PUBLIC SAFETY COMMUNICATIONS CENTER
MADISON COUNTY, IOWA

The Madison County, Iowa Public Safety Communications Center is hereby established in the Sheriff's Office, Madison County Courthouse, Winterset, Iowa 50273, in and under control of the Madison County Sheriff, in accordance with Chapter 28E.

1. This center shall operate as in the past, i.e. - handling telecommunications and related services for law enforcement, fire, ambulance and other emergency telecommunications, until terminated in writing.

2. Financing:
   a. The Sheriff's Office shall budget for equipment, maintenance and supplies for their departmental operations.
   b. Other departments shall supply the necessary forms, etc. for their records.
   c. This Communications Center shall operate on a 24-hour 7-day week basis.
   d. The City of Winterset shall supply one operator under their pay scale and other benefits schedule.
   e. All other operators and clerks will be budgeted for by the Sheriff's Office in accordance with Madison County Personnel Policy and Madison County Sheriff's Office Regulations.

3. Each department participating shall be responsible for purchasing and maintaining current models of equipment in accordance with specifications in the State of Iowa Telecommunications Plan for their use.

4. Operations - shall be in accordance with procedures and manuals developed and adopted by LEATAC for standardized uniform procedures. The FCC license is presently in the name of "Madison County Sheriff's Office" and will be so continued in accordance with FCC regulations.

5. Due to the age of Madison County's present low-band equipment, it is urged that joining entities will plan for and expedite procurement of their high-band radios to integrate with the new Madison County high-band system which is already in operation.

6. In accordance with Chapter 28E, Section 28E.6, the Madison County Sheriff is designated as the administrator of this agreement responsible for administering this cooperative undertaking. A joint advisory board consisting of a designated representative of the Madison County Supervisors, Winterset City Council and Earlham City Council is hereby established to assist in the coordination of telecommunications requirements of the various agencies, to-wit - law enforcement, fire, ambulance, civil defense, etc.

Whereas, we the undersigned have read and approved this 28E agreement as submitted do hereby adopt same and incorporate it into our official minutes.

Madison County Supervisors — Winterset City Council — Earlham City Council

Elton Harmon

This agreement becomes effective May 1, 1976.
