursuant to any replacement or other similar fund contained in any indenture supplemental to the Indenture.

The redemption prices of Bonds of Twenty-Sixth Series redeemed at the option of the Company shall be the following percentages of the principal amount thereof:

IF REDEEMED DURING TWELVE MONTHS' PERIOD ENDING

<u>November 30</u>	<u>Optional Redemption Price</u>	<u>November 30</u>	<u>Optional Redemption Price</u>
1992	107.94%	1997	103.53%
1993	107.06	1998	102.65
1994	106.18	1999	101.77
1995	105.30	2000	100.88
1996	104.41		

and thereafter at 100.00%, in each case plus accrued interest to the redemption date.

Prior to December 1, 1996, none of the Bonds of Twenty-Sixth Series may be redeemed at the option of the Company through a refunding, directly or indirectly, by or in anticipation of the incurring of any debt which has an interest cost to the Company of less than 8.279% per annum. The term "interest cost to the Company" shall mean the annual percentage yield to stated maturity of the debt at the net price to the Company therefor, determined by reference to a standard table of bond yields, with straight-line interpolation if necessary. The "net price to the Company" shall be determined after allowing for all discounts, commissions, finders' fees or negotiator's fees, standby or commitment charges and any other compensation received or receiveable directly from the Company by underwriters, investment bankers or other financing agents or purchasers. Prior to each redemption at the option of the Company of any Bonds of Twenty-Sixth Series prior to December 1, 1996, the Company will deliver to the Trustee an officers' certificate showing compliance with the provisions of this paragraph.

In case the Company shall at any time elect to redeem all or any part of the Bonds of Twenty-Sixth Series, it shall give notice to the effect that it has elected to redeem all or a part thereof, as the case may be, on a date therein designated, specifying in case of redemption of a part of the Bonds of Twenty-Sixth Series the distinctive numbers of the bonds to be redeemed, and in every case stating in substance that on said date there will become and be due and payable upon each bond so to be redeemed, at the principal office of the Trustee in the City of Chicago, State of Illinois, the redemption price thereof (or portion thereof in the case of partial redemption of a bond) hereinbefore in this Section 2 specified for bonds redeemed at the option of the Company, and that on and after such date interest thereon will cease to accrue.

Such notice, in case of redemption of Bonds of Twenty-Sixth Series at the option of the Company, shall be given by mail by the Company, postage prepaid, at least thirty and not more than forty-five days prior to such date of redemption, to the registered owners of all Bonds of Twenty-Sixth Series to be so redeemed, at their respective addresses appearing on the register thereof. Any notice which is mailed as herein provided shall be conclusively presumed to have been properly and sufficiently given on the date of such mailing, whether or not the holder receives the notice. In any case, failure to give due

notice by mail, or any defect in the notice, to the registered owner of any Bonds of Twenty-Sixth Series designated for redemption as a whole or in part, shall not affect the validity of the proceedings for the redemption of any other bond.

SECTION 3. Bonds of Twenty-Sixth Series shall be registered bonds without coupons. Bonds of Twenty-Sixth Series shall be issued in the denomination of \$1,000 and integral multiples thereof, and numbered from R-M-1 upwards.

The form of Bonds of Twenty-Sixth Series shall be substantially as follows (any of the provisions of such Bonds may be set forth on the reverse side thereof):

[FORM OF BOND OF TWENTY-SIXTH SERIES]
IOWA POWER INC.
FIRST MORTGAGE BOND, 8.20% SERIES DUE 2003
Due December 1, 2003

§ No.

IOWA POWER INC. (hereinafter called the "Company"), a corporation of the State of Iowa, for value received, hereby promises to pay to

or registered assigns on December 1, 2003, at the principal office of the Trustee hereinafter named in the City of Chicago, State of Illinois, or at the principal office of any successor in trust, the sum of Dollars in lawful money of the United States of America, and to pay interest thereon from the date hereof at the rate of 8.20% per annum, in like lawful money, payable semi-annually at the office or agency of the Company in the City of Chicago, State of Illinois, on June 1 and December 1, in each year until the Company's obligation with respect to the payment of such principal sum shall be discharged as provided in the indentures hereinafter mentioned, provided that so long as there is no existing default in the payment of interest and except for the payment of defaulted interest, the interest payable on any June 1 or December 1, will be paid to the person in whose name this bond was registered at the close of business on the record date (the last business day which is more than 10 calendar days prior to such June 1 or December 1).

This bond is one, of the series hereinafter specified, of the bonds of the Company (herein called the "bonds") known as its "First Mortgage Bonds," issued and to be issued in one or more series under, and all equally and ratably secured by, an Indenture of Mortgage and Deed of Trust dated as of August 1, 1943, duly executed by the Company to Harris Trust and Savings Bank (herein called the "Trustee") and Harold Eckhart (J. Bartolini, successor Individual Trustee), Trustees, to which indenture and all indentures supplemental thereto reference is hereby made for a description of the property mortgaged and pledged, the nature and extent of the security, the terms and conditions upon which the bonds are, and are to be, issued and secured, and the rights of the bearers or registered owners of the bonds and of the Trustees in respect of such security. As provided in said Indenture, said bonds may be for various principal sums and are issuable in series, which may mature at different times, may bear interest at different rates and may otherwise vary as therein provided; and this bond is one of a series entitled "First Mortgage Bonds, 8.20% Series due 2003," created by the Twenty-Fourth Supplemental Indenture dated as of December 1, 1991, as provided for in said Indenture.

