ARTICLE I

First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015

Section 1. There is hereby created a twenty-sixth series of bonds to be issued under and secured by the Indenture, to be designated, distinguished and known as "First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015" (hereinafter called collectively the "Bonds" and individually a "Bond"). The Bonds may be issued in the aggregate principal amount of $4,700,000 except as otherwise provided in the Indenture and in this Twenty-fourth Supplemental Indenture. The Bonds shall be evidenced by a single registered bond without coupons and shall be dated as of the interest payment date next preceding the authentication thereof by the Trustee, except that (i) if any Bond shall be authenticated before November 1, 1985, it shall be dated as of the date of the first authentication and delivery of the Louisa Revenue Bonds, (ii) if any Bond shall be authenticated on an interest payment date, it shall be dated such date and (iii) if the Company shall at the time of the authentication of any Bond be in default in the payment of interest upon the Bonds, such Bond shall be dated as of the date of the beginning of the period for which such interest is so in default.

The Bonds shall mature September 1, 2015.

Until the interest rate on the Louisa Revenue Bonds shall have been converted to the Fixed Interest Rate (as defined in the Louisa Revenue Indenture) in accordance with the provisions of the Louisa Revenue Indenture, the Louisa Revenue Bonds will bear interest for each Interest Period (as defined in the Louisa Revenue Indenture) at a rate per annum determined for such Interest Period in accordance with the provisions of the Louisa Revenue Indenture, particularly Articles II and X thereof, which interest will be payable on the first day of the next succeeding Interest Period (except as otherwise provided in the Louisa Revenue Indenture), commencing November 1, 1985. In the event the interest rate on the Louisa Revenue Bonds shall be so converted to the Fixed Interest Rate, the Louisa Revenue Bonds will bear interest thereafter at the Fixed Interest Rate, which interest will be payable on March 1 and September 1 of each year (except as otherwise provided in the Louisa Revenue Indenture). The provisions of the Louisa Revenue Indenture applicable to the determination of the rate of interest to be borne from

time to time by the Louisa Revenue Bonds and the dates on which and the periods for which interest on the Louisa Revenue Bonds is to be payable are set forth in Schedule B attached hereto and expressly made a part hereof. The rate of interest per annum on the Bonds for any period shall be the same as the rate of interest per annum on the Louisa Revenue Bonds for such period, and interest on the Bonds shall be payable on the same dates and for the same periods as interest payable on the Louisa Revenue Bonds, as such rates, dates and periods are determined in accordance with such Schedule B. Unless and until the Louisa Revenue Indenture shall have been amended or otherwise modified to change in any manner the provisions thereof set forth in such Schedule B, the Trustee may conclusively rely upon written notice from the Louisa Trustee, signed by one of its officers, stating the then applicable rate of interest on the Louisa Revenue Bonds and the related interest period and interest payment date. In no event shall the interest rate on the Bonds exceed 15% per annum.

The terms of redemption of the Bonds shall be as described or referred to in Section 2 of this Article I.

Payment of the principal of, and premium, if any, and interest on, the Bonds shall be made to the registered owner of the Bonds in funds immediately available on or before the date payment is due at the address of the registered owner shown on the register maintained by the Trustee; provided that if payment or provision therefor has been made in respect of the principal of, or the premium, if any, or interest on, all or any portion of the Louisa Revenue Bonds in accordance with the Louisa Revenue Indenture, the corresponding principal of, or premium, if any, or interest on, the Bonds shall be deemed to have been paid to the extent of such payment or provision. The Trustee may at all times conclusively assume that the obligation of the Company to make payments with respect to the principal of, and premium, if any, and interest on, the Bonds, to the extent such payments have become due, has been satisfied and discharged unless and until the Trustee shall have received written notice from the Louisa Trustee, signed by one of its officers, stating that (i) timely payment of the principal of, or premium, if any, or interest on, the Bonds has not been made, (ii) the Company is in arrears as to payments required to be made to the Louisa Trustee, after giving effect to any available moneys in the Bond Fund provided for in the Louisa Revenue Indenture, and (iii) the amount of such arrearage.

Each registered owner of the Bonds, by acceptance thereof, shall be deemed to agree to make prompt entry thereon of all payments, prepayments and credits on account of the principal thereof, whether under any provision of the Louisa Revenue Indenture, this Twenty-fourth Supplemental Indenture or otherwise, to notify the Trustee of the amount of each such payment, prepayment or credit and that such entry has been duly made and to surrender the Bonds to the Trustee for cancellation when all principal, premium, if any, and interest thereon shall have been duly paid or provided for. Each registered owner of the Bonds, by acceptance thereof, shall also be deemed to agree to enter on any of the Bonds being transferred the date to which interest shall have been paid thereon.

As used in this Section 1, the term "default in the payment of interest" means failure to pay interest on the applicable interest payment date disregarding any period of grace permitted by Section 9.02 of the Original Indenture.

SECTION 2. In the event that the Louisa Trustee shall have given notice to the holders of the Louisa Revenue Bonds pursuant to Section 5.05(c) of the Louisa Revenue Indenture that the Letter of Credit (as defined in the Louisa Revenue Indenture) will expire on a date specified in such notice, the Bonds shall be redeemed prior to maturity, in whole or in part as hereinafter provided, at the principal amount thereof, without premium, together with accrued interest to the redemption date, on notice given in the manner and with the effect provided in this Section 2 and in Article IV of the Original Indenture, on the interest payment date for the Bonds next preceding such expiration date, provided that a like principal amount of the Louisa Revenue Bonds is being redeemed on the same date pursuant to Section 2.02(e)(ii) of the Louisa Revenue Indenture. The principal amount of the Bonds to be so redeemed shall be determined on the basis of a notice from the Louisa Trustee to the Company and the Trustee pursuant to Section 2.02(g) of the Louisa Revenue Indenture specifying the principal amount of the Louisa Revenue Bonds to be concurrently redeemed pursuant to such Section 2.02(e)(ii).

In the event that the Louisa Trustee shall have given notice to the holders of the Louisa Revenue Bonds pursuant to Section 2.12 of the Louisa Revenue Indenture that the interest rate on the Louisa Revenue Bonds may be converted to the Fixed Interest Rate on the effective date specified therein, the Bonds shall be redeemed prior to maturity, in whole

or in part as hereinafter provided, at the principal amount thereof, without premium, together with accrued interest to the redemption date, on notice given in the manner and with the effect provided in this Section 2 and in Article IV of the Original Indenture, on such effective date, provided that a like principal amount of the Louisa Revenue Bonds is being redeemed on the same date pursuant to Section 2.02(e)(iii) of the Louisa Revenue Indenture. The principal amount of the Bonds to be so redeemed shall be determined on the basis of a notice from the Louisa Trustee to the Company and the Trustee pursuant to Section 2.12 of the Louisa Revenue Indenture specifying the principal amount of the Louisa Revenue Bonds to be concurrently redeemed pursuant to such Section 2.02(e)(iii).

Unless and until the interest rate on the Louisa Revenue Bonds and the Bonds shall have been converted to the Fixed Interest Rate, the Bonds shall be redeemable prior to maturity, in whole or in part on any interest payment date, at the principal amount thereof, without premium, together with accrued interest to the redemption date, on notice given in the manner and with the effect provided in this Section 2 and in Article IV of the Original Indenture, provided that a like principal amount of the Louisa Revenue Bonds is being redeemed on the same date pursuant to subparagraph (A)(1) of Section 3.01 of the Louisa Revenue Indenture.

After conversion of the interest rate on the Louisa Revenue Bonds and the Bonds to the Fixed Interest Rate, the Bonds shall be redeemable prior to maturity in whole, at the option of the Company, at the principal amount thereof, without premium, together with accrued interest to the redemption date, on notice given in the manner and with the effect provided in this Section 2 and in Article IV of the Original Indenture, on any date within 180 days after the occurrence of any of the following events, provided that the Louisa Revenue Bonds are being redeemed in whole on the same date pursuant to subparagraph (A)(2) of Section 3.01 of the Louisa Revenue Indenture:

(a) all or substantially all of the Louisa Project shall be damaged or destroyed and the Company shall determine that it is not practicable or desirable to rebuild, repair and restore the Louisa Project;

(b) all or substantially all of the Louisa Project shall be condemned or such use or control thereof shall be taken by eminent

domain as to render the Louisa Project unsatisfactory to the Company for continued operation;

(c) unreasonable burdens or excessive liabilities shall be imposed upon Louisa or the Company with respect to the Louisa Project or the operation thereof; or the Company shall have made a good faith determination that, as a result of any change in applicable federal income tax law after the date of original issuance of the Louisa Revenue Bonds, the Company would suffer a significant federal income tax detriment (including, but not limited to, the loss of all or a portion of the investment tax credit or the loss or deferral of all or a portion of the deduction for depreciation in respect of the Louisa Project or the loss of all or a portion of the deduction with respect to interest paid on the Louisa Revenue Bonds) resulting from the tax exempt status of interest paid on the Louisa Revenue Bonds; or

(d) as a result of any changes in the Constitution of Iowa or in the Constitution of the United States of America or of legislative or administrative action (whether state or federal), or by final decree, judgment or order of any court or administrative body (whether state or federal) entered after the contest thereof by the Company in good faith, the Louisa Loan Agreement shall have become impossible of performance in accordance with the intent and purposes of the parties as expressed therein.

After conversion of the interest rate on the Louisa Revenue Bonds and the Bonds to the Fixed Interest Rate, the Bonds shall be redeemed prior to maturity, in whole or in part as hereinafter provided, at the principal amount thereof, without premium, together with accrued interest to the redemption date, on notice given in the manner and with the effect provided in this Section 2 and in Article IV of the Original Indenture, on any date within 180 days after receipt by the Company of written notice of either of the following events, provided that a like principal amount of the Louisa Revenue Bonds is being redeemed on the same date pursuant to subparagraph (B) of Section 3.01 of the Louisa Revenue Indenture:

(a) the issuance of a private letter ruling or a technical advice memorandum by the Internal Revenue Service in a proceeding in connection with which the Company has had the opportunity to participate; or

(b) a final determination by any court of competent jurisdiction in the United States in a proceeding to which the Company is a party or in which the Company has had the opportunity to participate;

in either case, to the effect that, as a result of a failure by the Company to observe any covenant, agreement, representation or warranty by the Company in the Louisa Loan Agreement, the interest payable on the Louisa Revenue Bonds is includable for federal income tax purposes in the gross income of the holders thereof (other than a holder who is a "substantial user" of the Louisa Facilities or a "related person" within the meaning of Section 103(b) of the Internal Revenue Code of 1954, as amended (hereinafter called the "Code"), and the applicable regulations thereunder). If any holder of the Louisa Revenue Bonds refuses to permit the Company to participate in any such proceeding (as a party or otherwise) to the extent the Company deems sufficient or if any holder of the Louisa Revenue Bonds fails to notify the Company of the pendency of any such proceeding, the Bonds will not, in the event of an adverse letter ruling, technical advice memorandum or court determination, be subject to the mandatory redemption provisions of this paragraph. The Bonds shall be redeemed in whole unless redemption of a portion of the Louisa Revenue Bonds then outstanding would have the result that interest payable on the Louisa Revenue Bonds to remain outstanding after such redemption would not be includable for federal income tax purposes in the gross income of any holders of any such Louisa Revenue Bonds (other than a holder who is a "substantial user" of the Louisa Facilities or a "related person" within the meaning of Section 103(b) of the Code and the applicable regulations thereunder), in which event the Bonds shall be redeemed only in the principal amount necessary to redeem Louisa Revenue Bonds in a principal amount to effect such a result.

After conversion of the interest rate on the Louisa Revenue Bonds and the Bonds to the Fixed Interest Rate (if such conversion shall occur prior to the interest payment date occurring in September, 1995), the Bonds shall also be redeemable prior to maturity on or after September 1 of the year which shall be the tenth year after the year in which such conversion shall have occurred, in whole at any time or in part on any interest payment date, at the redemption prices hereinafter stated (expressed as a percentage of the principal amount to be redeemed), together with accrued interest to the redemption date, on notice given in the manner and with the effect provided in this Section 2 and in Article IV of the Original Indenture, provided that a like principal amount of the Louisa Revenue Bonds is being redeemed on the same date pursuant

to subparagraph (A)(3)(a) of Section 3.01 of the Louisa Revenue Indenture:

IF REDEEMED DURING THE TWELVE MONTHS' PERIOD BEGINNING SEPTEMBER 1 OF THE:

	Redemption Price		Redemption Price
Tenth year	103.00%	Fourteenth year	101.00%
Eleventh year	102.50%	Fifteenth year	100.50%
Twelfth year	102.00%	Sixteenth year and thereafter	100.00%
Thirteenth year	101.50%		

After conversion of the interest rate on the Louisa Revenue Bonds and the Bonds to the Fixed Interest Rate (if such conversion shall occur on or after the interest payment date occurring in September, 1995), the Bonds shall also be redeemable prior to maturity on or after September 1 of the year which shall be the fifth year after the year in which such conversion shall have occurred, in whole at any time or in part on any interest payment date, at the redemption prices hereinafter stated (expressed as a percentage of the principal amount to be redeemed), together with accrued interest to the redemption date, on notice given in the manner and with the effect provided in this Section 2 and in Article IV of the Original Indenture, provided that a like principal amount of the Louisa Revenue Bonds is being redeemed on the same date pursuant to subparagraph (A)(3)(b) of Section 3.01 of the Louisa Revenue Indenture:

IF REDEEMED DURING THE TWELVE MONTHS' PERIOD BEGINNING SEPTEMBER 1 OF THE:

	Redemption Price
Fifth year	103.00%
Sixth year	102.00%
Seventh year	101.00%
Eighth year and thereafter	100.00%

The Bonds shall be redeemed prior to maturity in whole at the principal amount thereof, without premium, together with accrued interest to the redemption date, on the date specified in a written notice to the Company and the Trustee from the Louisa Trustee, in accordance with the

last paragraph of Section 9.12 of the Louisa Revenue Indenture, stating *inter alia* that the principal of and interest on all the Louisa Revenue Bonds have been declared due and payable as a result of the occurrence of an event of default under the Louisa Revenue Indenture and demanding redemption of the Bonds, which redemption date shall be not less than seven nor more than 15 days after such written notice; provided that in the event of a waiver of any such event of default under the Louisa Revenue Indenture and its consequences and the rescission of the acceleration of the maturity of the principal of and interest on the Louisa Revenue Bonds, such demand for redemption of the Bonds shall be deemed to be rescinded.

In case of any redemption of Bonds pursuant to the provisions of this Twenty-fourth Supplemental Indenture, notice of redemption shall be mailed by or on behalf of the Company, postage prepaid, at least 15 days prior to such date of redemption, to the registered owner of the Bonds at its address appearing upon the register maintained by the Trustee; provided, however, that in the case of any redemption of Bonds pursuant to either of the first two paragraphs of this Section 2, such notice of redemption shall be so mailed at least one day prior to such date of redemption; and provided further that in the case of any redemption of Bonds pursuant to the preceding paragraph of this Section 2, no notice of redemption shall be required. Any notice which is mailed as herein provided shall be conclusively presumed to have been properly and sufficiently given on the date of such mailing, whether or not the registered owner receives such notice.

Notwithstanding any provision of the Original Indenture, including Section 8.01, the Bonds are subject to redemption only as hereinabove provided in this Section 2.

SECTION 3. The Bonds shall be appropriately numbered, commencing with R-1.

The form of the Bonds shall be substantially as follows:

(FORM OF REVERSE OF BOND)

I. This Bond is one of the Company's "First Mortgage Bonds" issued and to be issued in one or more series under and secured by an Indenture of Mortgage and Deed of Trust dated as of March 1, 1947 duly executed by the Company to HARRIS TRUST AND SAVINGS BANK (herein called the "Trustee") and LYNN LLOYD (R. S. Stam, successor Individual Trustee), Trustees, to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the property mortgaged and pledged, the nature and extent of the security, the terms and conditions upon which the bonds are, and are to be, issued and secured and the rights of the bearers or registered owners of the bonds and of the Trustees in respect of such security. As provided in said Indenture, the bonds may be for various principal sums, are issuable in series, may mature at different times, may bear interest at different rates and may otherwise vary as therein provided. This Bond is one of a series entitled "First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015," created by the Twenty-fourth Supplemental Indenture dated as of September 1, 1985.

II. Louisa County, Iowa (hereinafter called "Louisa") is issuing and selling, or has issued and sold, its Floating Rate Monthly Demand Pollution Control Revenue Bonds (Iowa-Illinois Gas and Electric Company Project) Series 1985 (hereinafter called the "Louisa Revenue Bonds") under and pursuant to Louisa's Indenture of Trust dated as of September 1, 1985 (hereinafter called the "Louisa Revenue Indenture") to Manufacturers Hanover Trust Company of California, as trustee (hereinafter called the "Louisa Trustee"). This Bond is issued as repayment of the loan of the proceeds of the Louisa Revenue Bonds to the Company pursuant to the Loan Agreement dated as of September 1, 1985 (hereinafter called the "Louisa Loan Agreement") between the Company and Louisa to refinance the acquisition, construction and equipping of a portion of the Company's undivided interest (hereinafter called the "Louisa Project") in certain facilities (hereinafter called the "Louisa Facilities," more particularly described in Exhibit A to the Louisa Loan Agreement) to be used for pollution control at Unit 1 of the Louisa Generating Station. Until the interest rate on the Louisa Revenue Bonds shall have been converted to the Fixed Interest Rate (as defined in the Louisa Revenue Indenture) in accordance with the provisions of the Louisa Revenue Indenture, the Louisa Revenue Bonds will bear interest

for each Interest Period (as defined in the Louisa Revenue Indenture) at a rate per annum determined for such Interest Period in accordance with the provisions of the Louisa Revenue Indenture, particularly Articles II and X thereof, which interest will be payable on the first day of the next succeeding Interest Period (except as otherwise provided in the Louisa Revenue Indenture), commencing November 1, 1985. In the event the interest rate on the Louisa Revenue Bonds shall be so converted to the Fixed Interest Rate, the Louisa Revenue Bonds will bear interest thereafter at the Fixed Interest Rate, which interest will be payable on March 1 and September 1 of each year (except as otherwise provided in the Louisa Revenue Indenture). The registered owner of this Bond may obtain from the Trustee a copy of the provisions of the Louisa Revenue Indenture applicable to the determination of the rate of interest to be borne from time to time by the Louisa Revenue Bonds and the dates on which and the periods for which interest on the Louisa Revenue Bonds is to be payable.*

III. The rate of interest per annum on the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, for any period shall be the same as the rate of interest per annum on the Louisa Revenue Bonds for such period, and interest on the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, shall be payable on the same dates and for the same periods as interest payable on the Louisa Revenue Bonds, as such rates, dates and periods are determined in accordance with the Louisa Revenue Indenture (as originally executed). Unless and until the Louisa Revenue Indenture shall have been amended or otherwise modified to change in any manner the provisions thereof applicable to such determination, the Trustee may conclusively rely upon written notice from the Louisa Trustee, signed by one of its officers, stating the then applicable rate of interest on the Louisa Revenue Bonds and the related interest period and interest payment date. In no event shall the interest rate on the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, exceed 15% per annum.

IV. To the extent permitted by said Indenture, modifications or alterations of said Indenture or of any indenture supplemental thereto and of

*In the event the registered owner of a Bond is not the trustee under the Louisa Revenue Indenture, appropriate changes will be made in the form of the Bonds to reflect the manner in which the interest rate on the Bonds and the related interest periods and interest payment dates are to be determined.

the rights and obligations of the Company and of the bearers or registered owners of the bonds and coupons may be made, with the consent of the Company, by affirmative vote of the bearers or registered owners (or persons entitled to vote the same) of not less than sixty-six and two-thirds per cent (66⅔%) in principal amount of the bonds entitled to vote at a meeting of bondholders called and held as provided in said Indenture and by like affirmative vote of not less than sixty-six and two-thirds per cent (66⅔%) in principal amount of the bonds entitled to vote of each series affected by such modification or alteration in case one or more, but less than all, of the series of bonds then outstanding under said Indenture are so affected; provided, however, that no such modification or alteration shall be made without the consent of the registered owner hereof which will (a) affect the right of the registered owner hereof to receive payment of the principal of, or interest or premium (if any) on, this Bond, or to institute suit for the enforcement of any such payment on or after the respective due dates expressed herein, or (b) otherwise than as permitted by said Indenture, permit the creation of any lien ranking prior to or on a parity with the lien of said Indenture with respect to any property covered thereby, or deprive any bondholder of the security afforded by the lien of said Indenture, or (c) reduce the percentage of the principal amount of the bonds required to authorize any such modification or alteration.

V. Payment of the principal of, and premium, if any, and interest on, this Bond shall be made to the registered owner hereof in funds immediately available on or before the date payment is due at the address of the registered owner hereof shown on the register maintained by the Trustee; provided that if payment or provision therefor has been made in respect of the principal of, or the premium, if any, or interest on, all or any portion of the Louisa Revenue Bonds in accordance with the Louisa Revenue Indenture, the corresponding principal of, or premium, if any, or interest on, this Bond shall be deemed to have been paid to the extent of such payment or provision. The registered owner of this Bond, by acceptance hereof, agrees that whenever any payment, prepayment or credit on account of the principal of this Bond is made or occurs, whether under any provision of the Louisa Revenue Indenture, said Twenty-fourth Supplemental Indenture or otherwise, such registered owner shall promptly enter on the Schedule of Payments, Prepayments and Credits on Account of Principal the date and amount of each such payment, prepayment or credit and shall promptly notify the Trustee of the

amount of each such payment, prepayment or credit and that such entry has been duly made. The registered owner of this Bond, by acceptance hereof, further agrees to surrender this Bond to the Trustee for cancellation when all principal of, and premium, if any, and interest on, this Bond shall have been duly paid or provided for.

VI. The registered owner of this Bond, by acceptance hereof, agrees that any payment on this Bond shall be credited as and used to make a corresponding payment of the principal of, or premium, if any, or interest on, the Louisa Revenue Bonds.

VII. In the event that the Louisa Trustee shall have given notice to the holders of the Louisa Revenue Bonds pursuant to Section 5.05(c) of the Louisa Revenue Indenture that the Letter of Credit (as defined in the Louisa Revenue Indenture) will expire on a date specified in such notice, the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, shall be redeemed prior to maturity, in whole or in part as hereinafter provided, at the principal amount thereof, without premium, together with accrued interest to the redemption date, on the interest payment date next preceding such expiration date, provided that a like principal amount of the Louisa Revenue Bonds is being redeemed on the same date pursuant to Section 2.02(e)(ii) of the Louisa Revenue Indenture. The principal amount of the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, to be so redeemed shall be determined on the basis of a notice from the Louisa Trustee to the Company and the Trustee pursuant to Section 2.02(g) of the Louisa Revenue Indenture specifying the principal amount of the Louisa Revenue Bonds to be concurrently redeemed pursuant to such Section 2.02(e)(ii).

In the event that the Louisa Trustee shall have given notice to the holders of the Louisa Revenue Bonds pursuant to Section 2.12 of the Louisa Revenue Indenture that the interest rate on the Louisa Revenue Bonds may be converted to the Fixed Interest Rate on the effective date specified therein, the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, shall be redeemed prior to maturity, in whole or in part as hereinafter provided, at the principal amount thereof, without premium, together with accrued interest to the redemption date, on such effective date, provided that a like principal amount of the Louisa Revenue Bonds is being redeemed on the same date pursuant to Section

2.02(e)(iii) of the Louisa Revenue Indenture. The principal amount of the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, to be so redeemed shall be determined on the basis of a notice from the Louisa Trustee to the Company and the Trustee pursuant to Section 2.12 of the Louisa Revenue Indenture specifying the principal amount of the Louisa Revenue Bonds to be concurrently redeemed pursuant to such Section 2.02(e)(iii).

