Number and Street or RR City, Town or P.O. State Zip

**TRANSFeree:**

Name Andrew M. Hornback and Rebecca S. Hornback  
Address 117 E. North Street, Winterset, Iowa 50273  
Number and Street or RR City, Town or P.O. State Zip

Address of Property Transferred:  
1387 Roseman Bridge Rd., Winterset, Iowa 50273  
Number and Street or RR City, Town or P.O. State Zip

Legal Description of Property: (Attach if necessary) Parcel "F" located in the Southwest Quarter (1/4) of the Southeast Quarter (1/4) of Section Ten (10), and in the North Half (1/2) of the Northeast Quarter (1/4) of Section Fifteen (15); ALL in Township Seventy-five (75) North, Range Twenty-nine (29) West of the 5th P.M., Madison County, Iowa, containing 17.07 acres.

**1. Wells (check one)**

- There are no known wells situated on this property.
- There is a well or wells situated on this property. The type(s), location(s) and legal status are stated below or set forth on an attached separate sheet, as necessary.

**2. Solid Waste Disposal (check one)**

- There is no known solid waste disposal site on this property.
- There is a solid waste disposal site on this property and information related thereto is provided in Attachment #1, attached to this document.

**3. Hazardous Wastes (check one)**

- There is no known hazardous waste on this property.
- There is hazardous waste on this property and information related thereto is provided in Attachment #1, attached to this document.

**4. Underground Storage Tanks (check one)**

- There are no known underground storage tanks on this property. (Note exclusions such as small farm and residential motor fuel tanks, most heating oil tanks, cisterns and septic tanks, in instructions.)
- There is an underground storage tank on this property. The type(s), size(s) and any known substance(s) contained are listed below or on an attached separate sheet, as necessary.

**5. Private Burial Site (check one)**

- There are no known private burial sites on this property.
- There is a private burial site on this property. The location(s) of the site(s) and known identifying information of the decedent(s) is stated below or on an attached separate sheet, as necessary.

**6. Private Sewage Disposal System (check one)**

- All buildings on this property are served by a public or semi-public sewage disposal system.
- This transaction does not involve the transfer of any building which has or is required by law to have a sewage disposal system.
- There is a building served by private sewage disposal system on this property or a building without any lawful sewage disposal system. A certified inspector's report is attached which documents the condition of the private sewage disposal system and whether any modifications are required to conform to standards adopted by the Department of Natural Resources. A certified inspection report must be accompanied by this form when recording.
- There is a building served by private sewage disposal system on this property. Weather or other temporary physical conditions prevent the certified inspection of the private sewage disposal system from being conducted. The buyer has executed a binding acknowledgment with the county board of health to conduct a certified inspection of the private sewage disposal system at the earliest practicable time and to be responsible for any required modifications to the private sewage disposal system as identified by the certified inspection. A copy of the binding acknowledgment is attached to this form.
- There is a building served by private sewage disposal system on this property. The buyer has executed a binding acknowledgment with the county board of health to install a new private sewage disposal system on this property within an agreed upon time period. A copy of the binding acknowledgment is provided with this form.
- There is a building served by private sewage disposal system on this property. The building to which the sewage disposal system is connected will be demolished without being occupied. The buyer has executed a binding acknowledgment with the county board of health to demolish the building within an agreed upon time period. A copy of the binding acknowledgment is provided with this form. [Exemption #9]
- This property is exempt from the private sewage disposal inspection requirements pursuant to the following exemption [Note: for exemption #9 use prior check box]: \_\_\_\_\_.
- The private sewage disposal system has been installed within the past two years pursuant to permit number \_\_\_\_\_.

**Information required by statements checked above should be provided here or on separate sheets attached hereto:**

#### Overall condition of the private sewage disposal system

Report system status The septic system at 1387 Rosemon Bidge

Explain (attach additional pages as needed): Road Winterset, Ia. 50273

is in good operating cond. on 12-10-15

Comments: The septic tank was opened & pumped on 12-10-15 - tank has 2 Comp. if in tank & outflow baffles are in place tank has no cracks in tank & water level - at correct level before pumping & all gray water goes to system

Dist. box was opened & water was added to both laterals like heavy use & all laterals took water -

lateral field was clean & dry -

system is in good cond. on 12-10-15

#### Site status at conclusion of Time of Transfer inspection:

- Verify that controls are set on the appropriate mode.
- Power is on to all components.
- Revisit all components to verify lids are secure.
- Gather all tools for removal from the site.
- Verify that no sewage is on the ground surface.

Done

None on 12-10-15

Using this worksheet, write a narrative report of the inspection results and attach a site sketch.

This report indicates the condition of the private sewage disposal system at the time of the inspection. It does not guarantee that it will continue to function satisfactorily.
