fee 9.00

Permit Number 4-1095
County Madison
Project Patterson Sewer /P-764
Highway Number 92

Applicant City of Patterson
(Owner or Owners of Record)
Address Patterson, Iowa 3 December, 19 80
(Date)

A permit is hereby requested to construct a C entrance 18' feet in width, from right of way line to primary road traveled way, including necessary drainage structure thereunder at Station 411 + 00, ~~east~~ north side.
(Type "A", "B", or "C")

PLAT OF ENTRANCE AS PROPOSED TO BE CONSTRUCTED IS ATTACHED TO AND IS A PART OF THIS APPLICATION. (Form 534)

Proposed entrance is located on Primary Road No. 92, Sec. 29, T. 76N, R. 26W, Madison County, 0, Miles ~~XXXX~~ in Patterson more specifically described as follows:
(Direction) (Place, Town, or Object)

Entrance to a sewage pumping station and sewage treatment lagoon for the City of Patterson. Pumping Station to be located on a parcel of land abandoned from Primary Road No. 92 right-of-way. (This permit for entrance to new sewage pumping station and sewage treatment lagoon.) Approx. 3044' east of the west sec. line sec. 29-76-26.

The applicant agrees that if granted a permit to construct the above described entrance, the following stipulations shall govern.

1. Written approval of the Department shall be obtained before any change is made in the entrance or its location.

2. That the entrance, including drainage structure, grading and surfacing, shall be constructed by the applicant at the applicant's expense, in accordance with the plat attached hereto, and in conformity with the standard specifications of the Highway Division, and shall thereafter be kept in repair and maintained by the applicant at his own expense. Nothing in this stipulation, however, shall preclude the Department from entering upon said entrance on highway right of way and performing necessary maintenance for the protection of the highway.

3. That the construction, of the entrance shall be completed by the 31 day of October, 19 81 (The permit is null and void if drive is not completed by the above date unless extension is granted in writing by the Department.)

4. That the construction, future repair or maintenance of said entrance shall be carried on in such a way as not to interfere with, or interrupt traffic on said highway, and the applicant shall take all reasonable precautions to protect and safeguard the lives and property of any person or persons, and shall save the State and Department of Transportation harmless of any damage or losses that may be sustained by any person or persons, on account of such construction, repair, or maintenance operations.

5. That no filling will be permitted in the right of way of primary road No. 92 other than that necessary to construct the proposed entrance.

That the culvert pipe under the entrance shall be zinc coated corrugated metal or 1500D concrete pipe. It shall be 18" inches in diameter and 22' feet in length as shown on attached sketch, and of quality complying with Sec. 4141 and Sec. 4145 of the Highway Division Standard and Specifications, Series of 1964, or subsequent revisions. The pipe shall be installed at the elevation specified by the engineer.

The finished surface elevation of the driveway over the pipe or place where the pipe would normally be shall be 4" inches lower than shoulder elevation at Station 411 + 00 to prevent water draining onto the pavement or travel way.

Side slope of the requested entrance shall be constructed with a minimum of 6:1 slope.

6. That the applicant agrees to give the Highway Division forty-eight hours notice of his intention to start construction on the highway right of way. Said notice shall be in writing to the person whose name is shown on the reverse side.

7. That all provisions herein relating to future repair or maintenance shall be binding on all successors or assigns of the applicant.

8. Stipulations and requirements contained herein are not intended to waive greater requirements of local zoning ordinances.

9. Applicant's attention is directed to the fact that private property may not be used so as to obstruct or encumber the public highway right of way, or interfere with the safety, comfort, and rights of public highway users.

10. _____