Unless and until the interest rate on the Louisa Revenue Bonds and the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, shall have been converted to the Fixed Interest Rate, the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, shall be redeemable prior to maturity, in whole or in part on any interest payment date, at the principal amount thereof, without premium, together with accrued interest to the redemption date, provided that a like principal amount of the Louisa Revenue Bonds is being redeemed on the same date pursuant to subparagraph (A)(1) of Section 3.01 of the Louisa Revenue Indenture.

After conversion of the interest rate on the Louisa Revenue Bonds and the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, to the Fixed Interest Rate, the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, shall be redeemable prior to maturity in whole, at the option of the Company, at the principal amount thereof, without premium, together with accrued interest to the redemption date, on any date within 180 days after the occurrence of any of the following events, provided that the Louisa Revenue Bonds are being redeemed in whole on the same date pursuant to subparagraph (A)(2) of Section 3.01 of the Louisa Revenue Indenture:

(a) all or substantially all of the Louisa Project shall be damaged or destroyed and the Company shall determine that it is not practicable or desirable to rebuild, repair and restore the Louisa Project;

(b) all or substantially all of the Louisa Project shall be condemned or such use or control thereof shall be taken by eminent domain as to render the Louisa Project unsatisfactory to the Company for continued operation;

(c) unreasonable burdens or excessive liabilities shall be imposed upon Louisa or the Company with respect to the Louisa Project or

the operation thereof; or the Company shall have made a good faith determination that, as a result of any change in applicable federal income tax law after the date of original issuance of the Louisa Revenue Bonds, the Company would suffer a significant federal income tax detriment (including, but not limited to, the loss of all or a portion of the investment tax credit or the loss or deferral of all or a portion of the deduction for depreciation in respect of the Louisa Project or the loss of all or a portion of the deduction with respect to interest paid on the Louisa Revenue Bonds) resulting from the tax exempt status of interest paid on the Louisa Revenue Bonds; or

(d) as a result of any changes in the Constitution of Iowa or in the Constitution of the United States of America or of legislative or administrative action (whether state or federal), or by final decree, judgment or order of any court or administrative body (whether state or federal) entered after the contest thereof by the Company in good faith, the Louisa Loan Agreement shall have become impossible of performance in accordance with the intent and purposes of the parties as expressed therein.

After conversion of the interest rate on the Louisa Revenue Bonds and the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, to the Fixed Interest Rate, the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, shall be redeemed prior to maturity, in whole or in part as hereinafter provided, at the principal amount thereof, without premium, together with accrued interest to the redemption date, on any date within 180 days after receipt by the Company of written notice of either of the following events, provided that a like principal amount of the Louisa Revenue Bonds is being redeemed on the same date pursuant to subparagraph (B) of Section 3.01 of the Louisa Revenue Indenture:

(a) the issuance of a private letter ruling or a technical advice memorandum by the Internal Revenue Service in a proceeding in connection with which the Company has had the opportunity to participate; or

(b) a final determination by any court of competent jurisdiction in the United States in a proceeding to which the Company is a party or in which the Company has had the opportunity to participate;

in either case, to the effect that, as a result of a failure by the Company to observe any covenant, agreement, representation or warranty by the Company in the Louisa Loan Agreement, the interest payable on the Louisa Revenue Bonds is includable for federal income tax purposes in

the gross income of the holders thereof (other than a holder who is a "substantial user" of the Louisa Facilities or a "related person" within the meaning of Section 103(b) of the Internal Revenue Code of 1954, as amended (hereinafter called the "Code"), and the applicable regulations thereunder). If any holder of the Louisa Revenue Bonds refuses to permit the Company to participate in any such proceeding (as a party or otherwise) to the extent the Company deems sufficient or if any holder of the Louisa Revenue Bonds fails to notify the Company of the pendency of any such proceeding, the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, will not, in the event of an adverse letter ruling, technical advice memorandum or court determination, be subject to the mandatory redemption provisions of this paragraph. The First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, shall be redeemed in whole unless redemption of a portion of the Louisa Revenue Bonds then outstanding would have the result that interest payable on the Louisa Revenue Bonds to remain outstanding after such redemption would not be includable for federal income tax purposes in the gross income of any holders of any such Louisa Revenue Bonds (other than a holder who is a "substantial user" of the Louisa Facilities or a "related person" within the meaning of Section 103(b) of the Code and the applicable regulations thereunder), in which event the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, shall be redeemed only in the principal amount necessary to redeem Louisa Revenue Bonds in a principal amount to effect such a result.

After conversion of the interest rate on the Louisa Revenue Bonds and the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, to the Fixed Interest Rate (if such conversion shall occur prior to the interest payment date occurring in September, 1995), the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, shall also be redeemable prior to maturity on or after September 1 of the year which shall be the tenth year after the year in which such conversion shall have occurred, in whole at any time or in part on any interest payment date, at the redemption prices hereinafter stated (expressed as a percentage of the principal amount to be redeemed), together with accrued interest to the redemption date, provided that a like principal amount of the Louisa Revenue Bonds is being redeemed on the same date pursuant to subparagraph (A)(3)(a) of Section 3.01 of the Louisa Revenue Indenture:

IF REDEEMED DURING THE TWELVE MONTHS' PERIOD BEGINNING SEPTEMBER 1 OF THE:

Eleventh year	102.50%	Fifteenth year	100.50%
Twelfth year	102.00%	Sixteenth year and thereafter	100.00%
Thirteenth year	101.50%		

After conversion of the interest rate on the Louisa Revenue Bonds and the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, to the Fixed Interest Rate (if such conversion shall occur on or after the interest payment date occurring in September, 1995), the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, shall also be redeemable prior to maturity on or after September 1 of the year which shall be the fifth year after the year in which such conversion shall have occurred, in whole at any time or in part on any interest payment date, at the redemption prices hereinafter stated (expressed as a percentage of the principal amount to be redeemed), together with accrued interest to the redemption date, provided that a like principal amount of the Louisa Revenue Bonds is being redeemed on the same date pursuant to subparagraph (A)(3)(b) of Section 3.01 of the Louisa Revenue Indenture:

IF REDEEMED DURING THE TWELVE MONTHS' PERIOD BEGINNING SEPTEMBER 1 OF THE:

	Redemption Price

The First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, shall be redeemed prior to maturity in whole at the principal amount thereof, without premium, together with accrued interest to the redemption date, on the date specified in a written notice to the Company and the Trustee from the Louisa Trustee, in accordance with the last paragraph of Section 9.12 of the Louisa Revenue Indenture, stating *inter alia* that the principal of and interest on all the Louisa Revenue

Bonds have been declared due and payable as a result of the occurrence of an event of default under the Louisa Revenue Indenture and demanding redemption of the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, which redemption date shall be not less than seven nor more than 15 days after such written notice; provided that in the event of a waiver of any such event of default under the Louisa Revenue Indenture and its consequences and the rescission of the acceleration of the maturity of the principal of and interest on the Louisa Revenue Bonds, such demand for redemption of the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, shall be deemed to be rescinded.

Notice of any redemption of First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, except that no notice of redemption shall be required in the case of a redemption pursuant to the preceding paragraph of this Section VII, shall be given by mail at least 15 days prior to the redemption date (one day in the case of any redemption pursuant to either of the first two paragraphs of this Section VII), all as more fully provided in said Twenty-fourth Supplemental Indenture and Indenture. Except as otherwise expressly provided herein, notice of redemption having been duly given, the First Mortgage Bonds, Floating Rate Monthly Demand Series due 2015, called for redemption shall become due and payable upon the redemption date.

Before any transfer of this Bond shall be recognized or given effect by the Trustee or the Company, the registered

owner hereof shall enter hereon the date to which interest has been paid and the amount of principal paid, prepaid or credited hereon, shall notify the Trustee and the Company of the name and address of the transferee and shall afford the Trustee and the Company the opportunity of verifying such entry.

X. The Company and the Trustees and any paying agent may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment and for all other purposes, and neither the Company nor the Trustees nor any paying agent shall be affected by any notice to the contrary.

