ARTICLE I

DESCRIPTION OF COLLATERAL TRUST BONDS OF THE 7¼% SERIES

SECTION 1. The Company hereby creates a new series of Bonds to be known as "Collateral Trust Bonds of the 7¼% Series." The Collateral Trust Bonds of the 7¼% Series shall be executed, authenticated and delivered in accordance with the provisions of, and shall in all respects be subject to, all of the terms, conditions and covenants of the Indenture, as supplemented and modified.

The commencement of the first interest period shall be September 27, 1996. The Collateral Trust Bonds of the 7¼% Series shall mature October 1, 2006, and shall bear interest at the rate of 7¼% per annum, payable semi-annually on the 1st day of April and the 1st day of October in each year, commencing on April 1, 1997. The person in whose name any of the Collateral Trust Bonds of the 7¼% Series is registered at the close of business on any record date (as hereinafter defined) with respect to any interest payment date shall be entitled to receive the interest payable on such interest payment date notwithstanding the cancellation of such Collateral Trust Bonds of the 7¼% Series upon any transfer or exchange subsequent to the record date and prior to such interest payment date; provided, however, that if and to the extent the Company shall default in the payment of the interest due on such interest payment date, such defaulted interest shall be paid as provided in Section 307 of the Indenture.

The term "record date" as used in this Section with respect to any interest payment date shall mean the March 15 or September 15, as the case may be, next preceding the semi-annual interest payment date, or, if such March 15 or September 15 shall be a legal holiday or a day on which banking institutions in the Borough of Manhattan, the City of New York, State of New York or in the City of Chicago, State of Illinois, are authorized by law to close, then the next preceding day which shall not be a legal holiday or a day on which such institutions are so authorized to close.

SECTION 2. The Collateral Trust Bonds of the 7¼% Series shall be issued only as registered Bonds without coupons of the denomination of \$1,000, or any integral multiple of \$1,000, appropriately numbered. Subject to the terms and conditions set forth in the Indenture, the Collateral Trust Bonds of the 7¼% Series may be exchanged for one or more new Collateral Trust Bonds of the 7¼% Series or other authorized denominations, for the same aggregate principal amount, upon surrender thereof, to the agency of the Company in the City of Chicago, Illinois, or, at the option of the holder, at the agency of the Company in the City of New York.

Collateral Trust Bonds of the 7¼% Series may be exchanged or transferred without expense to the registered owner thereof except that any taxes or other governmental charges that may be imposed in connection with such transfer or exchange shall be paid by the registered owner requesting such transfer or exchange as a condition precedent to the exercise of such privilege.

SECTION 3. The Collateral Trust Bonds of the 7¼% Series and the Trustee's Certificate of Authentication shall be substantially in the following forms respectively:

Except as otherwise provided in the Indenture, any such interest not paid or duly provided for shall forthwith cease to be payable to such person, and shall either be paid to the person whose name this Bond is registered at the close of business on a Special Record Date for the payment of such interest to be fixed by the Trustee, notice of which shall be given to holders of Bonds of this Series not less than 10 days prior to such Special Record Date, or be paid at any time in any lawful manner not inconsistent with the requirements of any securities exchange on which the Bonds of this Series may be listed, and upon such notice as may be required by such exchange, all as more fully provided for in said Indenture. [FORM OF REVERSE OF BOND]

This Collateral Trust Bond is one of a duly authorized issue of Collateral Trust Bonds of the Company in an aggregate principal amount of up to \$60,000,000 of the series hereinafter specified, all issued and to be issued under and equally secured by an Indenture of Mortgage and Deed of Trust (the "Indenture"), dated as of September 1, 1993, executed by the Company to The First National Bank of Chicago, as Trustee (the "Trustee"), as supplemented by four supplemental indentures, (including a Fourth Supplemental Indenture dated as of September 1, 1996), each executed by the Company to said Trustee (said Indenture, as so supplemented, being herein sometimes referred to as the "Indenture"), to which Indenture and all indentures

