Gentlemen:

Several months ago, Gendler Stone Products Co., Inc. was sold to Schildberg Construction Company. As a part of this transaction, Schildberg purchased certain buildings from Gendler that are located on real estate owned by Gendler Aggregates Co. and now leased to Schildberg. For this reason, it is necessary that your office shift the taxes on these buildings from the Gendler tax rolls to the tax rolls of Schildberg Construction Company.

The following buildings are involved:

1. Shop building (built in 1984) located in SW corner of NE¼, SW¼, 10/76/29, Jackson Township, Madison County, Iowa.

   Shop is 40' x 64' x 18'.

2. Scale and scale house situated in NW¼, SW¼ of Section 10/76/29, Jackson Township, Madison County, Iowa.

3. The following buildings situated in the NW¼ of Section 11/76/29, Jackson Township, Madison County, Iowa:

   (a) Set of stationary scales.

   (b) Scale house.

   (c) Metal pole building (36½' x 48').

   (d) Garage (31½' x 33').

4. Buildings in E½, SW¼ or W½, SE¼, Section 27/76/27, Union Township, Madison County, Iowa. (From my maps it is difficult to tell which part of the section they are in; they are in one or maybe both of the above described parts of Section 27):