XI. No recourse shall be had for the payment of the principal of, or the interest on, this Bond, or for any claim based hereon or otherwise in respect hereof or of said Indenture or any indenture supplemental thereto, against any incorporator, stockholder, director or officer, past, present or future, of the Company or of any predecessor or successor corporation, as such, either directly or through the Company or any such predecessor or successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability of incorporators, stockholders, directors and officers being waived and released by every owner hereof by the acceptance of this Bond and as part of the consideration for the issue hereof, and being likewise waived and released by the terms of said Indenture.

SECTION 4. The Bonds shall be non-transferable except as required to effect a transfer to a successor trustee under the Louisa Revenue Indenture or in the exercise of rights and remedies consequent upon an event of default thereunder. ARTICLE V

The total principal amount of Series 1985 Bonds that may be issued hereunder is hereby expressly limited to $4,700,000, except as provided in Section 2.07 hereof.

Section 2.02. Issuance of Series 1985 Bonds.

(a) Designation, Maturity, and Date. The Series 1985 Bonds shall be designated "Louisa County, Iowa, Floating Rate Monthly Demand Pollution Control Revenue Bonds (Iowa-Illinois Gas and Electric Company Project) Series 1985." The Series 1985 Bonds shall mature, subject to prior redemption upon the terms and conditions hereinafter set forth, on September 1, 2015. The Series 1985 Bonds shall be dated as of the date of the first authentication and delivery of Series 1985 Bonds hereunder.

(b) Interest Rate. Each Series 1985 Bond shall bear interest until the principal amount of such Series 1985 Bond has been paid or provided for, computed from the later of (i) the date of such Series 1985 Bond or (ii) the most recent Interest Payment Date to which interest has been paid or provided for in respect of such Series 1985 Bond. Interest on the Series 1985 Bonds shall be paid on each Interest Payment Date. So long as

the Series 1985 Bonds shall not bear interest at the Fixed Interest Rate, interest on the Series 1985 Bonds shall be computed on the basis of a year of 365 or 366 days, as appropriate, for the actual number of days elapsed. Upon the conversion of the interest rate on the Series 1985 Bonds to the Fixed Interest Rate and thereafter, interest on the Series 1985 Bonds shall be computed on the basis of a 360-day year consisting of twelve 30-day months.

For the first Interest Period, the Series 1985 Bonds shall bear interest at the rate determined by the Remarketing Agent to be the interest rate which, in its judgment, having due regard for prevailing financial market conditions, would be the interest rate necessary, but which would not exceed the interest rate necessary, to enable the Series 1985 Bonds to be sold by the Issuer on the date of issuance at a price equal to 100% of the principal amount thereof, but not to exceed eight percent (8%) per annum. For each Interest Period thereafter until the interest rate on the Series 1985 Bonds shall have been converted to the Fixed Interest Rate, the Series 1985 Bonds shall bear interest at the lesser of (a) the rate of fifteen percent (15%) per annum and (b) a rate established as follows:

(i) if any Series 1985 Bonds shall have been delivered to the Remarketing Agent for purchase on the Interest Payment Date which is the first day of such Interest Period pursuant to Section 2.02(f)(i) hereof, and if any or all of such Series 1985 Bonds shall have been sold by the Remarketing Agent (or if any Series 1985 Bonds shall be deemed to have been sold pursuant to the last sentence of Section 2.02(f)(i) hereof) on such Interest Payment Date pursuant to Section 10.18 hereof, the interest rate for all Series 1985 Bonds for such Interest Period shall be the interest rate determined by the Remarketing Agent in accordance with Section 10.18 hereof; provided, however, that such rate shall not be more than one hundred ten percent (110%), nor less than ninety percent (90%), of the Interest Index for such Interest Period; or

(ii) if any Series 1985 Bonds shall have been delivered to the Remarketing Agent for purchase on such Interest Payment Date pursuant to Section 2.02(f)(i) hereof and if none of such Series 1985 Bonds shall have been sold by the Remarketing Agent on such Interest Payment Date pursuant to Section 10.18 hereof, the interest rate for the Series 1985 Bonds for such Interest Period shall be the percentage per annum equal to one hundred ten percent (110%) of the Interest Index for such Interest Period; or

(iii) if no Series 1985 Bonds shall have been delivered to the Remarketing Agent for purchase on such Interest Payment Date pursuant to Section 2.02(f)(i) hereof, the interest rate for the Series 1985 Bonds for such Interest Period shall be the percentage per annum equal to the Interest Index for such Interest Period;

provided, however, that if for any reason such rate is not or cannot be established or shall be held to be invalid or unenforceable by a court of law for any Interest Period, the interest rate for the Series 1985 Bonds for such Interest Period shall be equal to sixty-five percent (65%) of the average per annum discount rate at which 13-week United States Treasury bills shall have been sold at the most recently conducted Treasury auction. Promptly upon receipt by the Trustee from the Remarketing Agent of telephonic or telegraphic notice pursuant to Section 10.18(b) hereof specifying the interest rate on the Series 1985 Bonds for such Interest Period, the Trustee shall deliver written notice, signed by one of its officers, to the First Mortgage Trustee stating the interest rate on the Series 1985 Bonds for such Interest Period.

(c) Interest Index Computation. For each Interest Period after the first Interest Period, the Interest Index shall be computed by the Indexing Agent as of, and made available (together with reasonable detail as to the computation thereof, if requested by the Company) to the Trustee, the Company and the Remarketing Agent, on the fourth Business Day next preceding the first day of such Interest Period. The Interest Index shall be the average of 30-day yield evaluations at par of no fewer than three Component Issues selected by the Indexing Agent, which shall consist of floating rate monthly demand bonds, or similar instruments, which may but need not be supported by letters of credit. So long as the Series 1985 Bonds shall be rated by either Moody's or S&P in one of its two highest long-term debt Rating Categories or in its highest note, commercial paper or short-term debt Rating Category, each of the Component Issues must be securities rated by either such rating agency (a) in its highest note, commercial paper or short-term debt Rating Category or (b) in one of its two highest long-term debt Rating Categories and be issued by an issuer which either (i) has no outstanding notes, commercial paper or short-term debt or (ii) has no outstanding notes, commercial paper or short-term debt rated by either such rating agency. In the event that the Series 1985 Bonds shall not be rated by either Moody's or S&P in one of its two highest long-term debt Rating Categories or in its highest note, commercial paper or short-term debt Rating Category, each of the Component Issues must be securities rated by either such rating agency (a) in the note, commercial paper or short-term

debt Rating Category correlative, in the judgment of the Indexing Agent, to the long-term or short-term debt Rating Category in which the Series 1985 Bonds are rated by such rating agency or (b) in the same long-term debt Rating Category as the Series 1985 Bonds are rated by such rating agency and be issued by an issuer which (i) has no outstanding notes, commercial paper or short-term debt or (ii) has no outstanding notes, commercial paper or short-term debt which is rated by either such rating agency. The specific Component Issues used in determining the Interest Index may be changed from time to time by the Indexing Agent in its discretion. In the event that the Series 1985 Bonds shall not be rated by either Moody's or S&P, or in the event that the Indexing Agent shall no longer compute or shall fail to compute the Interest Index and a successor Indexing Agent shall not have been appointed by the Issuer, the Interest Index under such circumstances shall be determined by the Remarketing Agent and shall be sixty-five percent (65%) of the average per annum discount rate at which 13-week United States Treasury bills shall have been sold at the most recent Treasury auction conducted during the next preceding Interest Period or, if no such auction shall have been conducted, the Interest Index shall be the same as for such preceding Interest Period.

The computation of the Interest Index by the Indexing Agent, and the determination of any interest rate varying from the Interest Index by the Remarketing Agent, shall be conclusive and binding upon the Holders of the Series 1985 Bonds, the Company, the Issuer and the Trustee.

