JOINT PUBLIC SERVICE AGREEMENT

WHEREAS, under Chapter 28 E of the 1975 Code of Iowa as amended, the Madison County Board of Supervisors may, as a public agency, enter into an agreement with a public agency authorized under the laws of this State to cooperate in such a way as to provide joint services and facilities with other agencies and to cooperate in other ways of mutual advantage.

NOW THEREFORE, THE PARTIES HERETO DO MUTUALLY AGREE AS FOLLOWS:

1. The terms of this agreement shall extend until notice of termination is served by either party, in writing, for any cause to the Madison County Board of Supervisors or to the Iowa State Conservation Commission. Such termination shall be effective upon reciept of request by either party.

2. Madison County, through it's Engineering Department will provide services to the State Conservation Commission upon request, the following services: blading and shaping of roadbeds, driveways, shoulders, ditches and parking areas; rock hauling, construction of needed tubes, and other allied services. These services will be provided by the Madison County Engineering Department only when possible and consistant with the time scheduals and work load of the road department as determined by the Madison County Engineer.

3. The cost for such services provided by MadisonCounty, Engineering Department shall be the actual costs and reasonable expenses to Madison County for providing such services as determined by the County Engineer. These costs shall be billed to the Iowa State Conservation Commission, Bays Branch Wildlife Unit, Box 74, Panora Iowa. 50216. Payment shall be made promptly by the Conservation Commission after submission of the bill.

4. Requests for services under this agreement shall be in writing and addressed to the Madison County Engineer.

5. This agreement is meant to be for services for a minor nature. Requests by the Conservation Commission for any particular service will not exceed $1,000.

-continued-

The parties hereunto shall approve the agreement by resolution of their respective Boards or Commissions or Designee, which shall authorize this agreement on the date of October 1, 1985.

All parties to this agreement shall cooperate with each other to the fullest extent possible in order to facilitate and carry out the provisions of this agreement.

Dated this first day of October, 1985, effective until request to terminate as set forth in the conditions of this agreement, we do agree:
