I hereby certify that I made a survey of lots 3 + 4 of Block 21 of Pitzer & Knight's Addition to Winterset Iowa at the request of Robt E. Linville, and marked the corners to same.

The above plat is the true + correct result of said survey which is based on the assumption that the center line between curbs of the streets bordering said Block 21 on the East, South and West are on correct lines from which lines there is shown to be a 3.5 feet excess in the east to west measurements of the north ½ of Block 21, which excess I divided equally between lots 1+2 and lots 3+4.
