RESERVING, HOWEVER, unto the Trustees, their successors and assigns, the lien of the Indenture upon electric facilities now or hereafter located on, over or in the property described above in this Division First, the term "electric facilities," as used herein, meaning towers, poles, pole structures, push poles, anchors, guys, stubs, vaults, manholes, tunnels, conduits, wires, cables, transformers, meters, communication facilities and other facilities, equipment, apparatus, fixtures and appurtenances comprising any part of the electric utility system of Iowa Power; and reserving, also, unto the Trustees, their successors and assigns, the lien of the Indenture upon all title and interest of Iowa Power in and to a perpetual right, easement and authority (to be reserved by Iowa Power in the General Conveyance) to construct, install, operate, use, maintain, renew, replace, remove or relocate on, over or in the property described above in this Division First (with such rights of access to such portions of said property as may be necessary or incidental to the exercise of such right, easement and authority) (a) existing electric facilities, (b) electric facilities now in process of construction and (c) electric facilities the construction of which has not been commenced but which has been or shall be authorized, on or before the date of the General Conveyance, by the Board of Directors of Iowa Power; such right, easement and authority so to be reserved to be subject, however, to the condition that none of such electric facilities as located on or after the date of the General Conveyance shall unreasonably interfere with the use by Iowa Gas of its property in the proper conduct of its gas utility business, the General Conveyance providing that any such electric facilities which may, after the date thereof, so interfere shall be relocated by Iowa Power, at its expense, within twelve months after receipt by it from Iowa Gas of a written notice specifying the particular electric facilities to be relocated and designating the desired new location on Iowa Gas' property, such new location to be such as to involve minimum relocation expense to Iowa Power consistent with the elimination of the above mentioned interference.

SECOND. All rights-of-way, easements, franchises, licenses, permits, privileges, leases, leaseholds, agreements and other authority granted to Iowa Power, and now owned by Iowa Power, for the sole purpose of constructing, installing, operating, using, maintaining, renewing, replacing, removing or relocating gas facilities (as defined in Division Fifth of this Part I) on, over or in property owned by others than Iowa Power and situated in the Counties of Audubon, Cass, Dallas, Fremont, Guthrie, Harrison, Jasper, Madison, Mahaska, Marion, Mills, Monroe, Montgomery, Page, Polk, Pottawattamie, Shelby and Warren in the State of Iowa.

THIRD. All rights of Iowa Power to construct, install, operate, use, maintain, renew, replace, remove or relocate gas facilities on, over or in property owned by others than Iowa Power and covered by rights-of-way, easements, franchises, licenses, permits, privileges, leases, leaseholds, agreements and other authority granted to Iowa Power

or its predecessors and now owned by Iowa Power, alone or jointly with others, for purposes including, but now solely for, the aforementioned gas utility purposes, such property being located in the Counties of Audubon, Cass, Dallas, Fremont, Guthrie, Harrison, Jasper, Madison, Mahaska, Marion, Mills, Monroe, Montgomery, Page, Polk, Pottawattamie, Shelby and Warren in the State of Iowa; provided, however, that the release, by this Deed of Release, of such rights of Iowa Power in respect of each of said rights-of-way, easements, franchises, licenses, permits, privileges, leases, leaseholds, agreements and other grants of authority shall be effective only upon the condition and to the extent that such rights can be conveyed, transferred, assigned and set over to Iowa Gas without impairment of the estate or interest of Iowa Power (or the lien of the Indenture on such estate or interest), for purposes other than the aforementioned gas utility purposes, in such right-of-way, easement, franchise, license, permit, privilege, lease, leasehold, agreement or other grant of authority, and without impairment of the estates or interests, if any, therein of others than Iowa Power and the Trustees.