(d) Form and Denomination of Bonds. The Series 1985 Bonds shall be issuable only in fully registered form without coupons in Authorized Denominations. Any instrument delivered to the Trustee in accordance with this Section 2.02(g) shall be irrevocable and shall be binding upon all subsequent Holders of the Series 1985 Bonds (or any portion thereof which constitutes an Authorized Denomination) with respect to which such instrument was delivered, including any Series 1985 Bonds issued in exchange therefor or upon the registration of transfer thereof; but such instrument shall have no effect upon any subsequent redemption of Series 1985 Bonds. If less than all of the Series 1985 Bonds available for any such purchase by the Company in lieu of redemption are to be purchased by the Company on any such date, the Series 1985 Bonds to be purchased by the Company on such date shall be selected by the Trustee by lot. All moneys received by the Trustee from the Company shall be deposited by the Trustee in a separate Bond Purchase Account (hereby established) and held in trust for the benefit of the Holders of the Series 1985 Bonds so purchased.

The Trustee, on behalf of the Company, shall pay the purchase price of the Series 1985 Bonds so purchased to the former Holders thereof upon delivery of such Series 1985 Bonds to the Trustee for transfer to the Company. Prior to the transfer of any Series 1985 Bond so purchased to the Company, the Trustee shall stamp such Series 1985 Bond with the following legend: "This Bond is no longer entitled to the benefit of the Letter of Credit or any Alternate Credit Facility referred to in this Bond."

The Company shall be treated as the Holder of all Series 1985 Bonds so purchased by the Company in lieu of such redemption for all purposes of this Indenture, whether or not such Series 1985 Bonds shall have been delivered to the Trustee.

The Trustee shall hold moneys deposited in the Bond Purchase Account, without liability for interest thereon, for the benefit of the former Holders of the Series 1985 Bonds purchased in lieu of such redemption, who shall thereafter be restricted exclusively to such moneys for any claim of whatever nature on their part under the Indenture or on, or with respect to, such Series 1985 Bonds. Any moneys so deposited with the Trustee and not so applied to the payment of Series 1985 Bonds within one (1) year after such Interest Payment Date shall be paid by the Trustee to the Company and thereafter such former Holders shall be entitled to look only to the Company for payment, and then only to the extent of the amount so repaid, and the Company shall not be liable for any interest thereon and shall not be regarded as a trustee of such moneys.

Section 2.03. Execution; Limited Obligation. The Bonds shall be executed on behalf of the Issuer with the manual or facsimile signature of the Chairman of the Issuer's Board of Supervisors and attested with the manual or facsimile signature of the County Auditor and shall have impressed or printed thereon a facsimile of the corporate seal of the Issuer. Any such facsimile signature shall have the same force and effect as if said Chairman or the County Auditor, as the case may be, had manually signed each of said Bonds.

In case any officer whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery.

The Bonds, together with interest thereon, shall be limited obligations of the Issuer giving rise to no pecuniary liability of the Issuer nor any charge against the general credit

(c) A written order to the Trustee by the Issuer to authenticate and deliver the Additional Bonds to the purchaser or purchasers therein identified upon payment to the Trustee of a specified sum;

(d) The executed and authenticated Additional First Mortgage Bonds required to be delivered to the trustee pursuant to the Agreement;

(e) If the Letter of Credit is then in effect, an amended or substitute Letter of Credit increasing the moneys available to the Trustee thereunder by an amount equal to the principal amount of such Additional Bonds plus thirty-five (35) days of interest thereon at the maximum permitted rate, with moneys drawn thereunder to be available to the Trustee for the same purposes with respect to the Additional Bonds as the Letter of Credit is available to the Trustee with respect to the Series 1985 Bonds; and

(f) Written evidence from Moody's, if any Bonds then Outstanding are then rated by Moody's, and from S&P, if any Bonds then Outstanding are then rated by S&P, to the effect that the issuance of such Additional Bonds will not adversely affect the rating of such rating agency with respect to the Outstanding Bonds then rated by such rating agency.

Notwithstanding anything herein to the contrary, no Additional Bonds shall be issued unless (i) the Agreement is in effect and (ii) there is no Event of Default at the time of issuance of such Additional Bonds under this Indenture.

Section 2.12. Establishment of the Fixed Interest Rate. The interest rate borne by the Series 1985 Bonds shall be established at the Fixed Interest Rate and the Series 1985 Bonds shall thereafter bear interest at such Fixed Interest Rate until maturity, upon the occurrence of either of the following events:

(a) On the fourth Business Day prior to the Interest Payment Date in each January and July (unless conversion to the Fixed Interest Rate shall have already occurred), the Indexing Agent shall compute the Fixed Interest Index. If on such date of computation the Fixed Interest Index shall be at or below six percent (6%) per annum, the Indexing Agent shall compute the Fixed Interest Index on the fourth Business Day prior to the Interest Payment Date next occurring after the first-mentioned Interest Payment Date (being the Interest Payment Date occurring in February or August, as the case may be). If the Fixed Interest Index shall be at or below six percent (6%) per annum on the date of such second computation, then the Fixed Interest Rate shall become effective with respect to the Series 1985 Bonds,

subject to the provisions of the second succeeding sentence, on the Interest Payment Date next occurring after the second-mentioned Interest Payment Date (being the Interest Payment Date occurring in March or September, as the case may be, the "Effective Date"). The Fixed Interest Rate on the Series 1985 Bonds shall be equal to the Fixed Interest Index computed by the Indexing Agent on the tenth (10th) Business Day immediately preceding the Effective Date. Notwithstanding the foregoing, such Fixed Interest Rate shall not become effective on such Effective Date, if, on such tenth (10th) Business Day, the Fixed Interest Index exceeds six percent (6%) per annum or, if on or before such Effective Date, there shall not have been delivered to the Issuer, the Trustee, the Company and the Remarketing Agent an opinion of Bond Counsel stating that such conversion to the Fixed Interest Rate is authorized or permitted by this Indenture and the Act and that such conversion will not adversely affect the exemption of the interest on the Series 1985 Bonds from federal income taxation. If the Fixed Interest Rate shall not become effective, the Series 1985 Bonds shall continue to bear interest at the rate determined as provided in Sections 2.02(b) and (c) hereof. The Indexing Agent shall make available (together with reasonable detail as to the computation thereof, if requested by the Company) to the Issuer, the Trustee, the Paying Agent, if any, the Company, the Remarketing Agent and the Bank each computation made pursuant to this subparagraph (a).

(b) Upon receipt by the Issuer, the Paying Agent, if any, the Trustee, the Bank and the Remarketing Agent of a direction from the Company specifying (i) the date as of which the Fixed Interest Rate shall be determined (which determination date shall not be less than ten (10) Business Days prior to the Effective Date thereof) and (ii) the Effective Date thereof (which shall be an Interest Payment Date not less than thirty (30) days after the date on which the Company gives such direction), the Indexing Agent shall compute and make available (together with reasonable detail as to the computation thereof, if requested by the Company) to the Issuer, the Trustee, the Paying Agent, if any, the Company, the Remarketing Agent and the Bank the Fixed Interest Index as of such determination date. Such direction shall be accompanied by an opinion of Bond Counsel stating that such conversion to the Fixed Interest Rate is authorized or permitted by this Indenture and the Act and that such conversion will not adversely affect the exemption of the interest on the Series 1985 Bonds from federal income taxation. Upon the date specified in the Company's direction as the Effective Date, the Fixed Interest Rate shall be established at the rate per annum equal to the Fixed Interest Index computed as of the determination date specified in such direction.

The Fixed Interest Index shall be the average of yield evaluations (on the basis of full interest-bearing securities trading at par and having a term approximately equal to the then remaining term of the Series 1985 Bonds) of at least three and not more than ten Component Issues selected by the Indexing Agent (which may include, without limitation, industrial development bonds) which have a rating by Moody's or S&P in the same category as the first mortgage bonds of the Company or, if the Company has no first mortgage bonds so rated, as secured debt of issuers having a comparable credit quality, in the judgment of the Indexing Agent, to the Company. The specific Component Issues used in determining the Fixed Interest Index may be changed from time to time by the Indexing Agent in its discretion. In the event that the Indexing Agent shall no longer compute, or shall fail to compute, the Fixed Interest Index and a successor Indexing Agent shall not have been appointed by the Issuer, the Fixed Interest Index shall be determined by the Remarketing Agent and shall be ninety-five percent (95%) of the average yield, evaluated at par on the basis of a term approximately equal to the then remaining term of the Series 1985 Bonds, of United States Treasury bonds.