To the extent permitted by said Indenture, modifications or alterations of said Indenture or of any indenture supplemental thereto and of the rights and obligations of the Company and of the bearers or registered owners of the bonds and coupons may be made, and compliance with said Indenture or any such supplemental indenture may be waived, with the consent of the Company, by an affirmative vote of the bearers or registered owners of not less than sixty-six and two-thirds per cent (66⅔%) in principal amount of the bonds entitled to vote at a meeting of bondholders called and held as provided in said Indenture and by an affirmative vote of the bearers or registered owners of not less than sixty-six and two-thirds per cent (66⅔%) in principal amount of the bonds entitled to vote of each series affected by such modification or alteration or waiver in case one or more, but less than all, of the series of bonds then outstanding under said Indenture are so affected; provided, however, that no such modification or

alteration or waiver shall be made which will (a) affect the terms of payment of the principal of, or interest or premium on, this bond, or the right of any bondholder to institute suit for the enforcement of any such payment on or after the respective due dates expressed in this bond, or (b) otherwise than as permitted by said Indenture, permit the creation by the Company of any mortgage lien ranking prior to or on a parity with the lien of said Indenture or of any indenture supplemental thereto, with respect to any property covered thereby, or give to any bond or bonds secured by said Indenture any preference over any other bond or bonds so secured, or deprive any bondholder of the security afforded by the lien of said Indenture, or (c) reduce the percentage in principal amount of the bonds required to authorize or consent to any such modification or alteration or waiver; all as more fully provided in said Indenture.

The First Mortgage Bonds, 8.20% Series due 2003, may be redeemed at the option of the Company in whole at any time, or in part from time to time, at the following percentages of the principal amount thereof:

IF REDEEMED DURING TWELVE MONTHS PERIOD ENDING

<u>November 30</u>	<u>Optional Redemption Price</u>	<u>November 30</u>	<u>Optional Redemption Price</u>
1992	107.94%	1997	103.53%
1993	107.06	1998	102.65
1994	106.18	1999	101.77
1995	105.30	2000	100.88
1996	104.41		

in each case plus accrued interest to the date of redemption; provided, however that none of the First Mortgage Bonds, 8.20% Series due 2003, may be redeemed through the application of moneys deposited with the Trustee pursuant to any replacement or similar fund contained in any indenture supplemental to the Indenture, and prior to December 1, 1996, none of the First Mortgage Bonds, 8.20% Series due 2003 may be redeemed at the option of the Company through a refunding, directly or indirectly, by or in anticipation of the incurring of the debt which has an interest cost to the Company (as defined in the Twenty-Fourth Supplemental Indenture) of less than 8.279% per annum.

Notice of any redemption of bonds to be redeemed shall be given by mail by the Company, postage prepaid, at least thirty and not more than forty-five days prior to the redemption date, to the holders of all such bonds to be redeemed at the addresses that shall appear on the register thereof, subject to the conditions set forth and as more fully provided in said Indenture and in said Twenty-Fourth Supplemental Indenture. Said Indenture and said Twenty-Fourth Supplemental Indenture provide, among other things, that notice of redemption having been given, the bonds called for redemption shall become due and payable upon the redemption date and, if the redemption price shall have been duly deposited with the Trustee, interest thereon shall cease to accrue on and after the redemption date, and that whenever the redemption price thereof shall have been duly deposited with the Trustee and notice of redemption shall have been duly given or provision therefor made as provided in said Indenture, such bonds shall no longer be entitled to any lien or benefit of said Indenture.

In the event that any bond shall not be presented for payment when the principal thereof becomes due, either at maturity or otherwise or at the date fixed for the redemption thereof, and the Company shall have on deposit with the Trustee in trust for the purpose, on the date when such bond is due, funds sufficient to pay the principal of such bond (and premium, if any), together with all interest due thereon to the date of maturity of such bond or to the date fixed for the redemption thereof, for the use and benefit of the registered owner thereof, then all liability of the Company to the registered owner of said bond for the payment of the principal thereof and interest thereon (and premium, if any) shall forthwith cease, determine and be completely discharged and such registered owner shall no longer be entitled to any lien or benefit of said Indenture.

In case an event of default as defined in said Indenture shall occur, the principal of this bond may become or be declared due and payable in the manner, with the effect, and subject to the conditions provided in said Indenture.