FOURTH. The right of Iowa Power to grant, by the General Conveyance, to Iowa Gas, its successors and assigns, free from the lien of the Indenture, a perpetual right, easement and authority to construct, install, operate, use, maintain, renew, replace, remove or relocate on, over or in property now owned by Iowa Power (situated in the Counties of Audubon, Cass, Dallas, Fremont, Guthrie, Harrison, Jasper, Madison, Mahaska, Marion, Mills, Monroe, Montgomery, Page, Polk, Pottawattamie, Shelby and Warren in the State of Iowa) but not described in Division First of this Part I and not conveyed by the General Conveyance (with such rights of access to such portions of said property as may be necessary or incidental to the exercise of such right, easement and authority) (a) existing gas facilities, (b) gas facilities now in process of construction and (c) gas facilities the construction of which has not been commenced but which has been or shall be authorized, on or before the date of the General Conveyance, by the Board of Directors of Iowa Power or of Iowa Gas; such right, easement and authority to be granted to be subject, however, to the condition that none of such gas facilities as located on or after the date of the General Conveyance shall unreasonably interfere with the use by Iowa Power of its property in the proper conduct of its electric utility business, the General Conveyance providing that any such gas facilities which may, after the date thereof, so interfere shall be relocated by Iowa Gas, at its expense, within twelve months after receipt by it from Iowa Power of a written notice specifying the particular gas facilities to be relocated and designating the desired new location on Iowa Power's property, such new location to be such as to involve minimum relocation expense to Iowa Gas consistent with the elimination of the above mentioned interference.

FIFTH. All gas facilities located on, over or in the property described or referred to in Division First, Second, Third and Fourth of this Part I, or otherwise located, including gas facilities in process of construction, the term "gas facilities," as used herein with reference to gas facilities now owned by Iowa Power, meaning facilities used or held for use in connection with the purchase and receipt of gas from suppliers or transporters, gas production plants and facilities, and facilities for the handling, storage and gasification of liquefied petroleum products; gas tanks and holders, and underground high-pressure gas storage facilities; gas compressors and boosters; gas mixing, regulating and control

facilities; gas mains, laterals, services, regulators, meters, pipes, conduits, valves and fittings, regulating and metering equipment and communication facilities; buildings, structures and works (including appurtenant switch tracks) solely used or held for use in the operation by Iowa Power of its gas utility system and in the conduct of its gas utility business; and other facilities, equipment, apparatus, fixtures and appurtenances so used or held for use and comprising any part of said gas utility system; EXCEPTING, HOWEVER, as to the gas facilities located on, over or in any of the property referred to in Division Fourth of this Part I, service pipes and fuel runs installed for the purposes of receiving gas for fuel runs installed for the purposes of receiving gas for fuel or flame stabilization purposes at electric generating stations of Iowa Power and for its other industrial customer uses on such property. The term "gas facilities," as used herein with reference to gas facilities acquired or constructed by Iowa Gas, means facilities of the character of those hereinabove in this Division Fifth described or referred to.

SIXTH. All machinery, engines, pumps, electric power and lighting equipment (excluding all primary service cable in conduit, primary overhead service connections, secondary service drops, service stations and metering equipment, which constitute electric facilities) and other equipment, tools, implements and apparatus solely used or held for use in the operation by Iowa Power of its gas utility system and in the conduct of its gas utility business; all materials and supplies, merchandise and appliances so used or held for use; all gas in tanks and holders, in underground high-pressure gas storage facilities and in mains and pipes conveyed by the General Conveyance, and all gas in storage, wherever stored, of Iowa Power; all liquefied petroleum and petroleum products solely used or held for use in the operation of said gas utility system and in the conduct of said gas utility business; all automobiles, trucks and other transportation equipment solely or predominantly so used or held for use; and all office furniture and equipment solely or predominantly so used or held for use.

PART II

OTHER GAS ASSETS; EXCEPTED ASSETS

All assets and properties, real and personal, in addition to those described or referred to above in Part I hereof, which are subject to the lien of the Indenture and which are solely used or held for use in the operation by Iowa Power of its gas utility system and in the conduct of its gas utility business and all cash, bills, notes, accounts receivable, contracts (not included under Divisions First and Second of Part I hereof) and choses in action; EXCEPTING, HOWEVER, all shares of stock, bonds and other obligations and other evidences of indebtedness, and other securities.

This Deed of Release is not intended to change, modify, abridge, waive, diminish, discharge or affect in any way the lien of the Indenture upon the property now subject to the lien thereof other than upon the assets, properties and rights herein described or referred to,

and is executed on the express provision, stipulation and condition that it shall not be so construed.

IN WITNESS WHEREOF, Harris Trust and Savings Bank as Trustee under the Indenture, has caused this instrument to be signed in its name and on its behalf by one of its Vice-Presidents, and its seal to be hereunto affixed, duly attested by one of its Assistant Secretaries, and R. S. Stam, as Successor Individual Trustee under the Indenture, has affixed his signature, all as of the day and year first above written.