Upon conversion to the Fixed Interest Rate under this Section 2.12, the Series 1985 Bonds shall be subject to redemption pursuant to Section 2.02(e)(iii) hereof or purchase by the Company pursuant to Section 2.02(h) hereof on the Effective Date. The Trustee shall give Notice by Mail to the Holders of the Series 1985 Bonds not less than twenty-five (25) days prior to the Effective Date. Such notice shall state (i) that the interest rate on the Series 1985 Bonds may be converted to the Fixed Interest Rate, (ii) the expected Effective Date, (iii) the date as of which the Fixed Interest Rate shall be determined and the procedure for informing the Holders of the Series 1985 Bonds of the Fixed Interest Rate, (iv) the Interest Payment Dates for the Series 1985 Bonds after such Effective Date, (v) that the Letter of Credit shall be terminated at the close of business fifteen (15) days after such Effective Date, (vi) that any ratings of the Series 1985 Bonds by Moody's or S&P may be withdrawn or reduced from the ratings then prevailing, (vii) that subsequent to such Effective Date the Holders of the Series 1985 Bonds will no longer have the right to require purchase of Series 1985 Bonds by the Remarketing Agent or the Trustee, (viii) that all Outstanding Series 1985 Bonds not purchased by the Remarketing Agent or the Trustee on or prior to such Effective Date shall be redeemed by the Issuer or purchased by the Company on such Effective Date by payment of a redemption or a purchase price equal to the principal amount thereof, except Series 1985 Bonds which the Holder thereof shall have directed the Issuer not to redeem in accordance with this Section 2.12 and Section 2.02(e)(iii) hereof and (ix) that a Holder has the option set forth in the next paragraph to direct the Issuer not to redeem

any Series 1985 Bond (or any portion thereof which constitutes an Authorized Denomination).

Any Holder may direct the Issuer not to redeem any Series 1985 Bonds (or portions thereof which constitute Authorized Denominations) owned by such Holder by delivering to the Trustee at its principal corporate trust office or New York Office prior to the second Business Day preceding the date fixed for such redemption an instrument or instruments in writing executed by such Holder (i) specifying the numbers and denominations of Series 1985 Bonds held by such Holder which such Holder elects not to have redeemed, (ii) acknowledging receipt of notice of the matters set forth in clauses (i) through (ix) of the preceding paragraph of this Section 2.12, and (iii) directing the Issuer not to redeem such Series 1985 Bonds (or any portion thereof which constitutes an Authorized Denomination). Any instrument delivered to the Trustee in accordance with this Section 2.12 shall be irrevocable and shall be binding upon all subsequent Holders of the Series 1985 Bonds (or any portion thereof which constitute an Authorized Denomination) with respect to which such instrument was delivered, including any Series 1985 Bonds issued in exchange therefor or upon the registration of transfer thereof; but such instrument shall have no effect upon any subsequent redemption of Series 1985 Bonds. The Trustee shall give telephonic notice to the First Mortgage Trustee and the Company (promptly confirmed by written notice) no later than 11:00 A.M., New York City time, on the second Business Day preceding the date fixed for such redemption of the principal amount of Series 1985 Bonds to be so redeemed on such date after giving effect to the directions contained in all such instruments so delivered to the Trustee.

Any Series 1985 Bond purchased by the Remarketing Agent or the Trustee pursuant to the terms of this Indenture from the date notice is given as provided in this Section 2.12 through the Effective Date shall not be remarketed except to a buyer who agrees, at the time of such purchase, either (i) to accept the Fixed Interest Rate when the Fixed Interest Rate shall become effective or (ii) to require purchase of the Series 1985 Bond by the Remarketing Agent pursuant to Section 2.02(f)(i) hereof on the Effective Date. Series 1985 Bonds purchased by the Remarketing Agent or the Trustee from the date of such notice through such Effective Date and not remarketed shall not be redeemed, but shall (without the need for direction pursuant to the preceding paragraphs of this Section 2.12) remain Outstanding as Series 1985 Bonds bearing the Fixed Interest Rate.

After the Effective Date, the Series 1985 Bonds shall no longer be subject to the provisions of Sections 2.02(b), 2.02(c), 2.02(e), 2.02(f), 2.02(g), 2.02(h) or 10.16 through 10.26 hereof. At the close of business fifteen (15) days after the Effective Date, the Letter of Credit shall be tendered by the Trustee to the Bank, the Letter of Credit shall be terminated and Section 5.05 hereof shall no longer be applicable with respect to the Series 1985 Bonds.

After the Effective Date, interest shall be payable semiannually on each March 1 and September 1 (or if such date shall not be a Business Day, the next succeeding Business Day) thereafter until paid. The interest payable on the first Interest Payment Date occurring in March or September, as the case may be, following the Effective Date shall be for the period, which may be less than six months, commencing on the Effective Date until the day preceeding such Interest Payment Date.

Section 2.13. Temporary Bonds. Pending preparation of definitive Bonds, or by agreement with the purchasers of all Bonds, the Issuer may issue and, upon its request, the Trustee shall authenticate, in lieu of definitive Bonds, one or more temporary printed or typewritten Bonds in Authorized Denominations of substantially the tenor recited above. Upon request of the Issuer, the Trustee shall authenticate definitive Bonds in exchange for and upon surrender of an equal principal amount of temporary Bonds. Until so exchanged, temporary Bonds shall have the same rights, remedies and security hereunder as definitive Bonds.

ARTICLE III

REDEMPTION OF BONDS BEFORE MATURITY

Section 3.01. Redemption Dates and Prices. The Series 1985 Bonds shall be subject to redemption prior to maturity in the amounts, at the times and in the manner provided in Section 2.02(e) hereof and in this Article III.

(A) Optional Redemption

(1) So long as the Series 1985 Bonds shall not bear interest at the Fixed Interest Rate, the Series 1985 Bonds shall be redeemed by the Issuer, at the option of the Company, on any Interest Payment Date, in whole or in part, at a redemption price equal to the principal amount thereof.

(2) After the Effective Date, the Series 1985 Bonds shall be subject to redemption in the event the Company shall elect to exercise its option set forth in Section 2 of

by the Authorized Company Representative stating that the Company has made reasonable request of the Issuer, and that the Issuer has failed, refused or neglected to give any direction to the Trustee or to require the Trustee to take any such action, the Trustee is hereby irrevocably empowered and directed to accept such direction from the Company as sufficient for all purposes of this Indenture. The Company shall have the direct right to cause the Trustee to comply with any of the Trustee's obligations under this Indenture to the same extent that the Issuer is empowered so to do.

Certain actions or failure to act by the Issuer under this Indenture may create or result in an Event of Default under this Indenture and the Issuer hereby agrees that the Company may, to the extent permitted by law, perform any and all acts or take such action as may be necessary for and on behalf of the Issuer to prevent or correct said Event of Default and the Trustee shall take or accept such performance by the Company as performance by the Issuer in such event.

Section 10.16. Remarketing Agent. The Issuer shall, at the direction of the Company, appoint the Remarketing Agent for the Series 1985 Bonds, subject to the conditions set forth in Section 10.17 hereof. The Remarketing Agent shall designate its Principal Office to the Trustee and shall signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the Issuer, the Trustee, the Bank and the Company under which the Remarketing Agent shall agree, inter alia:

(a) to hold all Series 1985 Bonds delivered to it hereunder in trust for the benefit of the respective Bondholders which shall have so delivered such Series 1985 Bonds until moneys representing the purchase price of such Series 1985 Bonds shall have been delivered to or for the account of or to the order of such Bondholders;

(b) to hold all moneys delivered to it hereunder for the purchase of Series 1985 Bonds in trust for the benefit of the Person which shall have so delivered such moneys until the Series 1985 Bonds purchased with such moneys shall have been delivered to or for the account of such Person; and

(c) to keep such books and records as shall be consistent with prudent industry practice and to make such books and records available for inspection by the Issuer, the Trustee, the Bank and the Company at all reasonable times.