This bond is transferable by the registered owner hereof in person, or by attorney duly authorized in writing, at the principal office of the Trustee in the City of Chicago, State of Illinois, upon surrender and cancellation of this bond as provided in the Twenty-Fourth Supplemental Indenture, and upon any such transfer a new registered bond without coupons of the same series for the same aggregate principal amount will be issued to the transferee in exchange herefor, and the bonds of this series may, at the option of the registered owner and upon surrender at said office of the Trustee, be exchanged for registered bonds without coupons of this series of the same aggregate principal amount of other authorized denominations, all without charge (except for any stamp tax or other governmental charge).

No recourse shall be had for the payment of the principal of, or interest on, this bond, or for any claim based hereon or otherwise in respect hereof or of said Indenture or any indenture supplemental thereto, against any incorporator, or against any stockholder, director or officer, past, present or future, of the Company, as such, or of any predecessor or successor corporation, either directly or through the Company or any such predecessor or successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitution, statute or otherwise, of such incorporators, stockholders, directors or officers being waived and released by every owner hereof by the acceptance of this bond and as part of the consideration for the issue hereof, and being likewise waived and released by the terms of said Indenture.

This bond shall not be valid or become obligatory for any purpose, unless and until the certificate endorsed hereon shall have been executed by the Trustee or its successor in trust under said Indenture.

IN WITNESS WHEREOF, IOWA POWER INC. has caused this bond to be signed in its name by the manual or facsimile signature of its President or one of its Vice Presidents and its corporate seal to be impressed or imprinted hereon, and attested by the manual or facsimile signature of its Secretary, or one of its Assistant Secretaries.

SECTION 4. Bonds of Twenty-Sixth Series shall be exchangeable at the option of the registered owners thereof and upon surrender thereof at the principal office of the Trustee in the City of Chicago, State of Illinois, for Bonds of Twenty-Sixth Series of the same aggregate principal amount but of different authorized denomination or denominations. Such exchanges and any transfer will be made without service charge (except for any stamp tax or other governmental charge).

Every registered bond so surrendered for transfer shall be accompanied by a proper transfer power duly executed by the registered owner or by duly authorized attorney transferring such bond to the Company, and the signature on such transfer power shall be guaranteed to the satisfaction of the Trustee. All bonds so surrendered shall be forthwith cancelled and delivered to or upon the order of the Company.

All bonds executed, authenticated and delivered in exchange for bonds so surrendered shall be valid obligations of the Company, evidencing the same debt as the bonds surrendered, and shall be secured by the same lien and be entitled to the same benefits and protection as the bonds in exchange for which they are executed, authenticated and delivered.

The Company shall not be required to make any such exchange or any transfer either (1) during a period of fifteen days next preceding any interest payment date, but only if there is an existing default in the payment of interest on the Bonds of Twenty-Sixth Series, or (2) after the bond so presented for exchange or transfer, or any portion thereof, has been drawn for redemption, but may do so at its option.

SECTION 5. Pending the preparation of definitive Bonds of Twenty-Sixth Series the Company may from time to time execute, and, upon its written order, the Trustee shall authenticate and deliver, in lieu of such definitive bonds and subject to the same provisions, limitations and conditions, one or more temporary printed, lithographed or typewritten bonds, in registered form, of any denomination specified in the written order of the Company for the authentication and delivery thereof and with such omissions, insertions and variations as may be determined by the Board of Directors of the Company. Such temporary bonds shall be substantially of the tenor of the bonds to be issued as hereinbefore recited, but such temporary bonds may, in lieu of the statement of the specific redemption prices required to be set forth in Bonds of Twenty-Sixth Series in definitive form, include a reference to this Twenty-Fourth Supplemental Indenture for a statement of such redemption prices.

If any such temporary Bonds of Twenty-Sixth Series shall at any time be so authenticated and delivered in lieu of definitive bonds, the Company shall without unreasonable delay at its own expense prepare, execute and deliver to the Trustee and thereupon, upon the presentation and surrender of temporary bonds, the Trustee shall authenticate and deliver in exchange therefor, without charge to the holder, definitive bonds of the same series for the same principal sum in the aggregate as the temporary bonds surrendered. All temporary bonds so surrendered shall be forthwith cancelled by the Trustee and delivered to or upon the order of the Company. Until exchanged for definitive bonds the temporary bonds shall in all respects be entitled to the lien and security of the Indenture and all supplemental indentures.

SECTION 6. Definitive Bonds of Twenty-Sixth Series may be in the form of fully engraved bonds or bonds printed or lithographed with steel engraved borders.

SECTION 2. The Company covenants that it will, so long as any Bonds of Twenty-Sixth Series are outstanding, file with the Trustee within four months after the close of the fiscal year concluding December 31, 1991, an earned surplus account for the fiscal year beginning January 1, 1991, and within four months after the close of each fiscal year beginning after December 31, 1991, an earned surplus account for such fiscal year. Except as herein otherwise provided, no duties, responsibilities or liabilities are assumed, or shall be construed to be assumed, by the Trustees by reason of this Twenty-Fourth Supplemental Indenture other than as set forth in the Indenture; and this Twenty-Fourth Supplemental Indenture is executed and accepted on behalf of the Trustees, subject to all the terms and conditions set forth in the Indenture, as fully to all intents as if the same were herein set forth at length.

**ARTICLE V
