5. Private Burial Site (check one)	
There are no known private buriar sites on this property.	
There is a private burial site on this property. The location(s) of the site(s) and known	
identifying information of the decedent(s) is stated below or on an attached separate sheet, as	
necessary.	
6. Private Sewage Disposal System (check one)	
All buildings on this property are served by a public or seni-public sewage disposal system.	
This transaction does not involve the transfer of any building which has or is required by law to have a sewage disposal system.	
There is a building served by private sewage disposal system on this property or a building	
without any lawful sawage disposal system. A pertified inspector's report is attached which	
documents the condition of the private sewage disposal system and whether any modifications	
are required to conform to standards adopted by the Department of Natural Resources. A	
certified inspection report must be accompanied by this form when recording.	
There is a building served by private sewage disposal system on this property. Weather or	
other temporary physical conditions prevent the certified inspection of the private sewage	
disposal system from being conducted. The buyer has executed a binding acknowledgment	
with the county board of health to conduct a certified inspection of the private sewage disposal	
system at the earliest practicable time and to be responsible for any required modifications to	
the private sewage disposal system as identified by the certified inspection. A copy of the	
binding acknowledgment is attached to this form.	,
There is a building served by private sewage disposal system on this property. The buyer has \(\)	
executed a binding acknowledgment with the county board of health to install a new private	
sewage disposal system on this property within an agreed upon time period. A copy of the	
binding acknowledgment is provided with this form.	
There is a building served by private sewage disposal system on this property. The building to	
which the sawage disposal system is connected will be demolished without being occupied. The	
buyer has executed a binding acknowledgment with the county board of health to demolish the building within an agreed upon time period. A copy of the binding acknowledgment is provided	
with this form. [Exemption #9]