supplemental thereto reference is hereby made for a description of the properties mortgaged and pledged, the nature and extent of the security, the rights of registered owners of the Collateral Trust Bonds and of the Trustee in respect thereof, and the terms and conditions upon which the Collateral Trust Bonds are, and are to be, secured. The Collateral Trust Bonds may be issued in series, for various principal sums, may mature at different times, may bear interest at different rates and may otherwise vary as provided in the Indenture. This Collateral Trust Bond of the 7¼% Series is one of a series designated as the "Collateral Trust Bonds of the 7¼% Series Due 2006" (the "Collateral Trust Bonds of the 7¼% Series") of the Company, in an aggregate principal amount of up to \$60,000,000, issued under and secured by the Indenture and described in the Fourth Supplemental Indenture thereto dated as of September 1, 1996 (the "Fourth Supplemental Indenture") between the Company and the Trustee.

The Collateral Trust Bonds of the 7¼% Series will not be redeemable prior to their maturity; provided, however, that such Bonds may be redeemed in whole at any time or in part from time to time, up on at least 30 days notice, at the redemption price equal to 100% of the principal amount thereof, plus accrued interest to the date of redemption, through application of cash received by the Trustee as a result of properties of the Company being taken by eminent domain or being sold to an entity possessing the power of eminent domain.

In case an Event of Default, as defined in the Indenture, shall occur, the principal of all the Collateral Trust Bonds of the 7¼% Series at any such time outstanding under the Indenture may be declared or may become due and payable, upon the conditions and in the manner and with the effect provided in the Indenture. The Indenture provides that such declaration may be rescinded under certain circumstances.

No reference herein to the Indenture and no provision of this Bond or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and premium, if any, and interest on this Bond at the times, place and rate, in the coin or currency, and in the manner, herein prescribed.

This Bond may be exchanged or transferred without expense to the registered owner hereof except that any taxes or other governmental charges that may be imposed in connection with such transfer or exchange shall be paid by the registered owner requesting such transfer or exchange as a condition precedent to the exercise of such privilege.

Prior to due presentment of this Bond for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Bond is registered as the absolute owner hereof for all purposes, whether or not this Bond be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

As provided in the Indenture, no recourse shall be had for the payment of the principal of or premium, if any, or interest on any Collateral Trust Bonds or any part thereof, or for any claim based thereon or otherwise in respect thereof, or of the indebtedness represented

thereby, or upon any obligation, covenant or agreement under the Indenture, against, and no personal liability whatsoever shall attach to, or be incurred by, any incorporator, stockholder, officer or director, as such, past, present or future of the Company or of any predecessor or successor corporation (either directly or through the Company or a predecessor or successor corporation), whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly agreed and understood that the Indenture and all the Collateral Trust Bonds are solely corporate obligations and that any such personal liability is hereby expressly waived and released as a condition of, and as part of the consideration for, the execution of the Indenture and the issuance of the Collateral Trust Bonds.

[END OF BOND FORM]

SECTION 2. Such Collateral Trust Bonds of the 7¼% Series may be authenticated and delivered prior to the filing for recordation of this Fourth Supplemental Indenture.

ARTICLE III

REDEMPTION

The Collateral Trust Bonds of the 7¼% Series will not be redeemable prior to their maturity; provided, however, that such Bonds may be redeemed in whole at any time or in part from time to time, up on at least 30 days notice, at the redemption price equal to 100% of the principal amount thereof, plus accrued interest to the date of redemption, through application of cash received by the Trustee as a result of properties of the Company being taken by eminent domain or being sold to an entity possessing the power of eminent domain.

The Trustee shall not be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Fourth Supplemental Indenture or the due execution hereof by the Company or for or in respect of the recitals contained herein, all of which recitals are made by the Company solely. In general, each and every term and condition contained in Article Eleven of the Indenture shall apply to this Supplemental Indenture with the same force and effect as if the same were herein set forth in full, with such omissions, variations and modifications thereof as may be appropriate to make the same conform to this Fourth Supplemental Indenture.
