	Prj	vate Burial Site (check one)
	$\mathbf{Z}$	There are no known private burial sites on this property.
	Ш	There is a private burial site on this property. The location(s) of the site(s) and known identifying
		information of the decedent(s) is stated below or on an attached separate sheet, as necessary.
F	_	vate Sewage Disposal System (check one)
L		All buildings on this property are served by a public or semi-public sewage disposal system.
	]	This transaction does not involve the transfer of any building which has or is required by law to
. ,		have a sewage disposal system.
X		There is a building served by a private sewage disposal system on this property or a building
•		without any lawful sewage disposal system. A certified inspector's report is attached which
		documents the condition of the private sewage disposal system and whether any modifications
		are required to conform to standards adopted by the Department of Natural Resources. A
		certified inspection report must be accompanied by this form when recording.
П		There is a building served by a private sewage disposal system on this property. Weather or
_		other temporary physical conditions prevent the certified inspection of the private sewage
		disposal system from being conducted. The buyer has executed a binding acknowledgement
		with the county board of health to conduct a certified inspection of the private sewage disposal
		system at the earliest practicable time and to be responsible for any required modifications to the
		private sewage disposal system as identified by the certified inspection. A copy of the binding
$\overline{}$		acknowledgement is attached to this form.
		There is a building served by private sewage disposal system on this property. The buyer has
		executed a binding acknowledgement with the county board of health to install a new private
		sewage disposal system on this property with an agreed-upon time period. A copy of the binding
		acknowledgement is provided with this form.
		There is a building served by private sewage disposal system on this property. The building to
		which the sewage disposal system is connected will be demolished without being occupied. The
		buyer has executed a binding acknowledgement with the county board of health to demolish the
		building within an agreed-upon time period. A copy of the binding acknowledgement is provided
		with this form. [Exemption #9]
		This property is exempt from the private sewage disposal inspection requirements pursuant to the
		following exemption [Note: for Exemption #9, use prior check box]:
		The private sewage disposal system has been installed within the past two years pursuant to
		permit number
		ormation required by statements checked above should be provided here or on separate