The Issuer shall cooperate with the Trustee, the Registrar and the Company to cause the necessary arrangements to be made and to be thereafter continued whereby funds from the sources specified herein and in the Agreement shall be made available for the purchase of Series 1985 Bonds presented at the Principal Office of the Remarketing Agent and whereby Series 1985 Bonds executed by the Issuer and authenticated by the Trustee shall be made available to the Remarketing Agent for delivery pursuant to Section 10.21 hereof.

Section 10.17. Qualifications of Remarketing Agent. The Remarketing Agent shall have a capitalization of at least $15,000,000 and shall be authorized by law to perform all the duties imposed upon it by this Indenture. The Remarketing Agent may at any time resign and be discharged of the duties and obligations created by this Indenture by giving at least sixty (60) days' notice to the Issuer, the Company, the Bank and the Trustee. The Remarketing Agent may be removed at any time by the Issuer, at the direction of the Company, by an instrument filed with the Remarketing Agent, the Bank, the Trustee and the Company. In such event, the Issuer shall, with the written consent of the Company, appoint a successor Remarketing Agent.

In the event of the resignation or removal of the Remarketing Agent, the Remarketing Agent shall pay over, assign and deliver any moneys and Series 1985 Bonds held by it in such capacity to its successor (provided that to qualify as a successor Remarketing Agent, such successor or the parent corporation of such successor shall be rated at least Baa-3 and/or P-3 by Moody's) or, if there be no successor, to the Trustee.

In the event that the Issuer shall fail to appoint a Remarketing Agent hereunder, or in the event that the Remarketing Agent shall resign or be removed, or be dissolved, or in the event the property or affairs of the Remarketing Agent shall be taken under the control of any state or federal court or administrative body because of bankruptcy or insolvency, or for any other reason, and the Issuer shall not have appointed a successor Remarketing Agent, the Trustee, notwithstanding the provisions of the first paragraph of this Section 10.17, shall ipso facto be deemed to be the Remarketing Agent for all purposes of this Indenture until the appointment by the Issuer of the Remarketing Agent or a successor Remarketing Agent, as the case may be; provided, however, that the Trustee in its capacity as Remarketing Agent shall not be required to sell Series 1985 Bonds or to determine the interest rate on the Series 1985 Bonds pursuant to Section 10.18(a) hereof (except pursuant to the proviso appearing at the end of Section 2.02(b) hereof).

Section 10.18. Remarketing of Series 1985 Bonds.

(a) Upon the delivery of Series 1985 Bonds to the Remarketing Agent by any Bondholder in accordance with Section 2.02(f)(i) hereof, the Remarketing Agent shall offer for sale and use its best efforts to sell such Series 1985 Bonds, any such sale to be made on the first Interest Payment Date which is not less than two Business Days after the date of delivery of such Series 1985 Bonds to the Remarketing Agent at a price equal to the principal amount thereof. In connection with such offers, the Remarketing Agent shall determine the interest rate which, if borne by the Series 1985 Bonds, would, in its judgment having due regard to prevailing financial market conditions, be the interest rate necessary, but would not exceed the interest rate necessary, to enable the Remarketing Agent to sell the Series 1985 Bonds so delivered to it at a price equal to the principal amount thereof, and subject to the provisions of Section 2.02(b) hereof, the interest rate so determined by the Remarketing Agent shall be the interest rate on all Series 1985 Bonds for the Interest Period commencing on such Interest Payment Date.

(b) On the second Business Day prior to each Interest Payment Date, the Remarketing Agent shall give telephonic or telegraphic notice, promptly confirmed by a written notice, to the Trustee, the Company and the Bank specifying the principal amount of Series 1985 Bonds, if any, delivered to it for purchase on such Interest Payment Date pursuant to Section 2.02(f)(i) and Section 10.19(a) hereof. On each Interest Payment Date, the Remarketing Agent shall give telephonic or telegraphic notice, promptly confirmed by a written notice, to the Trustee, the Company and the Bank specifying:

(i) the principal amount of such Series 1985 Bonds, if any, sold (including any deemed to have been sold pursuant to Section 2.02(f)(i) hereof) by it pursuant to subsection (a) of this Section 10.18; and

(ii) the interest rate on the Series 1985 Bonds for the Interest Period commencing on such Interest Payment Date.

(c) The Remarketing Agent shall deliver to the Company, the Trustee and the Bank a copy of each notice delivered to it in accordance with Section 2.02(f)(iii) hereof and, immediately upon the delivery to it of any Series 1985 Bonds in accordance with said Section 2.02(f)(iii), shall give telephonic or telegraphic notice, promptly confirmed by written notice, to the Company, the Trustee and the Bank specifying the principal amount of the Series 1985 Bonds so delivered.

(d) The Remarketing Agent shall deliver the due-bill checks, if any, delivered to the Remarketing Agent in accordance with Section 2.02(f)(iii) hereof to the Person to whom the Remarketing Agent delivers the related Series 1985 Bonds in accordance with Section 10.21.

(e) Subject to Section 10.21 hereof, upon receipt by the Remarketing Agent of notice from any Holder of Series 1985 Bonds in accordance with Section 2.02(f)(iii) hereof, the Remarketing Agent shall offer for sale and use its best efforts to sell at the best available price such Series 1985 Bonds on the purchase date stated in the notice provided in accordance with such Section 2.02(f)(iii), plus accrued interest, if any, to such purchase date; provided, however, that the Remarketing Agent shall not sell any Series 1985 Bond pursuant to this Section 10.18(e) if the amount to be received from the sale of such Series 1985 Bond, plus the amount available for drawing under the Letter of Credit with respect to the discount on the remarketing of such Series 1985 Bond, shall be less than the purchase price to be paid by the Remarketing Agent for such Series 1985 Bond.

(f) Subject to Section 10.21 hereof, upon receipt from the Trustee pursuant to Section 10.20(b)(iii) hereof of a copy of the notice delivered to the Trustee in accordance with Section 2.02(f)(ii) hereof, the Remarketing Agent shall offer for sale and use its best efforts to sell at the best available price for such Series 1985 Bonds on the purchase date stated in the notice provided in accordance with such Section 2.02(f)(ii), plus accrued interest, if any, to such purchase date; provided, however, that the Remarketing Agent shall not sell any Series 1985 Bond pursuant to this Section 10.18(f) if the amount to be received from the sale of such Series 1985 Bond, plus the amount available for drawing under the Letter of Credit with respect to the discount on the remarketing of such Series 1985 Bond, shall be less than the purchase price to be paid for such Series 1985 Bond.

(g) In the event that the Remarketing Agent shall be unable to remarket Series 1985 Bonds in accordance with this Section 10.18 on the purchase date thereof, the Remarketing Agent shall, unless otherwise instructed by the Holder, thereafter continue from time to time to use its best efforts to sell at the best available price such Series 1985 Bonds; provided, however, that Pledged Bonds shall be released from the lien of the Pledge Agreement only upon payment of the amounts required thereby. In the event that the Remarketing Agent shall sell any Series 1985 Bonds pursuant to this Section 10.18(g), the Remarketing Agent shall immediately give telephonic or telegraphic notice, promptly confirmed by a written notice, of such sale to the Trustee, the Company and the Bank specifying the principal amount of Series 1985 Bonds so sold and requesting the party to whom such Series

1985 Bonds were delivered pursuant to Section 10.21 hereof to deliver such Series 1985 Bonds to the Remarketing Agent, if such Series 1985 Bonds are not then held by the Remarketing Agent.

Section 10.19. Purchase of Series 1985 Bonds Delivered to Remarketing Agent.

(a) On the Interest Payment Date next succeeding the date Series 1985 Bonds are delivered to the Remarketing Agent pursuant to Section 2.02(f)(i) hereof, the Remarketing Agent shall purchase, but only from the sources of funds and in the order of priority listed below, such Series 1985 Bonds from the Holders thereof at a purchase price equal to the principal amount thereof:
