RE: Jonathan J. Cornish and Rochelle S. Cornish

Parcels "B" and "C" located in the Northwest Fractional Quarter (1/4) of the Southwest Quarter (1/4) of Section Nineteen (19), Township Seventy-seven (77) North, Range Twenty-nine (29) West of the 5th P.M., Madison County, Iowa, containing 3.01 acres each, as shown in Plat of Survey filed in Book 2015, Page 1741 on June 24, 2015, in the Office of the Recorder of Madison County, Iowa.

The undersigned, as Owner(s) of record of the real estate described above, for one dollar and other good and valuable consideration received, hereby grant(s), sell(s), transfer(s) and convey(s) to Xenia Rural Water District (the "District"), its successors and assigns, an affirmative and perpetual easement in, to, and running with the real estate described above, together with a general and perpetual right of ingress and egress upon such real estate, LIMITED AS FOLLOWS:

1. This easement is solely for the general purposes of construction and laying and thereafter using, operating, inspecting, maintaining, repairing, replacing or removing water pipeline and any necessary appurtenances thereto over, across and through the real estate described above; and,
2. Once such water pipeline and any necessary appurtenances thereto are installed and operating, then this easement (except the general rights of ingress and egress) shall be automatically reduced in scope to a width of thirty feet (or fifty feet if water pipeline is 14" or larger), the centerline of which shall be the water pipeline and any necessary appurtenances thereto.

The District, its successors and assigns, hereby promise to maintain such water pipeline and any necessary appurtenances in good repair so that damage to adjacent real estate of Owner(s), if any damage there be, will be kept to a minimum. Said pipeline shall be placed within 30 feet from and adjacent to existing road right-of-way; provided, however, that grantee may deviate from said course to avoid natural and/or manmade barriers or obstructions.

The District further agrees:

1. To repair, or pay to repair, any tile lines and fences injured or destroyed during construction and in the course of maintenance thereafter.
2. To pay for any crops damaged or destroyed in the course of maintenance beginning one year from the date of initial construction.
3. As long as there is adequate water available, the Owner or successor Owners of the above described property may, by paying the current connection fee and other associated costs at that time, avail themselves to any number of water service hook-ups.

* This easement is only to allow maintenance for installed water meter pit on the property. It does not allow any further construction of water lines or mains on said property. Roger Olsen from Xenia said to make this notation on easement. 6/27/16 Jm Cornish

Easement only for meter pit installed
and serving 1370 Adair/Madison Ave property.
No additional construction of water lines/mains etc.

Executed this 28th day of June, 20 16.
