•	necessary.
0.	Private Sewage Disposal System (check one)
	 ☑ All buildings on this property are served by a public or semi-public sewage disposal system. ☐ This transaction does not involve the transfer of any building which has or is required by law to
	have a sewage disposal system.
	☐ There is a building served by private sewage disposal system on this property or a building
	without any lawful sewage disposal system. A certified inspector's report is attached which documents the condition of the private sewage disposal system and whether any modifications
	are required to conform to standards adopted by the Department of Natural Resources. A certified inspection report must be accompanied by this form when recording.
	☐ There is a building served by private sewage disposal system on this property. Weather or
	other temporary physical conditions prevent the certified inspection of the private sewage
	disposal system from being conducted. The buyer has executed a binding acknowledgment
	with the county board of health to conduct a certified inspection of the private sewage disposal
	system at the earliest practicable time and to be responsible for any required modifications to the private sewage disposal system as identified by the certified inspection. A copy of the
	binding acknowledgment is attached to this form.
	☐ There is a building served by private sewage disposal system on this property. The buyer has
	executed a binding acknowledgment with the county board of health to install a new private
	sewage disposal system on this property within an agreed upon time period. A copy of the binding acknowledgment is provided with this form.
	☐ There is a building served by private sewage disposal system on this property. The building to
	which the sewage disposal system is connected will be demolished without being occupied. The
	buyer has executed a binding acknowledgment with the county board of health to demolish the
	building within an agreed upon time period. A copy of the binding acknowledgment is provided with this form. [Exemption #9]
	☐ This property is exempt from the private sewage disposal inspection requirements pursuant to
	the following exemption [Note: for exemption #9 use prior check box]:
	☐ The private sewage disposal system has been installed within the past two years pursuant to permit number
